3. The practice of bathing in this dam will cease forthwith.

176. MAXIMUM SPEED OF VEHICLES (GRO.340/44).

1. (a) The Motor Vehicles Speed Limit Order made under the National Security (Land Transport) Regulations imposes a speed limit of 30 mph on motor vehicles upon any public highway in the Commonwealth. The order applies to military vehicles, unless the observance of its provisions would be likely to hinder the use of the vehicle for military purposes.

(b) No army vehicle will be driven at any time at a speed greater than the maximum speed for that type of vehicle fixed by para 3 hereof.

Provided that, where the observance of the speed limit of 30 mph would hinder the use of the vehicle for military purposes, an officer, by endorsing the work ticket of the driver to that effect in the case of cars, motor cycles, motor cycle combinations and trucks, ¼ ton jeep, only, may authorise a speed not exceeding in any case 45 mph. Any prosecution for exceeding the speed limit of 30 mph upon any public highway within the Commonwealth will be taken against the officer authorising the greater speed.

2. The speeds prescribed by the GRO may be reduced by formation comd either generally or in regard to any particular area.

3. (a) The following speeds comply with GROs and First Aust Army Orders relating to this area.

2. The critical rubber situation and the necessity for obtaining the maximum service from tyres has been stressed from time to time The further deterioration of the situation, necessitating the introduction of tyres of synthetic construction, renders it imperative that greater care than ever be exercised in the use and maintenance of all tyres, whether of synthetic or natural rubber construction.

AUSTRALIAN WAR MEMORIAL AWM2021.62.467

3. Synthetic tyres are far more susceptible to failure through abuse than tyres constructed from natural rubber. All concerned will, therefore -

(a) exercise the utmost care to avoid -

overloading,
underinflation,
hard braking and fierce acceleration,
high speeds,
bumps and other causes of severe impact,

(b) check wheel alignment frequently and correct irregularities promptly;

(c) rotate tyres regularly;

(d) remove stones and flint from tyres during unit maintenance;

(e) submit tyres for replacement at the correct stage for recapping; and

(f) submit damaged tyres for repair without delay.

182. SERVICE AND EXECUTION OF PROCESS UPON MEMBERS OF THE MILITARY FORCES. (FIRST AUST ARMY ORDER 210/44.)

1. The attention of all personnel is directed to the following paragraphs of GRO.A40/44 as recently amended by GRO's dated 8th Sep. 44.

"3. The location address of a unit may be disclosed to the civil police, a solicitor or process server when such address is also the unit's postal address and it is required by:-

(a) the civil police, the solicitor or process server for the purpose of serving any legal process on a member of the unit; or

(b) the civil police for the purpose of the investigating any alleged offence.

4. When the postal address of a unit does not disclose its location, the commander of an L of C Area or command may disclose such information as to the location of the unit as he thinks fit, having regard to the requirements of national security and the circumstances of the particular case to:-

(a) the civil police, a solicitor, or a process server for the purpose of serving legal process on a member of the unit; or

(b) the civil police for the purpose of investigating any alleged offence.

AUSTRALIAN WAR MEMORIAL AWM2021.62.467

5. Except as permitted under paras 3 and 4, the location address of a member's unit will not be disclosed to the civil police, a solicitor or a process server desiring to serve legal process on a member.

5A. Where the location address of the member's unit is not disclosed and the member has not nominated a solicitor to accept service on his behalf, the civil police, a solicitor or process server desiring to serve legal process, will be advised to apply, or an application already made by such person will be referred, to the Officer In Charge Echelon and Records of the L of C Area or command of enlistment of the member for a statement which may be used in support of an application to a competent court for an order for substituted service.

7. Where the location address of a unit is disclosed as it is undesirable that police and process servers be permitted to search around a camp for the persons upon whom they desire to serve or execute legal process, commanding officers or other local authorities will arrange for the members concerned to attend at unit headquarters at such times as it is most convenient to those commanding officers or authorities and the police or process servers.

8 No member will undertake the service of any legal process upon any other member.

183 MILITARY VEHICLES - SECURITY OF (FIRST AUST ARMY ORDER A.211/44.)

Drivers of military vehicles will not leave same unattended except when properly relieved. The parking of a vehicle in a military parking area does not relieve the driver of this responsibility.

When vehicles are proceeding in convoy, OC convoy may permit drivers to leave their vehicles during halts, provided the OC makes adequate provisions for the piquetting of the vehicles.

Commanding Officers will ensure that all drivers under command:-

(a) Are informed of the terms of this order, and

(b) Are made aware that drivers are primarily responsible for any loss or damage to vehicles and accessories left unattended.

First Aust Army Order 66 of 1942 is hereby cancelled.

184 SECURITY OF INFORMATION - GOLDEN CASKET TICKETS.

The following has been received from Rear Echelon First Aust Army and is forwarded for infm and necessary action.

"1. Information has been received that troops, particularly in the ATHERTON TABLELANDS areas, are continually refusing to supply Golden Casket Ticket Agents with their unit address when purchasing tickets, despite the fact that agents have been informed that the military authorities approve of the unit address being given.

2. The matter was accordingly referred to Adv LHQ who have agreed that, while the present method of supplying Golden Casket Agents with unit names is not consistent with security, troops buying tickets must give some address.

