LIEUT. H.G. MALCOLM, ADMIN COMD, BIPOD, VIC L OF C AREA.

Orderly Duties : As posted outside Ord. Sgt's Office.

87. COMPLAINTS AND REDRESS OF WRONGS.

1. From the frequency with which requests and complaints are made by officers and soldiers direct to formation etc HQ and to outside bodies, it is apparent that soldiers are not fully aware of their rights under AMR & O Part IV, Division I (paras 289 - 294).

2. It is particularly explained to soldiers that except in the circumstances referred to in AMR & O 290, they are not permitted to communicate other than through normal channels of communication, and soldiers are to note that the use of outside influences is expressly forbidden by AMR & O 307(1).

88. PROTECTED ANIMALS, BIRDS AND PLANTS.

1. Except in emergency, all ranks will observe the laws of the States and Territories of the Commonwealth relating to the protection of animals birds and plants.

89. NATIONAL SECURITY (LANDLORDS AND TENNANTS) REGULATIONS

1. Members of the Forces or their dependants who desire to complain of breaches of National Security (Landlords and Tennants) Regulations, or of the National Security (War Service Moratorium) Regulations should approach the nearest Clerk of Courts for advice as to their rights and obligations under these regulations.

Orderly Duties : As posted outside Ord. Sgt's. Office.

85. TRANSACTIONS BY THE PUBLIC - AVOIDANCE OF SUSPICION OF WRONGFUL ACTS.

1. Attention of all ranks is directed to AMR & O 316. It is re-promulgated below :

"1. Officers and soldiers whether subject to the AA or subject to Military law or not, will at all times avoid any such act which might expose them to suspicion of being influenced in the discharge of any military duty by other than purely public considerations. They will be scrupulously careful, in their relations with persons supplying or intending to supply goods for military purposes, or performing or intending to perform paid services for the benefit of His Majesty's Military Forces, to avoid entering into any transaction which might occasion such suspicion. They are also forbidden to furnish testimonals to any company, firm or person in respect of the quality of the commodities supplied for military purposes.

2. Any such officer or soldier who in the course of his duty becomes concerned with a transaction with a business organisation in which he has an interest will immediately disclose his interest to proper superior military authority who will either make provision for relieving the officer or soldier from the necessity of dealing with the transactions or refer the question to the Military Board."

86. ACTION TO BE TAKEN WHEN THE NATIONAL ANTHEM IS PLAYED.

Attention is drawn to AMR & O 1153 and 1154 which are repeated hereunder :

"1153 (1) Whenever the National Anthem is played, all ranks in military uniform not under the orders of the officer commanding the parade are to stand to attention, officers, WOs and NCOs saluting.

(2) Officers in attendance on His Majesty or other Royal Personage or the personal Staffs of Governor-Generals and Governors (when such Governors-General or Governors represent the Sovereign on official occasions) are not to salute when the National Anthem is played for the Royal Salute. The only exception is on an occasion of the trooping of the colour, all officers, including those in attendance, are to salute. On a parade, after the royal salute has been given, the Military Board or officer commanding is alone to be regarded as in attendance, and is to take up position in rear of His Majesty or the Governor-General or Governor as the case may be.

"1154. When the National Anthem is played on occasions when there is no parade or on occasions of non-military nature, all ranks in military uniform are to stand to attention, officers, WOs and NCOs if wearing head dress saluting."

82. ACCIDENTS - M.T. VEHICLES

1. The increasing number of accidents involving M.T. vehicles is causing grave concern; particularly as in the recent few weeks accidents of a serious nature have occurred.

2. It is necessary to stress on all personnel the importance and responsibility which evolves on drivers and emphasise the fact that vehicles must not operate at speeds in excess of those laid down.

3. Investigation of accident reports prove only a very small percentage of accidents are due to mechanical defects, and in a few cases only can the Army driver be exonerated from blame.

4. It is therefore apparent that gross carelessness on the part of drivers is the cause of many accidents.

5. Personnel must be made to realise that they are liable not only for disciplinary punishment, but also for cost of repairs to Army vehicles as well as any civilian claim which may be lodged against the Army.

6. The chief causes of accidents are :-

(a) Excessive speed
(b) Inattentive driving
(c) Not giving right-of-way
(d) Not keeping to the left
(e) Inexperience
(f) Intoxicated drivers.

ROUTINE ORDERS PART I BY
LIEUT. H.G. MALCOIM, ADMIN COMD, BIPOD, VIC L OF C AREA.

Orderly Duties : As posted outside Ord. Sgt's Office.

70. FOOD CONSERVATION - POTATOES.

The Army ration has been balanced as a result of scientific study of health and resistance to disease under active service conditions and unless troops receive the benefit of all the essential food factors in the ration, this research is wasted.

