47. WEARING OF BELTS SAM BROWNE (REF ECRO 258/46)
It is noted that there is lack of uniformity in wearing of Sam Browne belts.
Attention is directed to GRO 393/44 which prescribes that "when not otherwise ordered the Sam Browne belt may be worn" by officers on certain occasions. It is directed that, except on formal occasions, the Sam Browne will not be worn. Formal occasions are classified in GRO 393/44. For the purpose of this order the Sam Browne belt may be worn when attending Levees and Investitures. For other ceremonial parades or functions specific authority must be given by GOC Eastern Command.
Under no circumstances will Sam Browne belt be worn with jacket SD, jacket safari, or with trousers or shorts when a shirt is worn without jacket.

49. DISCHARGE OF MEMBERS ATTENDING NIGHT COURSES AT UNIVERSITIES (ECRO 246/46)
The Minister for the Army has directed that the discharge of members at present attending night courses at Universities and who desire discharge to continue studies in order to pass examinations at the end of the year will be approved. Discharge will be effected under the following conditions:-
(a) applicants must provide certificates -
(i) that they intend to continue studies in their own time, and

50. DISCHARGE OF INTERIM ARMY PERSONNEL (ECRO 247/46)
A number of applications are being received from recently enlisted members for discharge on the ground that they have not proceeded to Japan as early as expected, or now have opportunities for civilian employment.
Members volunteering for service in the Interim Army do so of their own free will and are fully informed of the terms of their enlistment. Such volunteers will be sent to Japan as and when required.
The object of voluntary recruiting is to enable the release of members held on AFs 333 or on the completion of service in Japan.
The discharge of two-year recruits will be approved only in exceptional circumstances at the discretion of the GOC.

Consequently, a member will not include such payments as income nor claim a concessional rebate in respect thereof. The position now promulgated operates as from the date on which the Commonwealth assumed liability for a member's superannuation contributions. Members who have included such contributions as income should forward an amended return for the year 1945/46, and, so far as earlier returns are concerned, should advise the Deputy Commissioner of Taxation, concerned, of the position and request an amended assessment.

53. PRECAUTION IN THE ISSUE OF PAY (GRO 104/46)
The duty of making cash payments to individual soldiers rests primarily on the OC Company, etc but members detached from units may be paid by any officer who is an imprest holder or a sub-imprest holder on his personal responsibility if satisfied of the member's identity. (FSR Vol 1,Chap XXI, Sec 195, para 2).
In order to prevent a member from drawing pay while AWL or in possession of an irregular leave pass or by presentation of a forged paybook or by impersonation of another member, an officer will, before paying a member or before authorising him to draw pay at a cash office, satisfy himself of the member's identity and of his entitlement to draw pay by making such inquiries as he considers necessary and by inspecting such documentary evidence as may be available, such as Record of Service Book (AAB83), photograph and specimen signature in paybook, identity disc or movement order.

In the event of a member previously volunteering it is necessary for the unit to submit copy of original application together with Pro-forma to this instruction amended to read from 30 Apr 46, in lieu of 30 Sep 46.

66. INCIDENCE AND PREVENTION OF VEHICLE ACCIDENTS (CRO 114/46)
Recent inspections of workshops and motor transport records in commands and districts have revealed that, even though the number of army vehicles on the road has been reduced, the percentage of motor accidents involving army vehicles has greatly increased during the last six months.
These inspections also reveal that, although most of the serious accidents have been reported, many minor accidents, in the aggregate necessitating a large number of man hours for repairs, have not been reported. In addition, it is known that, in some cases, disciplinary action has not been taken where accidents have occurred as the result of negligent driving or speeding.
This high accident rate, combined with the general shortage of personnel, has placed so great a strain on repair facilities that it is barely possible to keep essential vehicles on the road.

AUSTRALIAN WAR MEMORIAL AWM2022.5.2634

INCIDENCE AND PREVENTION OF VEHICLE ACCIDENTS (CONTD)

It is known that comprehensive instructions eixst in all formations and units to govern the use and maintenance of vehicles. It can only be assumed that responsible HQs are not adequately supervising the carrying out of these instructions. It is the duty of every officer to report breaches of road discipline and careless driving, regardless of the formation or unit to which the vehicle or driver belongs. Attention is directed to the provisions of MBI 51/1946 concerning "Maximum Speed of Vehicles".

