6. FIRE - PROTECTION AGAINST

NSW L of C Area RO Serial 47/44 para 517 is repeated

With the approach of summer conditions attended by bush and grass fire hazards, it is essential that all Units make a check of fire fighting equipment on charge with a view to determining:-

(a) whether it is in accordance with unit entitlement and adequate.
(b) that such equipment is efficiently maintained and ready for immediate use.

This is particularly applicable to units charged with the operation of a Truck. Fire Tender and Trailer, Fire Pump.

AUSTRALIAN WAR MEMORIAL AWM2022.5.2625

Scale of Equipment for the Truck, Fire Tender will be found in Mech Circular 269A.

Headquarters NSW L of C Area will be advised of any shortages of fire fighting equipment.

Unit fire drill and inspection of equipment will be carried out at least twice per month. All fire fighting equipment will be maintained in first class condition.

Attention is directed to GRO Q586/43 particularly concerning the lighting of open fires by troops on manoeuvres away from training centres. Adequate fire breaks will be maintained in and around Army Installations.

7. MALARIA - TREATMENT OF DISCHARGED MEMBERS

NSW L of C Area RO Serial 47/44 para 519 is repeated.

Attention is drawn to GRO A321/44 paras 37,38 and 39.

It is possible that malaria may manifest itself for the first time after a member has been discharged.

By arrangement with the Repatriation Commission, in such cases, provided the member establishes his identity, e.g., by production of a discharge certificate, medical treatment will be made available forthwith at the expense of the Repatriation Department, pending determination of whether the malaria is attributable to the member's war service.

To obtain such treatment, the ex-member:-

(a) if he resides in the metropolitan area of a capital city, should contact the local office of the Repatriation Department or apply to the Repatriation General Hospital; or

(b) if he resides outside the metropolitan area of a capital city, should apply to the nearest local Repatriation Medical Officer.

8. INCOME TAX - MEMBERS WITH DEPENDANTS RESIDENT OVERSEAS

GRO F.431 is repeated

9. UNITED NATIONS RELIEF AND REHABILITATION ADMINISTRATION. APPLICATIONS BY MEMBERS OF THE AMF FOR STAFF APPOINTMENTS

Approval has been given for the release of a limited number of AMF personnel for service with the United Nations Relief and Rehabilitation Administration, a United Nations organization which has been established to assist in the rehabilitation of liberated areas in Europe, the Far East and the Pacific.

Any member of the AMF who is physically fit and between the ages of 25 and 50 may apply for an appointment on UNRRA staff and, if successful, will be required to serve either at UNRRA Headquarters, Washington, at a branch established in London, Sydney or elsewhere or in any area liberated by the United Nations.

Appointments to UNRRA staff will probably be of comparatively short duration as it is expected that the administration will function only during the immediate post-war period.

Salary will be dependant upon living costs in the area to which the appointee is posted and will be determined by the nature of the duties performed and the responsibility of the position occupied. All necessary allowances will be provided.

Although a knowledge of the country in which the appointee is to serve and proficiency in its language are valuable qualifications, they may be waived when the applicant possesses the required technical experience.

Successful applicants will commence their duties as required by UNRRA. A number will be required almost immediately

UNRRA activities cover every aspect of relief and rehabilitation and the qualifications required vary in accordance with the division in which the applicant is desirous of serving.

The following requirements cover the more important activities of the administration, but members who have qualifications other than those enumerated, and which they consider would fit them for service with UNRRA, may submit applications:-

(a) Supply - General administrative experience, knowledge of trade procurement and shipping, marketing and distribution experience. A knowledge of foreign languages is also required for this division.

(b) Industrial Rehabilitation - Experience in industrial planning, maintenance repair, engineering.

(c) Agricultural Rehabilitation - Experience in resettlement projects, assistance to farmers, distribution of supplies for food production rehabilitation.

AUSTRALIAN WAR MEMORIAL AWM2022.5.2625

(b) payment to that office of an extra war loading premium.

(2) Certain life assurance offices regard the Territories of Papua and New Guinea as being, for this purpose, outside the Commonwealth, and there are variations in the rate of war loading premiums charged by different offices, while, in some circumstances, an office may not be prepared to cover the additional risk and may, therefore, refuse to quote any extra premium. A member who desires to remain covered while serving outside the Commonwealth should ascertain from the office concerned to what areas the existing cover extends and what rates of war loading premiums are required should he serve outside those areas.

