Every effort will be made to foster an atmosphere of comradeship with visiting Military forces, and all ranks will conduct themselves at all times whether on or off duty, in such a manner as to maintain a spirit of goodwill and to avoid any incidents or remarks which might appear unfriendly or such as might be calculated in any way to offend members of visiting allied forces.

PART 1 NO. 16

In the Field
21 JULY 1942

Not to be Published - A.M.H. & C. 1787

1. CHANNELS OF COMMUNICATION FOR COMPLAINTS ETC.

1. It has come to the notice of Army that many soldiers are writing to authorities outside the Army to have complaints, applications for leave or exemption dealt with.
2. A soldier's quickest means of obtaining redress of a wrong is through his own O.C. If a soldier's case is genuine, he will obtain the necessary relief through his own unit, but if his case is not genuine writing to an outside authority will not help. In a genuine case, approach to an outside authority will merely delay the relief which would be obtainable in the unit.
3. All ranks must understand that in certain circumstances approach to an outside authority may constitute an offence and if a unit is in danger of failing in its task through pressure of outside correspondence strong action will be necessary.

(vide H.Q.A.A.S.C. 2 Aust. Div. R.O. No. 23)

2. CENSORSHIP

1. The large amount of uncensored mail posted in civil post boxes indicates that all troops have not yet been impressed with the need for security in correspondence.

2. Troops are warned that uncensored mail is liable to interception at Base, that many instances of evasion of censorship are being detected every week and xxxx the offenders punished and that all future breaches of censorship will be followed by disciplinary action

3. POSTAL NOTES

1. As from 1 July 42 Postal notes will be issued from all Army and Fd. Post Offices free of poundage. Postal notes purchased from any other sources will be subject to poundage charges.

(vide H.Q.A.A.S.C. 2 Aust. Div. R.O. No. 23)

4. ACTION TO BE TAKEN WHEN NATIONAL ANTHEM IS PLAYED

1. Whenever the National Anthem is played, all ranks in military uniform not under the orders of the officer commanding the parade are to stand at attention, officers, W.O.s and N.C.O.s saluting.
2. Whenever the National Anthem is played on occasions when there is no parade or on occasions of a non-military nature, all ranks in military uniform are to stand at attention, officers, W.O.s and N.C.O.s if wearing head dress, saluting.

29. IDENTITY DISCS

Identity discs must be worn at all times. Pl. Comds. will make periodical inspection of troops to see that these discs are being worn.

30. INTERFERENCE WITH SIGNAL COMMUNICATIONS

The practice of firing weapons from troops trains or MT vehicles on roads is forbidden. Many instances of damage to insulators and telegraph wires, resulting in considerable delay in communications have been attributed to this.

If a telegraph wire is broken, the channel of inter-communication is immediately interrupted, and the fault must be located before the service can be restored. To effect repairs, line parties must be sent distances of up to 100 miles.

If the insulator only is broken, the wire will rest on or touch intermittently the cross-arm, producing a fault which is very difficult to locate.

Where the circuit concerned is of the "carrier" type, two or more telephone and telegraph channels may be effected.

The vital importance of maintaining these channels of communication is self-evident.
(vide G.R.O. 254-277 of 31 Jul. 1942)

31. CONSERVATION OF RUBBER

Rubber is very widely employed in many items of army stores and equipment, e. In view of the drastic restrictions in supply arising from the Far Eastern situation, it is essential that all ranks take care constantly to prolong the life of items which have any rubber in them, such as;

(a) Rubber shoes, respirators anti-gas, ground sheets, and similar fabrics and steel helmet linings.

(b) Miscellaneous items such as fan belts and radiator hose on M.T. vehicles and also other types of hose.

(c) Stationery, (elastic bands, rubber stamps and rubber fixed date stamps, erasers, etc)

It is incumbent on all ranks to appreciate that these items must always be used in such a way as to obtain from them the longest possible life.

Some factors which tend to reduce the life of rubber and rubberised articles are;

(a) Careless use.
(b) Exposure to heat, light, oil and grease.
(c) Delay in effecting minor repairs.
(d) Use of articles for purposes other than those for which they were issued.
(e) Bad storage.

As with condemned tyres, all items of Army stores and

AUSTRALIAN WAR MEMORIAL AWM2022.5.1448

equipment having a rubber content will not be destroyed but will be dealt with by the Salvage Organisation.

