Serial 54
73 - 75

BY

21 Nov 46

LT-COL E.N. RETCHFORD

CO : 1 SUPPLY RESERVE DEPOT

73. WAR GRATUITY ACT 1945-TRANSFER FOR HOUSING (ECRO 326/46)
It has been decided that, where a serving member establishes that he urgently requires the use of his Gratuity for one of the approved housing purposes, the War Gratuity Officer may issue to the member a provisional advice showing the amount of gratuity to which he is entitled, to 2nd Sep 1946. Interest will be excluded in the calculation of the provisional assessment.
Any serving member who desires to transfer his gratuity in accordance with the above decision should make application to the War Gratuity Officer, District Accounts Office, Eastern Command.
The application should be by letter setting out the reasons why he requires the use of his gratuity urgently and should be accompanied by an application for War Gratuity (Form WGI).
Forms WGI may be obtained from any Post Office.

74. REPLACEMENT OF PERSONNEL FOR PROVOST CORPS, BCOF (ECRO 337/46)
Difficulty is being experienced in fully reinforcing provost units of the British Commonwealth Occupation Force, stationed in JAPAN.
In accordance with AHQ 76274 of 1 Nov 46, all unit commanders will immediately call for volunteers among members of the AMF who comply with the following standards:-

(a) Minimum height 5 ft 8 inches.
(b) Minimum age 23 years (favourable consideration will be given to outstanding applicants under 23 years).
(c) Not less than 12 months Army service.
(d) Of adequate educational ability, e.g. able to write a report in good English.
(e) Of high standard of character and integrity.

Volunteers will be required for interview by APM Victoria Barracks, Paddington, such interview to be arranged by contacting DAAG(O) HQ Eastern Command.
If accepted by APM as suitable, action will be taken by units to transfer personnel to the strength of 8 L of C Provost Coy for a period of training not exceeding two (2) months at expiration of which unit holding will transfer subject personnel to 3 Aft Bn, CMETA, for inclusion in first available draft of reinforcements to JAPAN.
Approval is given to 8 L of C Provost Coy to carry twenty (20) trainees supernumerary to restricted ME.
The abovequoted AHQ memo and this Routine Order will be quoted as authority on all documents relevant to movement, transfer, etc, of subject personnel.
Unit Commanders will ensure that personnel under command will be fully acquainted with the contents of this Routine Order at least once per month and every encouragement given to intending volunteers.

75. PERSONAL EQUIPMENT SHEET (AAF F204) (ECRO Appendix 'B' of 15 Nov 46)
Until replaced by AAB83 (revised) or AAB83B, members will carry AAF F204 at all times, subject to the same conditions as if it were part of AAB83. AAF F204 will be carried in the AAB83A (cover for AAB83).
Members will be required to sign in the column provided on "Statement of Clothing and Necessaries" or "Statement of Personal Equipment" respectively, for all issues of clothing or personal equipment made to them, except where issues are made in exchange for articles withdrawn, i.e. on a one for one basis. Before the member signs for the articles, he will ensure that the blank squares on the appropriate line of the statement are ruled through.

AUSTRALIAN WAR MEMORIAL AWM2022.5.2635

15. PERSONAL EQUIPMENT SHEET (AAF F204) (CONTD)

Whenever an article which has been entered in a member's AAB33 or AAF F204 is withdrawn from him, and no article is being issued in replacement, it is the duty of the Unit QM to issue and the duty of the member to obtain a receipt on AAF F25A for the articles handed over. Members are required to keep these receipts and to produce them when called upon to do so.

Members will take reasonable care to prevent loss, destruction or undue wear of personal and unit equipment and clothing on issue to them. Failure to take such care will be regarded as an offence. Disciplinary action will be taken in accordance with CRO A727/43 in all cases where loss, destruction, unfair wear of an article appears to be due to culpable neglect on the part of the member.