AUSTRALIAN WAR MEMORIAL AWM2021.62.467

3. It is therefore in order for all troops to be allowed to supply their unit postal address, but it must be stressed that under no circumstances will locations of units be given".

185. ATEBRIN.

When the routine administration of atebrin to all members of a unit has been discontinued it will be an offence for any member to take or be in possession of atebrin or quinine unless he is required to take same to complete his maintenance course after being treated in hospital for malaria.

In this regard it has come under notice that certain members have been dosing themselves with malarial suppressives from private supplies when NOT feeling well, all ranks are specifically warned that this practice is dangerous and may result in Blackwater fever, Cerebral malaria or other serious illness.

ASC II AUST DIV - ROUTINE ORDERS.

PART I

BY

LT. COL. F.H. WATTS.

COMD ASC II AUST DIV.

193. ROUTINE ORDERS.

Copies of the undermentioned orders have been distributed for info necessary action and filing for future ref:-

General Order	78	- 85.
GRO.	400	- 445.
11 Aust Div.	340	- 375.
Rear Ech First Aust Army	1	- 23.

194. LIFE ASSURANCE POLICIES TAKEN OUT BY MEMBERS OF THE FORCES (GRO.F4)

1. Life assurance policies taken out by members of the forces on their own lives after September, 1939, usually contain a war clause which imposes upon the member assured, if he wishes to remain covered under his policy for the full sum assured while serving outside the the Commonwealth, the obligation of -

(a) informing the life assurance office concerned of his departure from Australia and of the date thereof; and

(b) payment to that office of an extra war loading premium.

2. Certain life assurance offices regard the Territories of Papua and New Guinea as being, for this purpose, outside the Commonwealth, and there are variations in the rate of war loading premiums charged by different offices, while, in some circumstances, an office may not be prepared to cover the additional risk and may, therefore, refuse to quote any extra premium. A member who desires to remain covered while serving outside the Commonwealth should ascertain from the office concerned to what areas the existing cover extends and what rates of war loading premiums are required should he serve outside those areas.

3. If the member subsequently embarks for service outside the Commonwealth, he may arrange through army channels -

(a) for payment of the amount of extra war loading premium (as previously ascertained by him) to the office concerned, by means of a remittance of undrawn pay; and

(b) for notice of the date of embarkation to be given to that office by the DFO when paying the remittance.

The member will attach to the remittance form a letter requesting the giving of the notice mentioned in sub para (b) of this paragraph.

4. For security reasons, direct notification by members to life assurance offices of their impending or actual embarkation is strictly prohibited.

AUSTRALIAN WAR MEMORIAL AWM2021.62.467

195. ANGAU - APPLICATION FOR APPOINTMENT TO THE DISTRICT SERVICES (GRO. Adm.417/44)

1. A notice inviting applications from members of the AMF for appointment to the District Services of ANGAU appeared in General Routine Orders dated 15th September, 1944 (pages 20-21.)

2. The notice provided that applications should be forwarded through normal channels to reach LHQ on or before 16th November, 1944. It has been decided to extend the period for receipt of applications at LHQ to 31st December, 1944.

3. The notice calling for applications will be republished in unit routine orders and attention is drawn in such orders to the extension of the period for the receipt of applications at LHQ.

4. Information has been received at LHQ that in some cases applications may not have been forwarded on by units. All applications pursuant to the notice will be forwarded through normal channels to reach LHQ with the least possible delay.

196. INCOME TAX - MEMBERS WITH DEPENDANTS RESIDENT OVERSEAS (GRO.F43

1. The Income Tax Assessment Act provides for rebates of tax in respect of a taxpayer's dependants resident in Australia.

2. Where a member of the AMF has married while serving overseas, rebates may be claimed in respect of his wife, and of any children of the marriage, even if they are residing overseas. Such persons are, for this purpose, deemed to be domiciled in Australia.

3. No rebate will be allowed in respect of other dependants residing outside Australia.

4. GRO. F.377/1944 is cancelled.

197. TRAFFIC IRREGULARITIES - RAILWAY CROSSINGS (Rear Ech First Aust Army A.16/44)

1. Insufficient care is being exercised by drivers of vehicles approaching railway crossings.

In most cases traffic control signs are provided to give warning of approach and vehicles will reduce speed accordingly.

198. PRIVATE COMMUNICATIONS CONCERNING CASUALTIES (GRO. A.437/44)

1. Private cables and telegrams reporting battle or other casualties are prohibited. In letters, no reference is to be made to any such casualty until after a period of one month from the date of its occurrence.

2. The prohibition and restriction imposed by para 1 hereof are not applicable to communications sent by a member relative to a casualty sustained by himself.

3. This order has been dictated by motives of consideration for the feelings of the relatives of members of the forces who, in many instances, have been caused unnecessary suffering and suspense through information contained in private correspondence from operational areas and which, in some cases, has proved to be inaccurate.

AUSTRALIAN WAR MEMORIAL AWM2021.62.467

199. SERVICE CHEVRONS (GRO.A.441/44)

Coy Comds will check the wearing of service chevrons in accordance with this GRO.

200. HQ COMD ASC II AUST DIV - GENERATING SET, HOWARD.

1. Such personnel who are required to operate the generating set at HQ Comd ASC will be detailed by the Adjutant.