Officers concerned are responsible that existing regulations and instructions are enforced and will therefore ensure -

(i) that each driver receives adequate instruction in the civil traffic regulations applicable in the area in which the unit is operating before he is detailed for driving duty in that area;

(ii) that, before any driver is detailed to drive in an area where heavy road traffic can reasonably be antidipated, he has had adequate training for driving under such conditions, including experience under capable supervision;

(iii) that the closest surveillance is maintained at all times on the conduct of all drivers of motor transport, on speeds and on the general manner in which vehicles are used, and that disciplinary action is taken against a driver exceeding the speed limit or driving in a dangerous manner or whilst under the influence of liquor;

(iv) that all accidents, even if of a minor nature, are reported in accordance with para 13 of "Standing Orders for Drivers of Mechanical Vehicles-1945". Officers commanding workshops and light aid detachments will ensure that, when repair is necessitated through unfair wear, damage or lack of unit maintenance in any way, a report is submitted in accordance with GRO 207/45.

From the date of issue of this instruction, offences against orders for the use and maintenance of mechanical vehicles will be considered "unusually prevalent" and will be treated as such by formation commanders, commanding officers and courts-martial (vide AMR&O.558(3)).

Para 8 above will not be cancelled until AHQ is satisfied that the vehicle accident figure is within reasonable bounds.

GRO A98/1944 is cancelled.

67. SECOND SECURITY LOAN (GRO 113/46)

The Second "Security Loan" of £90,000,000 will open for subscription on 15th October 1946 and close not later than 15th November 1946.

Arrangements have been made for paymasters and unit pay representatives to accept applications for Commonwealth Government Inscribed Stock or Treasury Bonds from members of the AMF who desire to invest their savings in the Loan, or who desire to allot portion of their future daily rate of pay for investment in the Loan.

Particulars of Loan -

Loan applications may be made for an amount of £10 or a multiple of £10.

Treasury bonds are payable to bearer and are issued at par for £10, £50, £100 and £1,000.

Inscribed stock may be purchased at par for amounts of £100 or multiples of £10 above £100.

Interest is payable at 3% per annum if invested for 12 years and at 2% per annum if invested for 3 years, and will be credited half yearly to a member's savings bank account or current account, if desired.

Interest will be subject to Commonwealth Taxation but not to any income tax under the law of a State. During the period of uniform taxation, a rebate of 2/- in the pound on interest will be allowed to cover freedom from State taxation.

Any bank nominated by a member will, if requested, hold the bonds in safe custody.

Procedure for lodging applications -

Application forms will be available from paymasters and unit pay representatives, and are required to be completed in duplicate. An applicant's signature will be witnessed by an officer.

Sufficient credit must be available in the member's paybook to cover the amount he or she desires to invest in the loan. The amount subscribed will be debited in the paybook.

AUSTRALIAN WAR MEMORIAL AWM2022.5.2634

SECOND SECURITY LOAN (CONTD)

Cash may be accepted in payment of a loan subscription, in which case the amount tendered will be entered in the paybook to establish the necessary credit and a pay sergeants or cash office receipt issued and pasted in the pay book.

Deposits on account of loan subscriptions will not be accepted.

The Commonwealth Bank will forward to a member an interim receipt for the amount subscribed.

Members who have funds to their credit held by Commonwealth or State Savings Banks may have such funds or any part of such funds invested in the Loan by the bank concerned. A special "Commonwealth Loan Withdrawal Form", which is acceptable to all Savings Banks, is available from paymasters and unit pay representatives. The form consists of two sections, of which the top section is a withdrawal authority and the lower section is an instruction to the bank concerned to enter a debit in the member's pay book and return it to the address or person designated by the depositor. In addition to the Withdrawal Form, the member must complete a Loan Application form in accordance with paragraph 9 above. The following action will then be taken:-

(i) Where the passbook is held by the Serviceman, he may hand the withdrawal section, together with completed loan application forms, to the unit loan officer, or, alternatively, send them direct to the branch of the Savings Bank named in the passbook. In either event, the bottom portion of the form must be completed and despatched with the passbook to the bank for entry of the relevant transaction.