32 USE OF INDELIBLE PENCILS

Indelible pencils contain a dye which, if allowed to penetrate under the skin, can in certain instances produce dangerous results. The danger is caused mainly by the pencils piercing the skin or fragments of the lead working under the skin

Where indelible pencils are used all precautions are to be exercised

33. ADMINISTRATION OF OATHS ETC. BY OFFICERS.

An officer of the Military forces of the Commonwealth, or of any other part of His Majesty's dominions who holds a rank not below that of Captain or equivalent rank, may, whether in or outside Australia, administer oaths to, take affidavits of, and attest the execution of documents by, any member of a fighting force and every oath administered by, affidavit sworn before, and document attested by, any such officer in pursuance of this regulation shall be valid and effectual for the purposes of any matter arising in, or under the law of, the Commonwealth or of any State or Territory of the Commonwealth.

2B COY. A.A.S.C. 8 INF. BDE. 2 AUST. INV.

Serial 5
Nos. 34 - 40
Part 1
15 Aug. 1942.

34. PRISONERS OF WAR POST

Letters, Post Cards, Parcels etc. may be posted to prisoners of war in enemy, enemy-occupied or neutral countries subject to certain conditions. Full details are available on application to Coy. Orderly Room.

35. INTRODUCTION OF PLANT PESTS INTO WEST AUST.

(a) Several cases have been reported to the Dept. of Agriculture where apples infected with codlin moth have been included in parcels sent to soldiers now in this State.

(b) W.A. is the only State in the Commonwealth which is free from this pest and considerable sums have been spent in eradicating small outbreaks from time to time.

(c) All ranks, who have relatives or friends in other states are asked to co-operate in preventing an outbreak of this pest by requesting that no apples are included in parcels.

(d) Parcels containing apples are liable to confiscation if found in transit.

(vide 2 Aust. Inv. R.O. Ser. 4 of 9 Aug 42)

36. RETURN OF PETROL LICENSES

The Commonwealth Liquid Fuel Control Board has reason to believe that a number of persons called up for Military duty have not acted in accordance with instructions laid down, and surrendered the Motor Spirit Consumers Licenses issued to them in connection with their civil occupations.

Any person still in possession of such licenses who failed to return same before entering camp is therefore required to surrender same immediately to the Liquid Fuel Control Board in the Capital City of the state in which license was issued, together with a letter explaining the changed circumstances and the reason for failure to return the license previously.

This direction is issued under the National Security (Liquid Fuel) Regulations, breaches of which are punishable in fines up to £100 or six months' imprisonment or both.

(vide 2 Aust. Inv. R.O. Ser. 4 of 9 Aug. 42)

37. CASHING OF CHEQUES

Attention is directed to the fact that in no circumstances will private cheques be cashed by the Department of the Army and departmental cheques will be cashed only when the payee has been satisfactorily identified.

(vide 2 Aust. Inv. R.O. Ser. 4 of 9 Aug. 42)

38 SHIRTS MILITARY, KHAKI

In view of the danger of the contraction of malaria, dengue etc. from mosquito infection, the practice of shortening the sleeves of shirts will cease forthwith. Disciplinary action will be taken in every case of contravention of this order.

(vide 2 Aust. Inv. R.O. Ser. 4 of 9 Aug. 42)

AUSTRALIAN WAR MEMORIAL AWM2022.5.1448

39. SECRECY DISCIPLINE

The following order by the Commander-in-Chief, South West Pacific Area, is republished for information:-

"1. The attention of all officers and enlisted men is invited to the necessity for maintenance of secrecy discipline.

2. The efficiency of the enemy espionage and information service has been a conspicuous factor of his general military success at this time.

3. There is evidence of leakage to the public of information regarding the disposition and movement of military units and material presumably the result of careless talk at social gatherings, in hotel lobbies and on public conveyances. The tendency to talk in an atmosphere of conviviality requires no further comment.

4. Officers and enlisted men are forbidden to discuss any military matters in the presence or hearing of any stranger, either military or civilian. They must understand that comments regarding military subjects may become dangerous to the safety of our troops and our cause.

5. While it is obvious that, in the majority of cases, the intent was not malicious, and that public curiosity is a constant temptation, it must be accepted that comments regarding military subjects in an unofficial setting and to unauthorised persons indicate lack of a proper sense of official responsibility."

(vide C.R.O. of 19 June 1942)

40. NATIONAL SECURITY (LANDLORD AND TENANT) REGULATIONS.

Members of the Forces or their dependants who desire to complain of breaches of the National Security (Landlord and Tenant) Regulations should not communicate with members of Parliament or with Federal or State Departments, but should approach the nearest Clerk of Courts for advice as to their rights and obligations under those regulations.

49. DESTRUCTION OF TIMBER OR STATE FORESTS TIMBER RESERVE

COMMANDING
18 COY A.S.C. 8 INF. BDE. 2 AUST. DIV.

Serial 8.
Nos 56 - 65
Part 1.
29 Aug '42.

56. CANTEEN GLASSES.

Numbers of pots and glasses are being removed from the wet canteen these cannot be replaced owing to war shortage. If this continues it will be necessary to close the wet canteen.

