BY

CAPT W. E. DAVIES,

OFFR.ADM.COMD. 1 AUST BULK PETROLEUM STORAGE COY(AIF) A.A.S.C.

SERIAL NO 9/45 PARAGRAPHS 232-240 23rd JULY, 1945.

---

232. FORWARDING ARTICLES TO MAINLAND (N.G.F. 392/43.)

1. No member shall, except in the course of his duty, despatch, or cause to despatch to Australia,

(a) Any property issued, distributed, or sold by, or belonging to, the Commonwealth or any part of the Defence Forces of the Commonwealth or any Allied Country or Forces :

(b) Any article sold or distributed or supplied by Australia Defence Canteen Service or any Allied Forces Canteen, or any similar Institution, or any AMF recognised philanthropic organisation:

(c) Any captured enemy documents, equipment or property:

(d) Any tobacco or cigarettes.

2. A member proceeding to Australia on leave or temporary duty will not take with him more Tobacco or Cigarettes than is reasonably required to meet his personal requirements during the period of absence from New Guinea.

3. Other members proceeding to Australia will not take with them more tobacco or cigarettes than is reasonably required to meet their personal requirement whilst in transit to the mainland.

4. It will be borne in mind continuously that:-

(a) One of the reasons for the rationing of tobacco and cigarettes in Aust. is to ensure that adequate supplies are available to troops in Operational Areas and :

(b) Tobacco and Cigarettes supplied to troops in New Guinea are excise and duty free which represents a substantial saving to all concerned.

5.(i)The despatch or carriage of tobacco and cigarettes to Australia is a breach of this order and may result in :-

(a) Troops in forward areas are not being adequately catered for owing to a consequential shortage of supplies, and

(b) The withdrawal of the privelege of freedom from excise duty resulting in troops in all areas being required to pay mainland prices.

(ii)It is, therefore, in the interest of all concerned to strictly adhere to the provisions of this order.

6. Disciplinary action will be taken in respect of all disclosed breaches of paras 1, 2 and 3 of this order and where tobacco or cigarettes are intercepted in transit to Australia, the same will be confiscated and, after disciplinary action has been completed, donated to the Red Cross Society.

233. LEAVE AND TRANSIT DEPOTS. (Amendment GRO A.596/43.)

(a) A member proceeding on leave(except when released on local leave or to a leave destination in the vicinity of his unit location) will carry messing gear, water bottle and blankets and such articles of clothing, necessaries and personal equipment on issue to him (except arms, ammunition, helmet (steel) and respirator) as are required to meet his needs under the climatic or other conditions likely to be encountered.

(b) A member proceeding on leave will not carry arms, helmet(Steel) or respirator, except in the following circumstances -

(i) if the member will not return to the unit after leave (e.g. personnel of units being disbanded are in some cases granted leave and are required to report to another unit on completion of leave),

(ii)if the member is granted leave during movement of his unit,

AUSTRALIAN WAR MEMORIAL AWM2022.5.1801

233 continued.

(iii) if the member is granted leave on completion of which he will ~~nmx~~ report to another unit on transfer or for attachment.

(iv) if the member is granted leave from a school or course which he has been attending and will not return to the school or course on completion of the leave,

(v) if adequate arrangements for safeguarding the member's arms, helmet (steel) and respirator cannot be made in accordance with sub-para (e) of this paragraph.

(c) A member proceeding on leave will not carry ammunition except when required to carry out a specific military duty for which ammunition is allotted. Such ammunition will be withdrawn from the member immediately the specific duty is completed.

(d) (i) A member proceeding on leave with his arms, helmet (steel) or respirator, inaccordance with this order, will deposit them for safe custody at the Aust Army cloakroom attached to the last LTD or staging camp through which he passes before proceeding on leave.

(ii) Deposits will be accepted by Aust Army cloakrooms for the duration of the member's leave only, and will be collected by him before commencing the jouney to the next place of reporting.

(iii) Aust Army cloakrooms, under the control of Aust Kit Stores, are located at or adjacent to central railway stations in all capital cities in Australia (except Hobart) and proper facilities for the security of arms and equipment are provided therein. Similar facilities will shortly be available at certain LTDs and RR & GDDs.

(iv) Arms and equipment will not be taken to the home of a member when their deposit at an Aust Army cloakroom is practicable.

(v) Arms and equipment will not be deposited by a member in a cloakroom other than an Aust Army cloakroom, nor will they be left unattended in a hotel, restaurant, cafe or similar place.

234. IDENTITY DISCS. (G.R.O.700/43.)

1. Identity discs are frequently the only means of identification of the body of a soldier who has died, and it is therefore of the utmost importance that the following paragraphs be understood and observed by all members of the AMF.

