2. COURT OF INQUIRY.

A Court of Inquiry will assemble at a time & place to be notified by the President to inquire into the loss of Three Spare Tyres, missing from St. Kilda Motor Park on the night 6/7 SEP 42.

President ---- Capt. PIKE P.C.
Member ---- Lt. COOPER G.F.

3. ACCIDENTS TO, AND MISUSE OF M.T.

1. It has come under notice that in period 6 to 9 AUG 42 inclusive, nine instances of serious accidents and/or misuse of MT have occurred - under circumstances which indicate the consumption of alcoholic liquor by drivers or passengers in the vehicles concerned.

2. In all cases, including these at present under investigation, it is directed that formation and unit commanders take severe disciplinary action where proof is forthcoming that drivers or personnel concerned were: -

(a) Under the influence of alcoholic liquor.
(b) Carrying alcoholic liquor on Army vehicles, except as part of a duly authorised load.
(c) Guilty of a breach of S.O. for Drivers of M.T. para 19.

3. Attention is directed to the grave danger to life and property which may result from any driver partaking of alcoholic liquor whilst in charge of a vehicle. Officers and other passengers are expected to set an example in this respect.

4. Attention is also directed to VIC L of C AREA RO A266/42, forbidding possession and/or consumption of intoxicating liquor in certain places.

4. PAY BOOKS.

1. Attention is drawn to R.O. A261 of 29 JUL 42 wherein it is directed that paybooks must at all times be in possession of soldiers concerned.
2. It will be appreciated that for the very obvious reason of identification and prevention of persons masquerading as soldiers with subversive intent no soldier or officer should be without his

paybook at any time, more particularly as it has been recently found that through utter carelessness on the part of certain unit C.O's., leave pass books and home leave pass books have been stolen.

3. Notwithstanding the instructions issued, it is still found that most personnel brought before the Comd Metrop Tps for disciplinary reasons are without paybooks, the reasons invariably being that such paybooks are held in unit orderly rooms or by Camp Pay Staffs.

4. In such cases in future the Comd Metrop Tps will therefore attach a notification to each charge sheet of the fact that the soldier concerned was found to be without a paybook and in addition will advise these H.Q. of the case and unit concerned.
NOTE: H.Q. referred to being S.&T. Headquarters, Sturt Street, South Melbourne.

5. The only departure which may be permitted from this rule will be when it becomes necessary to withdraw the paybook from the soldier when in camp for checking or entering purposes, or when the paybook is withdrawn by the Pay Staff for checking purposes prior to embarkation or movement to a battle station, in which cases the soldier concerned will be handed a receipt for his paybook which he will be obliged to produce for identification purposes.

6. This matter is to receive the immediate and urgent attention of all C.O's. and disciplinary action will be taken against those who fail to observe the instructions contained herein.

5. HOSPITALITY.

2. SECURITY OF INFORMATION.

1. Many Army Personnel are making a practice of writing their numbers, units and, in some cases, their locations, in visitors' books of hotels, boarding houses, etc., when registering. This practice must cease, as valuable information is being conveyed by its continuance.

3. VISITS to HQ VIC L of C AREA.

1. Troops on strength of units, depots, or other establishments in VIC L of C AREA are NOT to visit these HQ for the purpose of making enquiries regarding personal matters.
2. All such enquiries should be made at HQ of Units to which the Personnel belong, and when units cannot decide a matter, it will be referred in the proper manner to HQ, VIC L of C AREA.

4. USAFIA ITEMS of UNIFORM & EQUIPMENT.

1. The possession by soldiers of the AMF of items of USAFIA uniform and equipment is forbidden.
2. Breaches of this Order will be strictly dealt with.

5. CIVILIAN FOOD SUPPLIES.

1. It has been represented that Officers' and Sergeants' Messes are, in some cases, obtaining processed commodities by impressment from merchants and others; thus depriving the civilian population of such supplies. Impressment other than by Purchasing Officers regularly appointed, under the provision of National Security Regulations, is illegal. The practice of presenting official orders upon merchants for purchase of Mess requirements is undesirable, in that satisfaction of such orders deprives the civilian community of their requirements.
2. Messes will refrain from purchasing processed goods from merchants' stocks, and the purchase of other commodities will be reduced to a minimum in order to ensure that reasonable supplies for civil needs are available. Should the Canteens Service not be able to meet demands of Units and Messes, a report should be submitted to this HQ setting out commodities and quantities required. Should the demands be reasonable, appropriate action will be taken.

2. TOBACCO RATIONING.

Supplies of tobacco and cigarettes to Canteen Services have now been placed on a strictly limited quota of 4 ozs tobacco or 140 cigarettes per man, per week.

Individuals may draw their issue part in cigarettes and part in tobacco if they so desire and providing such is available, on the basis that 1 oz tobacco equals 35 cigarettes. It must be appreciated that owing to the manner in which cigarettes are packed, it may not always be possible to provide the above exact equivalent, in which case, such equivalent will be to nearest possible, at discretion of Canteen authorities.

In order to ensure an equitable and speedy distribution of tobacco, such ration will be issued weekly.

Offrs and Sgts will NOT be entitled to draw from Canteens, but will draw from their own Messes under arrangements to be made by such Messes.

When tobacco is being issued, each person will sign opposite his name on the pro-forma, pay over his cash, and receive his allotment of tobacco.

Parades for this purpose will be held on Monday, Wednesday and Friday at the following times 0700 hrs. to 0715 hrs.; 1300 hrs. to 1315 hrs.; 1700 hrs. to 1730 hrs. and the Orderly Officer of the day will be in charge of each parade and control the movement of personnel through the Canteen.

3. MAINTENANCE AND INSPECTION

SOUTHERN COMMAND ROUTINE ORDER No 304/41.
M.T. Maintenance and Routine Inspections.

(a) All ranks must appreciate the necessity of maintenance and routine inspections of mechanical vehicles.

(b) Every commander and sub-commander is himself responsible for the custody, care maintenance, tactical movement and administrative control of all transport on charge to his command, and this responsibility cannot be delegated.

(c) Drivers will be allowed sufficient time each day to service their vehicles after road duty, and it is the responsibility of C.O's to ensure that this is done.

(d) Apart from the quarterly inspections by O.M.E. for "A" and "B" vehicles, and by M.T. Inspectors for AAS vehicles, the following routine inspections will be carried out by units -

(i) DAILY INSPECTION BY DRIVERS-
It is noted that motors must not be started each day if vehicles are unlikely to move off Unit lines. Much harm is caused by starting motors unnecessarily when cold.

This will be a quick general survey of driver and vehicle and also a check that maintenance is carried out on completion of road duty.

(iii) WEEKLY INSPECTION BY OFFICER OR SENIOR N.C.O.
This inspection will be a detailed check on Driver's routine maintenance, and will include check of vehicle Outfit List (A.A.F. G 12)

Each vehicle will be inspected in full at least every month or 1000 miles, which ever is first applicable. This inspection is most important, and will be a check of efficient performance of duties under sub-para (i),(ii) and (iii) above
