SECURITY LOAN.4. 1. The Commonwealth Government has decided to raise a "Security Loan" of £70,000,000 cash which will open for subscription on 12th Mar'46 and close on 16th Apr'46.

2. Arrangements have been made for paymasters and unit pay representatives to accept applications for Commonwealth Government Inscribed Stock of Treasury Bonds from members of the AMF who desire to invest in the loan.

3. PARTICULARS OF LOAN.- Loan applications may be made for an amount of £10 or a multiple of £10.

4. Treasury Bonds are payable to bearer and are issued at par for £10, £50, £100, £500 and £1,000.

5. Inscribed Stock may be purchased at par for amounts of £100 or multiples of £10 above £100.

6. Interest is payable at 2% per annum if invested for 3 years and at 3½% per annum if invested for 12 years, and will be credited half-yearly to a member's savings bank account or current account, if desired.

7. Interest will be subject to Commonwealth taxation but not to any income tax under the law of a State. During the period of uniform taxation, a rebate of 2/- in the pound on interest will be allowed to cover freedom from State taxation.

8. Any bank nominated by a member will, if requested, hold the bonds in safe custody without charge.

9. PROCEDURE FOR LODGING APPLICATIONS.- Application forms will be available from paymasters and unit pay representatives and are required to be completed in duplicate. An applicant's signature will be witnessed by an officer.

11. Cash may be accepted in payment of a loan subscription, in which case the amount tendered will be entered in the pay book to establish the necessary credit, and a pay sergeant's or cash office receipt issued and pasted in the pay book.

12. Deposits on account of loan subscriptions will not be accepted. Where members desire to subscribe by instalments, the procedure set out in GRO F303/1944 will be observed. Supplies of "Bank Advice of Service Allotment" forms (vide appendix to GRO F303/1944) will be available from paymasters.

13. The Commonwealth Bank will forward to a member an interim receipt for the amount subscribed.

14. GENERAL.- Both Treasury Bonds and Inscribed Stock are readily realisable and may be sold at any time. Any bank will arrange this for a member if desired.