Men using the canteen must realise that they themselves must police theiving of glasses and deal harshly with the few who jeopardise the interests of the men.
(vide H.Q. A.S.C. 2 Aust Div Ser. 7 of 24 Aug. 42)

57. MEALS AT RESTRAUNTS.

Instances have occured where troops have partaken of meals at restraunts and refused to pay for same before leaving the premises. A very serious view is taken of this offence and all troops are warned that serere disciplinary action will be taken against those who commit offence.

This being a civil offence, offenders are warned that they are liable to arrest by the civil police, and charged by a civil court.
(vide H.Q. A.S.C. 2 Aust Div Ser. 7 of 24 Aug. 42)

58. SYMPTOMS OF ILLNESS.

All personnel are ~~reported~~ instructed to report sick immediately symptoms of illness become evident.
(vide H.Q. A.S.C. 2 Aust Div Ser. 7 of 24 Aug. 42)

59. DISCIPLINE - DRIVERS MT.

Complaints have made by the Board of Business Administration that in some states there has been laxity in observance of State traffic laws, and in particular that there has been unsatisfactory behaviour on part of military personnel towards police officers; speeding, laxity in screening lights of vehicles and prolonged parking in streets.

Close supervision will be exercised by all personnel to ensure that such conduct is eliminated in W.A.

All Officers N.C.O's and picquets will take immediate disciplinary action in respect of all offenders.
(vide 2.Aust Div R.O. Ser. 5 of 17 Aug. '42)

60. INFORMATION BUREAU FOR SERVICES.

An information bureau of all overseas and interstate men in uniform is situated at No. 6 first floor Padbury House, Cr. St. Georges Terrace and King St. Perth. (B7476)

Here information may be obtained regarding transport of all descriptions where to spend leave, who to see and how to get there. The bureau provides spacious rooms where men may rest, write letter, read, play cards etc. They may leave parcels and put their names down for private billeting and hospitality.

The rooms are open daily including Saturdays and Sundays from 1000 hrs to 1800 hrs. (vide 2 Aust. Div R.O. Ser. 5 of 17 Aug. 42)

61. MOVEMENT - MT - LEVEL CROSSINGS.

AUSTRALIAN WAR MEMORIAL AWM2022.5.1448

Complaints have been received from Engine men that military vehicles are frequently being driven across level crossings in front of trains, and that several accidents have been narrowly averted.

Not only and military and civil lives being endangered but valuable army vehicles which cannot be replaced are being risked. No vehicle will be driven across a railway level crossing if an approaching train is within a quarter of a mile from crossing.
(vide 3 Aust. Corps R.O. Ser. 24 of 24 Aug. '42).

62. DAMAGE TO PROPERTY. - WASHOUT CAUSED BY M.T.

Complaints and claims are being received from Farmers and graziers for damage to property through entry onto cultivated or cleared with M.T. causing damage through tracks becoming water courses.

Although it is appreciated that movements through cultivated land is often unavoidable, forethough will be exercised and such movement restricted with a view to track being made.
(vide 3 Aust Corps R.O. Ser. 24, of 24 Aug. '42).

63. TRAINING AREAS.

The property known as Kenyon, (owned by Mr. A.C. Kendall) situated in Maida Vale area between roads Guildford - Kalamunda, opposite the Maida Vale school and the Bushmead Rifle Range, is out of bounds to all troops and will not be used for any training purposes.
(vide 8 Aust Inf Bde R.O. No. 179 of 28 Aug. '42).

64. USE OF CARS.

In order to economise in the use of cars and conserve petrol and rubber, officers under the rank of Colonel arriving at railway and air terminal stations will report to the R.T.O. or Air Office to ascertain the location of the car allotted to transport them to their destination. This will save any necessity for any officer from the branch or directorate concerned attending at the station or air port to meet the officer, thus permitting one car to transport up to 3 officers with their luggage.

Transport Officers responsible for detailing cars to meet officers at railway stations and air ports will issue instructions to the drivers that they are to report to the R.T.O. or Air Office at least 5 minutes before the train or aeroplane is due. Drivers will notify the R.T.O. or Air Office the name of the Officer or Officers they are detailed to meet and the number and location of their cars in order that the R.T.O. or Air Office can direct the Officers to their cars.

65. M.T. - CARE AND USE OF.

During a recent tactical exercise involving the rapid debussing of troops it was observed that the vehicles used in the exercise were subject to great stress, which entailed high speed, excessive wear and tear on tyres and breaks, and risk of accident.

With the present shortage of M.T. tyres and M.T. spare parts, every care must be taken of M.T. equipment on issue, and abuse during periods of training may bring serious results later.

Troops are advised that care and use of M.T. and tyres is of vital importance. (vide 8 Aust Inf. Bde R.O. No. 179 of 28 Aug '42).