2. The boiling and continual soaking of peeled potatoes will destroy more than fifty per cent of the food value of this vegetable, particularly when boiled in Soyer stoves in which the tinplate of the inner surface has perished.

3. When properly cleaned and cooked, potatoes cooked in their jackets are an attractive dish. This is largely so in the case of young potatoes which are liable to break up when boiled in large quantities after peeling.

4. It is not intended that soldiers should be compelled to eat the skins or that variations in the menu such as mashed potatoes should not be served.

(Auth. : Vic L of C Area R/O 209/45).

71. CANTEEN - GOODS PURCHASED FROM.

The attention of all ranks is drawn to the following :-
The disposal of goods purchased from Canteens, either by sale or barter to other persons is prohibited.

(Auth. : Vic L of C Area R/O 211/45).

72. CANTEEN HOURS.

Commencing Monday, 4 Jun 45 the Wet Canteen will open from 1930 to 2030 in lieu of 1830 to 1930 hrs.

ROUTINE ORDERS PART I BY
LIEUT. H.G. MAICOLM, ADMIN COMD, BIPOD, VIC L OF C AREA

Orderly Duties : As posted outside Ord. Sgt's. Office

100. REQUEST HOUR.

Any member of this unit who wishes to avail himself of the opportunity to discuss any personal or service matter, other than a formal complaint, may be interviewed by Lieut. H.G. MAICOLM between the hours of 1930 and 2030 on Mondays.

2. All personnel should note that the privilege of a private confidential interview is to be utilised for the discussion of personal matters which have no connection with the member's normal rights, privileges and responsibilities affecting his unit membership.

101. ACCIDENTS - M.T. VEHICLES.

The increasing number of accidents involving M.T. vehicles is causing grave concern; particularly as in the recent few weeks accidents of a serious nature have occurred.

2. It is necessary to stress on all personnel the importance and responsibility which evolves on drivers and emphasise the fact that vehicles must not operate at speeds in excess of those laid down.

3. Investigation of accident reports prove only a very small percentage of accidents are due to mechanical defects, and in a few cases only can the Army driver be exonerated from blame.

4. It is therefore apparent that gross carelessness on the part of drivers is the cause of many accidents.

5. Personnel must be made to realise that they are liable not only for disciplinary punishment, but also for cost of repairs to Army vehicles as well as any civilian claim which may be lodged against the Army.

6. The chief causes of accidents are :-

(a) Excessive speed.
(b) Inattentive driving
(c) Not giving right-of-way
(d) Not keeping to the left
(e) Inexperience
(f) Intoxicated drivers

112 DRESS

1. It has been brought to notice that personnel have been observed wearing Uniforms which are not standard pattern, certain alterations having been made, which is contrary to Standing Orders for dress.

2. The manner which HATS, khaki felt, are worn also leaves much to be desired.

3. It has been directed that the attention af all Commanding Officers and officers Commanding be drawn to these irregularities and suitable action taken by Officers, Warrant and NCOs of Units to correct and eliminate such irregularities. Subjoined herewith are extracts from Standing Orders for Dress and Etc, promulgated for information and guidance:-

(a) "Commanding Officers are forbidden to introduce or to sanction any unauthorised deviation from the Scaled Pattern of dress, clothing, equipment and badges. They will be resppnsible for the cost of replacing or restoring to the approved pattern any articles worn in their Units which may be found not to be in conformity therewith."

(b) "HAT, khaki felt, with leather chin strap and band hat or puggaree as prescribed. To be worn looped up on left side with hook and eye; Commonwealth badge on side of brim when looped up, crown dented. To be turned when necessary in hot or wet weather. When the hat is worn the chin strap will be worn at the point of the chin and sufficiently short to prevent it slipping underneath." Extract form GRO A35/42, para 2 D sub para (vi).

110. DAMAGE TO STORES AND EQUIPMENT IN TRANSIT : PREVENTION OF

Notwithstanding that current instructions direct that fragile and special technical equipment will be adequately packed and specially marked, and will receive careful handling and appropriate stowage, instances are occuring in which such consignments are damaged whilst in transit by sea and air and particularly during loading and unloading operations.

2. Immediate action will be taken by all concerned to ensure strict compliance with these fundamental requirements and in addition consigning services will, in conjunction with Movement Control, arrange for escorts to accompany the consignment if it is considered that the provision of existing security guards (e.g. SIB - MARITIME GROUP) will not suffice. In this connection, it will be realised that accommodation for personnel om cargo vessels is very limited, and in some ships (mainly USA) the Master will not be able to agree to carry extra personnel.