(3) If the member subsequently embarks for service outside the Commonwealth, he may arrange through army channels -

(a) for payment of the amount of extra war loading premium (as previously ascertained by him) to the office concerned, by means of a remittance of undrawn pay; and

(b) for notice of the date of embarkation to be given to that office by the DFO when paying the remittance.

UNIT ROUTINE ORDERS RESTRICTED

BY

LT-COL L.A. WITHERS

CO 1 AUST SUPPLY RESERVE DEPOT.

Serial No. 26/44 28 Dec 44

---

1. LEAVE - FREE TRAVEL ON COMPASSIONATE.

NSW L of C Area RO Serial 51/44 para 555 is repeated

Attention is directed to the provisions of GRO A598/43 para 108 (b) which was recently amended and now reads as follows:-

> "Free leave travel will also be provided for leave granted under Part 111 of this order on compassionate or emergency grounds and this will not count against entitlement under sub-para (a)" (Note: sub-para (a) deals with normal entitlement to free travel).

It has been brought to notice that, whereas free travel by rail under the above provision should be covered by the issue of a combined home leave pass and rail ticket (HL 1 or HL 2), in many instances a rail warrant (AAF T1) is being issued in lieu.

2. AIRMAIL LETTER CARDS - REQUEST FOR.

NSW L of C Area RO Serial 51/44 para 559 is repeated.

Frequent requests are made at this HQ for the issue of Airmail Letter Cards. For the information of all concerned, these cards are not available for issue to troops in NSW L of C Area.

3. OCCUPATIONAL LEAVE WITHOUT PAY - WEARING OF UNIFORM.

NSW L of C Area RO Serial 51/44 para 563 is repeated

Reference GRO A373/44, para 8 (d).

In view of the difficulties encountered by the Rationing Commission in dealing with personnel on LWOP due to varying interpretations of the above sub-para, it is desired to make it clear that members on leave without pay may wear military uniform during leisure hours and that the words "when engaged in civil employment" mean only the time during which the soldier is actually working at his civil occupation.

4. DISCIPLINE

The fact that this Unit is a Supply Unit does not absolve its members from correct Military procedure and discipline.

Forthwith all personnel will strictly observe correct Military bearing, saluting and dress, viz:- Hats, colour patches and general dress.

Recently members of this Unit have strolled into Victoria Barracks, Sydney, wearing sandshoes; such an action is a reflection on this Unit and will not be tolerated.

AUSTRALIAN WAR MEMORIAL AWM2022.5.2625

Disciplinary action will be taken against personnel contravening sub-para (11) of this order.

Pl & Section Offrs of this Unit are reminded that it is not the sole prorogative of the Adjutant, RSM and Orderley Sergeant to police and take disciplinary action, therefore all Officers, WO's and NCO's will be responsible to take immediate steps to ensure that sub-para (11) is strictly adhered to, and will themselves take necessary disciplinary action.

5. PAY PARADE TIMES

AWAS -	1030 hrs
HQ Personnel -	1045 "
Early & Late Guards & Piquets -	1630 "
General Parade -	1830 "

No Personnel other than those stated will be paid at unauthorised times.

All Pay Parades will take place on normal parade ground in first instance.

WO's will be paid as follows:- HQ - 1145 hrs
Stores 1845 "

4. SICK PARADE

Personnel for sick parade will be marched from 0615 daily Parade to RAP.

Those Personnel remaining in camp for examination by M.O., other than those designated by RAP NCO as unfit for light duties, will parade at RSM's Office at 0800 hrs.

RAP NCO will submit to RSM by 0755 hrs daily, a roll of Personnel awaiting M.O., who are fit to be used for light duties.

5. LEAVE - CHRISTMAS

NSW L of C Area RO Serial 48/44 para 524 is repeated

Subject to operational requirements and such parades as may be deemed necessary for administrative purposes, Christmas Day, 1944, will be observed as an additional rest day.

Sufficient personnel will be retained on duty to enable all Branches and Services to function.

Personnel retained for duty on Christmas Day, 1944, may be permitted to take Tuesday, 26 Dec 44, as a rest day in lieu.

