Target Mainz. 13 Aug hit by fighter, alt. 2,000 ft on return from target. Crossed Belgian frontier and made contact with underground on the third day. Interviewed by Belgian White Army and put in White Army camp, which was raided by Germans. I evaded and returned to first contact at Rouvrois, where I remained until contact was made with American army.

I was lectured on evasion and escape in England at my Con Unit and O.T.U.

The colour of my purse was red, and some of the contents was used on expenses. The rest I lost.

I used my aids box.