2. All ranks will be supplied with two identity discs which will be worn as show below :-

(a) The No.1. (hexagonal) disc will be suspended round the neck beneath the uniform by 32 inches of cord, and the No.2. (round) disc will hang below the No.1 by the two being joined by 6 inches of cord.

(b) The following particulars will be stamped clearly and effectively on the discs as under :-

Front side:

(i) Army number.
(ii) Initials and name.
(iii) Index letter(s) of religion.

Reverse side:

Blood group number (as shown inside back cover of pay book)

AUSTRALIAN WAR MEMORIAL AWM2022.5.1801

234 Continued.

3. Discs which have been stamped with incorrect details will be destroyed under supervision and any necessary replacements effected without delay.

4. All units will institute a check periodically at intervals of not more than three months to ensure that every serving member is in possession of identity discs which are correctly marked.

5. In a number of fatal aircraft accidents in recent months involving AMF personnel, difficulty has been experienced in identifying the bodies of the victims because of the absence of identity discs.

6. Neglect to wear identity discs will be treated as a breach of discipline.

235. ALLOTMENT AND DEPENDENTS ALLOWANCE PAYABLE OUTSIDE AUSTRALIA.
(G.R.O. 134/45.)

1. With the approval of the prescribed authority under War Financial (Military Forces) Regulations, a member may make an allotment to a person resident in any country outside Australia. Where the allottee resides in an enemy or enemy occupied country, the allotment may be dated back to 25th August, 1944, provided that this does not place the member's pay account in debit.

2. Where a member has made an allotment of not less than the standard rate, dependents allowance will be ~~xx~~ payable, in accordance with War Financial Regulations -

(a) where the allotment is payable in a country forming part of the sterling area - to any person dependent on the member, or

(b) where the allottee resides in a country other than a country included in the sterling area - to the wife or children of the member and not to any other dependent.

3. If the allottee resides in a country where it is not possible to effect payment of allotment and dependents allowance, either because of the conditions set out in National Security (Exchange Control) Regulations or for any other reason, the amount of such allotment and dependents allowance will be held in trust until payment becomes practicable. A member may cancel such an allotment at any time before payment is actually made to his allottee and, in that case, the accumulated amount of the allotment will be credited to his pay account. In such circumstances, no dependents allowance will be payable.

4. In this order, the words "sterling area" have the same meaning as in National Security (Exchange Control) Regulations, namely :-

"All parts of His Majesty's dominions (except Canada and Newfoundland), and includes all territories in respect of which a mandate on behalf of the League of Nations has been accepted by his Majesty and is being exercised by His Majesty's Government in the United Kingdom or in any dominion, all British protectorates and protected States, Egypt, the Anglo-Egyptian Sudan and every other country or area declared by the Treasurer, by order published in the Gazette to be included in the sterling area, but does not include any country or area so declared not to be included in the sterling area".

5. The following areas have been included in the sterling area:-

Iceland
Faroe Islands
Iraq.

AUSTRALIAN WAR MEMORIAL AWM2022.5.1801

236. AMF PRISONERS OF WAR AND INTERNEES, ETC. (G.R.O. 157/45.)

1. For the purposes of the order, a "recovered prisoner of war" means any member of the AMF who has been captured, detained or interned by the enemy and has subsequently been repatriated, exchanged or in any other way released, and includes escapees.

Duty to avoid capture:-

2. Every member of the AMF will, at all costs, endeavour to avoid falling into enemy hands. If, however, a member is taken prisoner, he will obey the directions given in this order which are applicable to all ranks at all times and under all circumstances.

Duty during interrogation by the enemy -

3. During interrogation, a member will supply his number, rank and name only. He will remain courteous and maintain a military bearing, indicating that the obligations of any soldier preclude his answering any other questions.

Indirect methods of obtaining information -

4. Every prisoner of war will, at all times, be on guard against carelessness, over-confidence and enemy trickery. Such ruses as the use of agents as nurses or of other agents as bogus Red Cross officials or prisoners of war will always be expected. Even in conversation with known and trusted friends extreme caution will be shown, as the conversation may be overheard by eavesdroppers or concealed listening devices.

Broadcasts over enemy wireless and enemy propaganda -

5. A member of the AMF who becomes a prisoner of war will not transmit messages over enemy wireless, except simple messages of the type permitted in correspondence, for example, messages relating to the health of the prisoner of war himself and greetings to family and friends. He will not in any way lend himself to enemy propaganda by taking part in wireless broadcasts (Other than for the purpose of transmitting a message of the type described above) or in any other way whatsoever.

Parole -

6. (a) A member of the AMF when taken prisoner of war or interned by an enemy or neutral power will not give his parole, except a parole of the limited nature described in para 7 of this order.

(b) The term "parole" means an undertaking not to escape given in any form whatever or however described.