A half-day's local leave will not be granted under para 148A of GRO A.598/43 in the week in which a member has an additional rest day under this order.

6. INCOME TAX - MEMBERS WITH DEPENDANTS RESIDENT OVERSEAS.

NSW L of C Area RO Serial 48/44 para 526 is repeated

NSW L of C Area RO 458 Serial 42/44 is cancelled.
GRO F.431/44 is republished.

The Income Tax Assessment Act provides for rebates of tax in respect of taxpayer's dependants resident in Australia.

AUSTRALIAN WAR MEMORIAL AWM2022.5.2625

Where a member of the AMF has married while serving overseas, rebates may be claimed in respect of his wife, and of any children of the marriage, even if they are residing overseas. Such persons, are, for this purpose, deemed to be domiciled in Australia.

No rebate will be allowed in respect of other dependants residing outside Australia.

GRO F377/44 is cancelled.

7. CHRISTMAS AND NEW YEAR OVERSEAS GREETINGS MESSAGES.

NSW L of C Area RO Serial 48/44 para 530 is repeated

The Postmaster-General's Department seeks co-operation of the Department of the Army in lodgment of overseas greeting messages not later than 6 Dec 44, as a measure of assistance in securing delivery at the appropriate time.

8. RANK OF ORDERLY ROOM SERGEANTS.

GRO A.436/44 amendment to GRO 0.709/1943, is repeated

The war establishments of certain units contain provision for "Orderly Room Sergeants" without further specification of the appropriate rank except that the appointments are listed under the sub-total "Staff-Sergeants and Sergeants".

Owing to the provisions of AMR & O 79, confusion has arisen as to whether such appointments should carry the rank of staff-sergeant or sergeant.

The correct rank for the appointment of orderly room sergeant is sergeant.

A member holding a higher rank will not, in future, be posted to such an appointment nor will a member holding such an appointment be promoted to a rank higher than sergeant.

Nothing in this order will be taken as authorizing the reduction of any member already holding a higher rank.

9. PRIVATE COMMUNICATIONS CONCERNING CASUALTIES.

GRO A.437/44 is repeated

Private cables and telegrams reporting battle or other casualties are prohibited. In letters, no reference is to be made to any such casualty until after a period of one month from the date of its occurrence.

The prohibition and restriction imposed by para 1 hereof are not applicable to communications sent by a member relative to a casualty sustained by himself.

This order has been dictated by motives of consideration for the feelings of the relatives of members of the forces who, in many instances, have been caused unnecessary suffering and suspense through information contained in private correspondence from operational areas and which, in some cases, has proved to be inaccurate.

AUSTRALIAN WAR MEMORIAL AWM2022.5.2625

10. SUPERANNUATION ACT 1922-43; MEDICAL EXAMINATIONS OF MEMBERS OF AMF.

GRO A.438/44 is repeated

The provisions of Sections 4B and 13 of the Superannuation Act 1922-43 require that members, on increasing their number of units in order to take up neglected units, be medically examined by a Commonwealth medical officer.

Up to the present, in cases where a Commonwealth medical officer considered that any member should also be examined by a specialist; he has instructed such member to report to a civilian specialist for further medical examination accordingly, the expense of this additional examination being borne by the member concerned.

The Superannuation Board has now agreed that, in the case of members of the AMF on full time duty who are contributors to the Commonwealth Superannuation Fund, such specialist examinations may be carried out by the Army, thus relieving the member concerned of any financial liability.

.....Lt.
ADJT 1 AUST SUP RES DEPOT.

MESSAGE TO MEMBERS OF THE AWAS FROM ASSISTANT CONTROLLER, AWAS.

It is felt by the Controller AWAS, that the Service would like to send a message to those within it who are still bearing the burden of having loved ones prisoners of war and missing and to those who have recently suffered a loss through the sinking of Japanese transports. It would be appreciated therefore, if the following message could be passed on to members of the AWAS who are on your strength.

"The AWAS throughout the Commonwealth send a silent message of comradeship to their sisters in the Service whose fathers, husbands, brothers and loved ones have suffered and are suffering for us now, and ask that they may be given strength to endure.

"We in the AWAS as Australian women are proud to claim as our brothers the men who have endured and are enduring for us in prison camps and to link with theirs our small endeavour in the struggle.

"May their fortitude urge us to greater endeavour and a greater humility."