LIEUT. H.G. MALCOIM. ADMIN COMD. BIPOD VIC L OF C AREA.

109. ORDER OF THE DAY BY C IN C.
An order of the day by the C in C is published hereunder:

"The Japanese Have surrendered.

"Our long and arduous struggle has ended in complete victory.

"The climax has come at the time when all six Australian Divisions are fighting strenuously, each on its own area, in the far flung battle lines.

"No divisions amongst the allies have contributed more to the downfall of our enemies than ours.

"Our general officers and our commanders of all grades, our regimental Officers, our warrant and NCOs' have led you unfalteringly to victory. Under their guidance the troops have been formed into a magnificent army to the pride and glory of AUSTRALIA.

"We have fought through the burning days and freezing nights of the desert. We have fought through the ooze and sweat of tropical jungles. We have defeated the Italians and the Germans and we would soon have destroyed completely the Japanese before us.

"We are now to go to our homes having done our part in ensuring freedom for all peoples. We will not forget this freedom for which we have fought so long and successfully and so let us stand together in future years to ensure it remains the crowning heritage of Australian people and above all we give thanks to the Almighty for His greatest and crowning mercy that marks for all people the downfall of tryanny.

117 AUSTRALIAN ARMY CANTEENS SERVICE

The Australian Army Canteens Service distributed out of profits accumulated from the inception of the service to 31 December 1944 the following amounts :-

C.F.O. for Unit Trust Funds	£1,604,419
GOC's Amenities Funds and AMF Special Amenities Fund	1,070,382

The amount of profits accumulated at 31st December 1944, but as yet undistributed, totals £2,409,843, and is used as capital to finance the business of the service. The Canteens Service Regulations provide that, at the winding up of the service, the fund of accumulated profits is to be vested in trustees to be appointed by the Minister for the benefit of members and ex-members of the military forces and their dependants or the dependants of deceased members, the intention being to provide for those cases of hardship which do not fall within the necessarily exact definitions of the Repatriation laws.

118 CONSERVATION OF RUBBER - CRUDE AND SYNTHETIC TYRES

This order will be read in conjunction with GRO 0.167/1944.

2. Tyres in use in the field are now both of crude and synthetic construction and, as tyres of synthetic construction are far more susceptible to failure through abuse than tyres constructed from natural rubber, their introduction into service has made it more imperative than ever that all instructions for care and maintenance of pneumatic tyres be strictly observed.

3. All concerned will, therefore -

(1) exercise the utmost care to avoid all forms of tyre abuse the principal of which are :-
overloading
under inflation
incorrect fitting of tyres
harsh braking
fierce acceleration
speeds exceeding those laid down in GRO 0.340/1944
driving over obstructions and other causes of severe impact;

(2) Check wheel alignment frequently and correct irregularities promptly.

(3) ensure that tyres are "changed around" periodically in accordance with current instructions;

(4) remove stones and flint from tyres during unit maintenance;

(5) Submit tyres for replacement at the correct stage for recapping; and

(6) submit damaged tyres for repair without delay

4. Formations and units will ensure that prompt disciplinary action is taken where breaches of this order occur.

119 POST & DISCHARGE MALARIA

1. (a) The Repatriation Commission will accept responsibility for providing any treatment necessary in respect of the first attack of malaria suffered by an ex - member of the AMF after his discharge from the Army.

(b) During such treatment, the Commission will institute inquiries as to eligibility or otherwise for the treatment of any subsequent attacks of malaria.

2 On the first occasion after his discharge that an ex-member becomes ill with malaria, he should -

(1) if resident in a capital city - report to the Repatriation Department's branch office or general hospital, either in person or by telephone, when immediate examination and treatment will be arranged.,

(ii) if resident in the country - report to and request treatment from the nearest Repatriation local medical officer, who will send a report to the Repatriation Department. It will be necessary for the ex - member to indentify himself by pro - duction of his discharge certificate.

3. (a) If it is not possible so to report, the ex - member should consult and request treatment from his local civilian doctor, and, provided prompt advice is sent by the doctor or the ex - member to the Repatriation Department, the Commission will assume full responsibility for the pay ment of medical fees, hospital fees and the cost of drugs.

(b) Arrangements for any further treatment will be notified to the ex-member by the Repatriation Commission as soon as possible.

4. Information regarding the treatment of malaria, with particular reference to ex - service personnel, has been sent by the Commonwealth Department of Health to civil medical practitioners.

5. In view of the foregoing, it is unnecessary for any member to be examined by a final medical board at the time of his discharge merely on account of history of malaria. If the member has had an attack during his service. it will be on record in his medical history. Whether or not the member has had an attack during his service, he will be cared for by the Repatriation Commission should he develop an attack of malaria after his discharge.
