Interpretation:-

3. For the purpose of this order, the term "first occasion" when used in connection with venereal disease will mean.

(a) The first occasion on which a venereal disease is disgnosed after 31st. Jan'44.

(b) in the case of a member who was on 1st. Feb'44, absent from duty by reason of the disease dagnosed prior to that date - the venereal disease for which he is being treated.or

(c(in the case of a member who, subsequent to the 31st Jan'44 is absent from duty through a relapse from the venereal disease diagnosed prior to the 1st Feb'44 the relapse from which he is then suffering which ever first occurs.

OFFENCE - NATIVES AND LEPROSY CRO 1414.

Further to CRO Serial 106 para 1095 of 2 Aug. 43 attention is again directed to the Native Administration Act. 1905-1936.
para 46 (1) states.
"Any person (except a native.)"
(a) who habitually lives with natives or with any native not his wife or husband, or

(b) who cohabits with or has sexual intercourse with any native who is not his wife or husband, shall be guilty of an offence against the Act. and shall be liable to imprisonment for a period of not more than two years or to penalty not more than one hundred pounds.

Para 48 (1) states. -

"Any person who sells, supplies, or gives any fermented spirituous, or other intoxicating liquor, in any quantity whatsoever, either alone or mixed with any other substance or any opium, to any native shall be guilty of an offence and liable on summary conviction to a penalty not exceeding one hundred pounds. or to any term of imprisonment not exceeding six months or to both."
Apart from legal penalties, personnel who have intimacy with native women are exposing themselves to the risk of leprosy an unprecedented number of cases of which disease have been discovered throughout the North West.

The far reaching and devasting effects of this disease may develop in years to come causing great sorrow to the soldiers concerned and to their families. The undersirability of fraternising with native women is to be impressed on all ranks.

SOLDIERS VISITING NATIONAL SERVICE OFFICES (MAN POWER) CRO 1425.

Complaints have been received that numbers of serving personnel visit National Service Office to interview Manpower Officials on matters relative to discharge or granting of Leave. Attention is drawn to ASO 5/7 (g) and 4/14.

Under no circumstances will Units or members communicate direct with DDGMP either by letter or in person. Manpower officials cannot supply information to serving personnel and therefore such enquiries are a waste of the time of the soldier and of the official. All requests for information will be directed to soldier's CO or if marched out from his Unit to the CO of the Depot to which he last reported.

BRAKE FAILURES - DODGE VEH.

REPORT BY INVESTIGATING COMMITTEE-

1. It was found that the cause of the brake failures on Dodge vehicles could not, be laid down to any one main item, but could have been caused by lack of knowledge of the Booster System by all personnel and misuse of brakes.

2. MAIN FAULTS FOUND.

1. The inside lining of the Rubber manifold line from junction to Booster brake control valve peels off and an automatic stop valve is formed causing the booster piston to move which applies the brakes, or may hold booster piston in an off position which makes it very hard to apply brakes.
2. Toe board clearance incorrect.
3. Control valve piston rod out of adjustment.
4. Screws on Booster cylinder ends loose.
5. Rubber hose clips loose.
6. Blocked compensating port.
7. Brake shoes incorrectly adjusted.

MAINTENANCE RECOMMENDED TO OVERCOME FAULTS TO BE DONE BY W/SHOP ONLY.

1. Brake shoe adjustment .008 and .014
2. Cleaning out braking system.
3. Control valve piston rod clearance allowable $\frac{1}{8}$"

MAINTENANCE RECOMMENDED BY A.F.C.111.

1. Toe board clearance $\frac{1}{4}$" to $\frac{3}{8}$"
2. Screws on booster cylinder to be kept tight.
3. Rubber hose clips to be kept tight.
4. Clean air cleaner every 2,000 miles.

MAINTENANCE BY DRIVERS.

1. See that fluid and top of master cylinder are clean and free from dirt. before topping up.
2. Oil all linkages on booster brake system including booster cylinder pivot found at rear of cylinder and attached to chassis. Oil to be kept well from rubber manifold lines.

WARRANT OFFICERS - MANNER OF ADDRESSING.

As it would appear that some uncertainty exists as to the correct manner of addressing Warrant Officers of the Australian Military Forces, attention is drawn to the principles laid down in AMR & O 1165 (2), viz "NCO's and men are to address W.O.s in the same manner as they do Officers, but do not salute them."

2. Similar principles also govern the method of address of W.O.'s by Officers and other W.O.'s.

3. In applying these principles, in the instances where an Officer would be addressed as "Sir" or as "Mr" or by his rank, a Warrant Officer will be addressed as "Sir" or by the title of his appointment - that is "Sgt-Major", etc., with such abbreviation, if any, as is in accordance with the custom of the Service. A Warrant Officer will not be addressed as "Warrant Officer," "W.O."

TELEPHONES - PENNY-IN-SLOT.

Numerous complaints have been received from DPMG Dept. regarding the number of bent coins being placed in the penny-in-slot Telephones in the various camps.

As the removal of these coins necessitates a mechanic being sent from Fremantle, causing inconvenience and time wasted, the Dept, has advised that these instruments will be removed from the Camp area if the practice continues.

-(contd.)-

AUSTRALIAN WAR MEMORIAL AWM2022.5.1521

ROUTINE ORDERS (CONTD.)

INCLUSION OF UNAUTHORISED ITEMS IN KITS DEPOSITED IN KIT STORES. (CONTD.)

During the fire violent explosion occured which indicate that ammunition had been deposited in kits. These explosion interfered with the firefightin and added to the spread of the conflagration.

This flagrant disregard of instructions has led to the destruction not only of a large quantity of Govt. property, but also the personal possessions of troops which were left in their kits for safe keeping. The loss of the individual soldier is to be deplored and is viewed with grave concern.

Attention is directed to para 2 (c) of GRO "178/42 which reads:
"No inflamables, explosives or shot of any description will be deposited in any kit store".

Severe disciplinary action will be taken against all ranks where this instruction is not compliled with.