81. NOTIFICATION OF CHANGES IN RESPECT OF NEXT OF KIN (GRO 155/46)
A member of the AMF may nominate any person as his next of kin for army purposes, although that person is not his legal next of kin.
It is the function of the 2nd Echelon organisation to notify fatal and certain other casualties sustained by a member to the person recorded in army records as the member's next of kin, or to any other person nominated by such next of kin to receive casualty advices.
Failure by a member to report promptly particulars of a change of next of kin or a change of address of next of kin, in order that the appropriate 2nd Echelon component may be advised causes considerable administrative work to the Army and may delay or prevent notification of a casualty being given to the proper person, thereby causing distress to the member's relatives.
Each member will, therefore, be instructed that, on the occurrence of any event (such as his marriage or the death of his next of kin) which renders a change of the record of his next of kin desirable or necessary, he will promptly notify his unit of the change he desires to make. Similar prompt notification should be given of any change of address of his next of kin.
On being notified by a member of a change of his next of kin or change of address of his next of kin, a unit will immediately forward a casualty return containing the necessary particulars to the 2nd Echelon component for the area in which it is serving.
Each member will be warned that a change of his allottee or an entry in his AAB83 of a change in the particulars of his next of kin will not be sufficient to notify the 2nd Echelon organisation of a change in respect of his next of kin.
(a) Each member will be advised that, on his marriage, any will or codicil previously made by him, save in exceptional circumstances, becomes of no effect and, under Australian Military Regulations, he is bound, upon marriage, to make a new will.
(b) On marriage, a member will make another will immediately, either on an AAF A130 or by a separate document, and will submit the AAF A130 in an envelope (AAF A131), duly completed, to his unit HQ for transmission to the appropriate 2nd Echelon component.
(c) A member may obtain the assistance of an officer of the AALC in the preparation of a will.

82. SHAVING AND HAIR CUTTING (GRO 159/46)
A male member will keep the hair of his head tidy and short, and will shave his chin, under lip and the cheeks of his face. He may wear a moustache, but will not wear side whiskers.

After 31 Dec 46, the following Railway concession fares will be withdrawn:-
(a) Concession fares for members of the Army travelling on leave in uniform and paying their own fare per AAF T12;
(b) Fortnightly periodical tickets for members at approved Camps, Hospitals and Convalescent Homes. The last fortnight of issue will be 13th-26th December 1946.
(c) Monthly tickets at half fares for members living away from the unit to which he or she is attached for duty.
The relative portion of ECRO 290/46 para.4 is hereby cancelled.

77. ROAD ACCIDENTS
The prevalence of accidents involving MT of this Unit, is causing concern. Speed limits will be closely observed and speed kept to a minimum in congested areas, especially on narrow roads carrying tram traffic. Where the distance between a tram and the kerb is only 9 or 10 feet, 3-ton vehicles (or vehicles of similar dimensions) will not attempt to overtake but will follow the tram until the road width will permit overtaking in safety. The risk of striking a conductor suddenly swinging out on the tram footboard will be constantly kept in mind and the utmost vigilance maintained.
(To be read to MT Section once per month).

78. REPAIR OF BOOTS
Boots for repair will be handed in to 'Q' Store on THURSDAYS.
Boots repaired will be issued on MONDAYS.
Labels must be clearly marked with ink showing Reg.number, rank, name.
For information boots now take 14 to 21 days to be repaired.
Co-operation is requested in that all ranks collect boots promptly.

ROUTINE ORDERS PART I — Serial 56 79-80

BY

LT-COL E.N. RETCHFORD — 12 Dec 46.

CO : 1 SUPPLY RESERVE DEPOT

79. STATIONERY-ECONOMY IN STATIONERY ITEMS (ECRO 373/46)

Considerable difficulty is being experienced in the procurement of adequate supplies of certain stationery items and in particular all types of pencils and the larger sizes of envelopes.

It is imperative, therefore, that the strictest economy be effected in the use of stationery items generally, and that present stocks of pencils and large envelopes be conserved to the utmost.

It is apparent from the large demands made upon Stationery Depots, there is an exhorbitant usage rate in a number of items, which indicates that the need for economy is not appreciated.

COs and OsC Units will ensure that sufficient measures are taken to effect the strictest economy in all stationery items.

80. CARRYING OF ARMS, AMMUNITION AND UNIT EQUIPMENT BY MEMBERS OF THE AMF IN TRANSIT (GRO 149/46)

Definition:- For the purposes of this instruction, "unit equipment" means all items of arms on issue to members and equipment which remains on unit charge and which is on temporary issue only to members.

The carrying of arms, ammunition and unit equipment by any member of the AMF in transit is prohibited, except in the following circumstances:-

(i) when on direct transfer from one unit to another;
(ii) when in transit to a personnel depot for reallocation;
(iii) when in transit to or from an army school for which the relevant joining instructions require a member to be in possession of arms or unit equipment;
(iv) when granted leave from his unit during a movement of that unit;
(v) when proceeding from his unit to a personnel depot for leave, prior to transfer to another unit, prior to re-allocation, or on completion of a school or course prior to return to his unit;
(vi) when the member's CO or the CO of the unit responsible for administering the member considers it essential that a member should carry arms or unit equipment for any other reason.

