The number of Men in Hospital on last day of the month must agree with remaining column on page 1.

1. Brief Summary Notes as to the probable causes, &c., of the diseases included in this Return.
2. Prevalence of any of the diseases enumerated recorded in any particular Corps.
3. Names of Officers and lady members of the Q.A.I.M.N.S. and A.A.R.S. when first placed on the sick list denoting the disease in the former but not in the latter.
4. In connection with the occurrence of infectious disease the names of the barracks or place at which the disease was contracted should be stated. The number, Corps, and date of admission of enteric fever and paratyphoid fever patients should be given, and, in the former case, a statement made as to whether they were inoculated.
5. Transfers from and to other Hospitals should be noted here.
6. In connection with venereal, when cases remain undischarged at the end of the month, a note will be made as follows:— Of the N.Y.D. cases.....are venereal. In the succeeding Monthly Returns the following note will be made:— Of the venereal N.Y.D. cases remaining last month.....are now shown as syphilis..... as soft chancre, and..... remain N.Y.D. venereal.

TABLE V.

\* AVERAGE CONSTANTLY SICK—W.O.'s, N.C.O.'s, and Men.

Enteric Fever	Malarial Fevers	Enteric Infections, Dysentery, and Liver Diseases as the result of Dysentery and Diarrhea	Tubercular Diseases	Septic Diseases comprising the Diseases enumerated in Group "E"	Venereal Diseases

\* To be shown to two places of decimals.

TABLE VI.

Return of all Men not belonging to His Majesty's Regular Troops (*i.e.*, Special Reserve, Territorial Force, \* Free Patients, Pensioners, Labourers, &c., and also Royal Marines and Seamen, and others not on the strength of the Regular Army) who are not included in the foregoing, but have been under treatment during the month in Hospital.

Corps	Strength	Rank	Name	Disease	Date of being placed on Sick List	Date of being taken off Sick List	Result	Remarks

Should more than a strength of 30 men be present, or 5 sick men belonging to either of the above be under treatment, a separate Return on Army Form A. 31, in which the words "Regular Troops" are altered to MS, must be furnished for them.

\* The term "Free Patient" applies to an invalid whose discharge has been carried out, but was too ill to leave the Hospital.

Hospital.

ON HIS MAJESTY'S SERVICE,

The Secretary,

War Office,

Whitehall,

London, S.W.

This return must not be enclosed in an envelope or wrapper.
