2. INSTRUCTORS FOR INDUSTRIAL TRAINING DIVISION - DEPARTMENT OF LABOUR AND NATIONAL SERVICE

4. Successful applicants, who can be spared for release from the Army, will be appointed as temporary trade instructors. Application forms and conditions of training and employment may be obtained from the Deputy Director of Industrial Training Perth Technical College - Perth.

NOTICES

INSTRUCTORS FOR INDUSTRIAL TRAINING DIVISION-

DEPARTMENT OF LABOUR AND NATIONAL SERVICE.

1. The Department of Labour and National Service has advised that, under the Commonwealth Reconstruction Training Schome, many additional trade instructors will be needed in technical schools and colleges and similar training organisations, particularly in the building trade.

2. Although the services of these instructors generally will not be required until the cessation of hostilities, or just prior thereto, it is desired to give members of the forces who wish to be considered for such appointments an opportunity of lodging advance applications for selection at a later date.

3. Applicants are required to be fully qualified tradesmen, preferably with some experience as instructors. Selected applicants without experience may be required to undergo a short intensive course of training during which the appropriate rates for instructors will be paid.

AUSTRALIAN WAR MEMORIAL AWM2022.5.1640

4. Successful applicants who can be spared for release from the Army will be appointed as temporary trade instructors. Application forms and conditions of training and employment may be obtained from the Deputy Director of Industrial Training, Perth Technical College PERTH.

3. RECORD OF SERVICE BOOK - AAB 83:

(a) A member will take every possible care to prevent the loss, destruction or defacement of his AAB 83. Failure to take such care will be regarded as a serious offence and punished accordingly.

(b) Any member losing his AAB 83 will (unless the CO is satisfied that the loss was not due to any negligence on the part of the member) be charged under AA 24(2) (or, in the case of Officers, under AA40), the fact of loss being sufficient to found a charge of "losing by neglect public property issued to him for his use" (or of "neglect to the prejudice", as the case may be) and to justify a conviction on such charge in the absence of a satisfactory explanation.

Destruction or defacement of an AAB 83 by a wilful act or by negligence or the unauthorized alteration of any information contained therein is also an offence in respect of which a charge will be laid under AA 24, AA 25 or AA 40, whichever is appropriate, the advice of a legal officer being sought if necessary.

2. ISSUES OF EQUIPMENT CARDS (AAF F204) TO PERSONNEL:

Personal equipment cards (AAF F204) are being introduced as records of personal equipment on issue to all members of the AMF on full time duty and will be issued whether personal equipment is on issue to them or not.

Members will carry AAF F204 at all times, subject to the same conditions as if it were part of AAB 83. AAF F204 will be carried in the cover provided for AAB 83.

Members will be required to sign in the column provided on units "Statement of Clothing and Necessaries" or "Statement of Personal Equipment," respectively, for all issues of clothing or personal equipment made to them, except where issues are made in exchange for articles withdrawn, i.e. on a one for one basis. Before the member signs for the aritcles, he will ensure that the blank squares on the appropriate line of the statement are ruled through.

Whenever an article which has been entered in a member's AAB 83 or AAF F204 is withdrawn from him, and no article is being issued in replacement, it is the duty of the unit QM to issue and the duty of the member to obtain a receipt on AAF F25A for the article handed over. Members are required to keep these receipts and to produce them when called upon to do so.

Members will take reasonable care to prevent loss, destruction or undue wear of personal and unit equipment and clothing on issue to them. Failure to take such care will be regarded as an offence. Disciplinary action will be taken, in accordance with GRO A727/1943, in all cases where loss, destruction or unfair wear of an article appears to be due to culpable neglect on the part of the member.

2. UNLAWFUL KILLING OF CIVILIAN AT HIGHWAY HOTEL, CLAREMONT 31 JAN 45

The Criminal Investigation Branch is desirous of contacting an Australian soldier who was in the Public Bar of the Highway Hotel, Claremont, during the afternoon of 31 Jan 45. The soldier was dressed in Jungle Green uniform and it is understood that he was struck by an American sailor. When he was last seen he was bleeding badly from the nose.

2. M.T. PETROL: CARE IN HANDLING

All personnel are warned of the danger of poisoning when syphoning petrol from the tank of a vehicle or some other container. The flow of petrol is usually induced by sucking on the end of a rubber hose or tube, with the consequent risk of inhaling fumes of petrol reaching the mouth.

2. M.T. Petrol contains "Tetra- Ethyl Lead" and "Detector "A" Solution, both of which are "Highly Poisonous"

3. For the same reason such petrol must never be used for cleaning clothes.

4. Warning is also issued against the use of any container which has held petrol, for the purpose of storing water. It is suggested that personnel pass this warning on to friends or relatives in the country, who have purchased Army Drums from Salvage and may comtemplate using these drums for water storage.
