A member will take every possible care to prevent the loss, destruction or defacement of his AAB 83. Failure to take such care will be regarded as a serious offence and punished accordingly.

Any member losing his AAB 83 will (unless the CO is satisfied that the loss was not due to any negligence on the part of the member) be charged under AA24 (2) (or, in the case of officers, under AA40), the fact of loss being sufficient to found a charge of "losing by neglect public property issued to him for his use" and to justify

a conviction on such charge in the absence of a satisfactory explanation.

Destruction or defacement of an AAB 83 by a wilful act or by negligence or the unauthorised alteration of any information contained therein is also an offence in respect of which a charge will be laid under AA24, AA25, or AA19, whichever is appropriate, the advice of a legal officer being sought if necessary.

The order applies to military vehicles, unless the observance of its provisions would be likely to hinder the use of the vehicle for military purposes.

(b) No army vehicle will be driven at any time at a speed greater than the maximum speed for that type of vehicle fixed by sub-para (c) of this paragraph:

Provided that, where the observance of the speed limit of 30 mph would hinder the use of the vehicle for military purposes, an officer, by endorsing the work ticket of the driver to that effect in the case of cars, motor cycles, motor cycle combinations and trucks, ¼-ton jeep, only, may authorise a speed not exceeding in any case 45 mph. Any prosecution for exceeding the speed limit of 30 mph upon any public highway within the Commonwealth will be taken against the officer authorising the greater speed.