(ii) Where the passbook is held by a relative or friend, the procedure outlined above will apply to disposal of the signed withdrawal form and completed application, while the bottom section of the withdrawal form should be detached and forwarded by the serviceman to the person holding the passbook, with a request that they present both the form and the passbook to the Savings Bank branch named in the form.

It is imperative that the same Savings Bank branch shall be named both on the withdrawal authority and letter of advice.

Approval has been given for members of the AMF to subscribe to Commonwealth Loans by making an allotment of portion of their pay to the Commonwealth Bank. Amounts received by the bank under the allotment will be credited to a special account in the member's name and interest will be allowed thereon at the rate borne by the bonds selected for purchase by the member. As often as funds in the account accumulate to the extent of £10, the bank will purchase a £10 Commonwealth Treasury Bond on behalf of the member.

Bonds will be held by the Commonwealth Bank at the capital city of the member's state of enlistment for safe custody on behalf of the member.

Where a member is discharged or cancels his allotment, the special account will be closed and any balance remaining therein will be credited to the member's bank account, or paid to him, whichever he desires.

General -

Both Treasury Bonds and Inscribed Stock are readily realisable and may be sold at any time. Any bank or stockbroker will arrange this for a member, if desired.

Further information on the Loan may be obtained by members from the liaison officers who have been appointed in each unit and formation headquarters.

Cancellation -

GROs F303/1944 and 76/1946 are cancelled.

68. CABLE SERVICE FOR PERSONNEL OF BCOF (ECRO 316/46)
Arrangements now provide for cables exchanged between AMF personnel of BCOF, Japan and their correspondents in Australia to be transmitted throughout by cable or wireless. This replaces the former plan under which circulation of messages over the Hong Kong-Japan section of the route was necessary by air mail and offers a much more expeditious service.
The classes of cables which may be transmitted from Australia and the charge applicable to each are as follow:-

(a) Full Rate Telegrams	-	1/3d per word.
(b) Deferred Rate Telegrams	-	7½d per word
(c) Daily Letter Telegrams	-	5d per word, with a minimum charge of 10/5d
(d) E.M.F. Telegrams	-	2/6d per message (comprising as text a maximum of 3 standard phrases expressed in the appropriate figure groups).

Concerning telegrams indicated as (d) above, lists of permissible standard phrases and the related figure groups which express them are available at all Telegraph Offices, for reference by intending senders of E.M.F. telegrams.
The above information will be republished in all Unit Routine Orders.

69. MEDICAL ADVICE FROM AREA MEDICAL OFFICERS (ECRO 307/46)
Instances are becoming frequent where personnel living on subsistence seek medical advice of non-urgent disabilities from Area Medical Officers, rather than use the RAP facilities provided.
Medical Officers concerned have been notified that fees, other than for acute illness, will not be paid by the Army.
The proper place for treatment of non-urgent disabilities is the Unit RAP, and payment for medical advice sought from private Doctors for non-urgent disabilities will be the responsibility of the soldier seeking the advice.

70. SUMMER DRESS-AMENDMENT TO ECRO 283/46 (UNIT RO 58/46 REFERS)
ECRO 283 dated 20 Sep 46, is amended as under:-
(a) Under (A) Officers (Male), sub-para (b) -
DELETE "Boots (or shoes) with khaki socks"
INSERT "Boots, AB, with anklets web, or shoes, with khaki socks."
(b) Under (B) Other Ranks (Male), sub-para (a) -
AFTER "Boots, AB, with socks"
ADD - "and anklets, web".

71. SAFE CUSTODY OF BLANKETS, BEDDING ETC. DURING ABSENCE FROM CAMP.
All personnel leaving camp for periods other than normal duty, e.g. overnight leave, rest day etc, will deposit blankets, bedding and other items of personal issue in the unit pack store situated between RAP and Painters hut, the key of which is held at RSMs office. All items deposited will be securely bundled and labelled with owner's name.
Disciplinary action will be taken for losses occasioned by disregard of this order.