A member who, while in possession of his arms or unit equipment, has marched into a personnel depot for any of the reasons set out in the above will not be marched out or released on leave from that depot in possession of his arms or unit equipment except on direct movement from that depot to another depot, or to a unit or army school. Any such member, prior to being marched out from a personnel depot on leave, will deposit his arms and unit equipment with the quartermaster of that depot for safe custody during the period for which the member is on the holding strength of or staging at that depot. The quartermaster will issue a temporary receipt for the articles deposited. On return from leave, the articles withdrawn from the member will be re-issued and the temporary receipt destroyed.

In no circumstances, will any arms or unit equipment be deposited at any cloakroom or with any other person, nor will they be left unattended in any hotel, restaurant, cafe or similar place.

A member in transit will not carry ammunition except when required to carry out a specific military duty for which ammunition is allotted. Such ammunition will be withdrawn from the member by the first unit by which he is administered immediately after completion of such specific duty.

NOTICES

GIFT PARCELS FOR U.K. ADDRESSEES-DUTY FREE CONCESSION

Amendment has been made to the conditions of the concession which were published in the notice appearing with CROs dated 8 Apr 45, and under which members of the AMF and of the British Army serving in AMF areas are permitted to send gift parcels duty free to their relatives and friends in the United Kingdom. The notice in question is, therefore, cancelled.

The following are the conditions now approved and operative forthwith:-

(i) The usual postage rates are payable.

(ii) Parcels must not weigh more than-
(a) 11 lbs in the case of Postings in Australia or its Territories;
(b) 22 lbs in the case of Postings in BCOF Area.

(iii) Parcels must not include:-
(a) any drinkable spirits;
(b) more than 2 ozs weight of tobacco-including cigars and cigarettes-for each 10/- of declared value in parcels up to £2 in value (50 cigars or 200 cigarettes-½ lb) or any tobacco goods marked "H.M. Ships only". Not more than ½ lb tobacco may be included in any parcel value £2 or over;
(c) more than ½ pint of scent.

(iv) The maximum value of the contents of parcels which can be sent by one person in any one year is £12 and this value may be made up as follows:-
(a) one parcel of £12 value; or
(b) two or more parcels of varying values up to a maximum of 24 parcels aggregating £12 value in all.

(v) Special Customs declarations (AFs W5192) must be affixed to all parcels in order to secure the duty free concession and, so far as AMF personnel are concerned, these are being provided for in two colors as follow:-
Blue - For parcels containing 10/- value
White - " " " 40/- "

(vi) The white declarations are already in possession of units or are obtainable through stationery channels. The blue forms are being printed and will shortly be available, but, pending this, the white form may be adopted for the purpose of 10/- values (vide clause (v) above) by entry of the value "10 shillings" in the top left and top right hand corners by the unit issuing officer, who will initial the entry.

(vii) The conditions expressed at the foot of current stocks of the white form WF5192 are also amended as follows:-
(a) the weight maximum of 5 lbs is varied to accord with clause (ii) above;
(b) the maximum value of 30/- is increased to 40/-;
(c) the limitation to 2 lbs weight of any one foodstuff is cancelled;
and, until replaced by fresh stocks (now being printed), the forms should be amended before issue to personnel.

(viii) Issues of AFs W5192 to personnel will be under unit arrangements on the basis set out in clause (iv) above.

(ix) The white declarations and the blue declarations (or, pending supply of these latter, the white forms suitably amended as per clause (vi) above can be combined or duplicated to represent intermediate values. As examples, for a parcel of 30/- declared value, three blue declarations could be attached; for a parcel of 50 /- declared value, one white and one blue form [illegible] attached. For a parcel of £8 declared value, four white declaration forms could be attached. Other values could be similarly covered.

(x) Each AF W5192 issued will have entered upon it the name of the sender of the parcel and his army number and be signed by the unit issuing officer in the space provided.

Gifts under this concession arrangement may also be forwarded by letter post. In such cases, normal letter postage rates will be payable and, if the sender so desires, the article may be tendered for transmission by registered post. To be eligible for the concession, articles forwarded by letter post must conform to the same conditions as those set out above for parcels, with the exception that the maximum weight for letters (4½ lbs) will apply.

Postings of parcels and of packages by letter post combined will not exceed 24 in any one year and will be within the permissible aggregate value of £12.

It is stressed that full duty will be levied in the United Kingdom (for collection from the addressee) in respect of the contents of parcels and packets which infringe the restrictions contained in para (iii) above. In addition to these
