8. SPECIAL CONDITIONS AFFECTING HEALTH AND FIGHTING CAPACITY OF OWN TPS.

Hygienic and general sanitation conditions on take over of camp were appalling in regard to both cleanliness and tidiness at 15 Bn. An issue of mosquito cream would be beneficial if made available. General health of troops is good.

9. GENERAL.

(i) The move from GRETA to the present positions was carried out satisfactorily, but the majority of the areas taken over by troops was found in a very dirty and unhygienic state.

(ii) A special report will be forwarded on take over by this Hdc.

(iii) Int. Secs. have been employed in bringing W.S. Maps up to date, and the collection of information re tracks etc..

(iv) The Brig. has carried out recon. of the area and his appreciation will be forwarded seperately.

41 Bn reports troops in good physical condition.

9. GENERAL.

The refresher course for N.C.O.s and Officers which was run at Tomago finished up on Sunday.
24 May. As a result of this school bayonet and weapon training will be intensified within the units.
With the advent of one night leave per week on top of the four days per month the leave situation seems to be a happy one.