7. (a) Parole may properly be given to obtain temporary release from confinement for a few hours on odd occasions for specific purposes: e.g. exercise, recreation or medical treatment. Parole so given will be clearly limited to the period of temporary release.

(b) Parole in respect of a warrant officer, non-commissioned officer or other rank can be given only through a commissioned officer.

(c) The terms of any parole given will be observed with the greatest strictness for the period for which it is given.

Escape -

8. It is the duty of every Australian prisoner of war and internee to escape at the first opportunity, regardless of any instructions to the contrary issued by or in any prisoner of war or internment camp or by the detaining power and regardless of any reprisals which might be taken against the remaining prisoners of war and internees.

9. (a) Except as provided in paras 10, 11 and 12 of this order, a recovered PW will not give any information in conversation, correspondence, or in any other way whatever to any person regarding the escape of himself or any other person from detention or internment, or about the means whereby he or any other person avoided capture by the enemy.

(b) Such information would be useful to the enemy, would prejudice the chances of others in similar circumstances to escape and would endanger the lives of those who have given help at any stage.

AUSTRALIAN WAR MEMORIAL AWM2022.5.1801

236 Continued.

(c) As soon as possible after recovery, every recovered PW will sign an undertaking in the form set out in para 13 of this order. The officer responsible for the interrogation mentioned in para 10(a) of this order will ensure that this is done and will forward the signed undertaking to the nearest 2nd Echelon component for despatch to the home Records Office of the member where it will be filed in that member's personal dossier.

Interrogation.

10. (a) A recovered PW will disclose all details of his escape, evasion of capture, release or recovery to interrogating officers authorised by the Director of Military Intelligence (DMI),

(b) The officers authorised by the DMI are -

(i) Any GSO, Grade 1, on army or higher formation HQ.
(ii) Any GSO not below Grade 11 on corps or div HQ.
(iii) GSO, Grade 111 (Intelligence), on div HQ.
(iv) Any officers designated by the abovementioned general staff officers.

(c) Subsequent to interrogation pursuant to para 10(a) of this order, the Director of Prisoners Of War and Internees or, in his absence, the senior "A" Branch Officer on the spot acting on his behalf, is authorised to interrogate on any matter other than those referred to in para 10(a) of this order.

(d) No member other than one of the officers listed in para 10(b) of this order will question any recovered PW on any matter referred to in para 10(a) of this order. Nothing in this paragraph will, however, preclude any officer who is required in the course of his duty so to do from interrogating a recovered PW for information relating to missing and prisoner of war personnel and to the locations of ~~any~~ any known burials.

(e) The interrogation procedure will conform to LHQ Intelligence Instruction No 22 dated 15th June, 1945.

Lectures -

11. (a) If a recovered PW desires to lecture on his experience, he will not disclose any information about his own escape, evasion of capture, release or recovery, or that of any other person, unless the script of the proposed lecture is first approved by the DMI or his representative.

(b) A recovered PW may, however, lecture on personal matters connected with his detention or internment to War Relatives' Associations and the like, but must exercise the greatest care to ensure that his lecture does not disclose any information which could be useful to the enemy, would prejudice the chances of other prisoners of war escaping or would endanger the lives of those who helped the lecturer at any stage during his escape.

(c) If it is considered desirable for service reasons that a recovered PW should lecture on the means employed by him in his escape, the decision as to the desirability will be made by the Director of Military Training or his representative and the text of the proposed lecture will be delivered to the DMI or his representative for approval and censorship.

Interviews with the Press -

12. A recovered PW will not give an interview to any broadcasting station or newspaper, or broadcasting or newspaper correspondent or representative, until such time as the interrogations provided for under para 10 of this order are completed and unless such interview is conducted in the presence of a representative of the Director-General of Public Relations. Similarly, a recovered PW will not submit for publication or broadcasting any article, letter or account dealing with his experience unless it is first approved by a representative of the Director-General of Public Relations.

2. Members will be required to sign in the column provided on unit's "Statement of Clothing and Necessaries" or "Statement of Personal Equipment", respectively, for all issues of clothing or personal equipment made to them, except where issues are made in exchange for articles withdrawn, i.e. on a one for one basis. Before the member signs for the articles, he will ensure that the blank squares on the appropriate line of the statement are ruled through.

3. Whenever an article which has been entered in a member's AAB 83 or AAF F204 is withdrawn from him, and no article is being issued in replacement, it is the duty of the unit QM to issue and the duty of the member to obtain a receipt on AAF F25a for the article handed over. Members are required to keep these receipts and to produce them when called upon to do so.

4. Members will take reasonable care to prevent loss, destruction or undue wear of personal and unit equipment and clothing on issue to them. Failure to take such care will be regarded as an offence and disciplinary action will be taken in all cases where loss, destruction or unfair wear of an article appears to be due to culpable neglect on the part of the member.
