NET CANTEENS - PRICE OF BEER.

Owing to the increase in excise on Beer the following prices will be charged in the Canteens, as from and including Monday 2 Dec. 40.

6 oz. Glasses 4d 100z. Pots 3d.

CANTEENS.

The Canteens are now stocking a full range of shirts, shorts, ties, golf hose, half hose, handkerchiefs, towels and practically all equipment required by officers and men entering or in Camp.

It is the intention of the Canteens Service to sell this class of equipment at near cost price as possible and with the large purchasing power of Army Canteens we are in a position to purchase at a very favourable price.

As the profit of the Army Canteens belongs to the troops it would be appreciated if the information contained in this advice be circularised among all ranks.

NOTICE.

The wearing of lanyards other than Khaki must cease.

Attention is drawn to the fact that personnel are using Latrines and Showers set out for use by the A.A.M.C.

This practice must cease.

For R.O's:

All personnel proceeding on week-end leave must understand that rations are not provided for them during the period of leave granted. Those reporting back before expiration of leave shall not be entitled to meals.

BAD LANGUAGE IN CAMPS.

The use of filthy language by troops in camps is becoming very prevalent.

Steps will be taken by C.O.'s and Officers to curb the use of such language.

Little objection is, or can be taken to a good hearty swear by a soldier, when the occasion warrants it. In fact it may be looked on as a privilege.

This is not the language complained of. What must cease is the constant and loud use of filthy language that even lacks originality, and is just repetition of a few filthy words that do not even make sense.

This order will be read to all troops and disobedience will be dealt with as a disciplinary matter.
