 Disciplinary action will be taken in respect of every detected breach of para 1 hereof.

233. INTRODUCTION OF PLANT DISHASES TO AUSTRALIA.

 In past years the introduction of sugar came into Queensland from New Guinea led to serious sugar came diseases with resultant losses to the growers.

To prevent repetition it is essential that the present practice of sending sugar came to the mainland shall cease.

The forwarding of other plants from New Guinea to the mainlend may also result in the introduction of other serious plant diseases which must be guarded against.

4. A member will not forward, or cause to be forwarded, or take with him from New Guinea to the mainland, any sugar case plant or sugar case, or any other plant which grows in NEW GUINEA.

234. DESTRUCTION OF NATIVE GARDINS AND USE OF FIREARMS IN NATIVE AREAS.

1. Reports have been received of damage having been caused by troops to native gardens, and of natives having been alarmed by the indiscriminate use of firearms near native villages.

 The looting or destruction of native gardens seriously interferes with the maintenance of a food supply for the natives, and renders it necessary for Army rations to be diverted to this purposes.

5. The indiscriminate use of firecems near native villegs has an adverse offect on the morals of the natives and consequently on their utility to the Armed Services, and renders the task of native rehabilitation by ANGAU more difficults.

4. No member will -

- (a) damage a native garden, except when the exigencies of the Service so require; or
- (b) remove any article from a native garden, except for his preservation in an emergency; or
- (c) discharge a firearm near any native village, except in the course of his duty.

235. BRINE IN REFRIGERATORS: POISON.

 Brine mixture used in Refrigerators consist of a large proportion of BARIUM CHECKIDE, a highly poisonous substance when taken internally.

2. All ranks will take the following precautions:-

(a) Any such mixture, if spilled on any surface upon which foodstuffs might be placed, will be removed and that surface carefully washed and cleaned;

(b) refrain from placing in drinks ice from cool stores and iceworks, as there is a possibility of Brine contaminating the ice. It is NOT possible to eliminate contamination.

3. Ods of units which have refrigerators in use will ensure that the brine solution containers are conspicuously labelled with the word "POISON."

4. Cos will ensure that all ranks are fully conversant with the requirements of para 2 of this order.

236. SIGNAL CABLE - UNAUTHORISED USE.

1. At present, the demand for signal cable exceeds the amount that manufacturers can produce.

 The practice of using this cable for the tying of packages and for improvised clothes line, guy ropes or other unauthorised purposes will cease forthwith.

5. Unit commanders will ensure that there is no contravention of this order.

237. INCOME TAX - LIABILITY OF MEMBERS RELEASED ON LEAVE FOR SEASONAL OPERATIONS.

4. A member holding a runk not higher than that of Sergearty who has been greated leave without pay for the purposes of ambling him to engage in seasonal occupations, will be insued, on behalf of the Commissionercof Texaction, with a Certificate which will exempt him from liebility for tex deductions on wages earned by him during the period of sach leave.

- 2. The members 00 will be responsible for issuing the certificates and for securing the member's signature on the original and duplicate. The original certificate will be hended to the soldier, while the duplicate will be forwarded by the 00 to the Deputy Commissioner of Texation in the State in which the member enlisted.
 - Copies of the certificate will be prepared by the unit in which the member is serving.

238. PUBLICATIONS BY MEMBERS OF THE AUF.

4. We member of the AUF shall, save in pursuance of his military duty, write for publication in my form any matter dealing with or referring to any military subject, whether fact or fictional, whees preparation and publication thereof have been approved by the Director General of Public Relations.

2. GRO A.582/1943 shall be read in conjunction with this order.

239. INCLUSION OF CHISORABLE MATTER IN CORRESPONDENCE.

All ranks are forbidden to include in their correspondence information classed as consorable natter under First current Field Censorable Instructions, notwithstanding that such correspondence is to be submitted to a franking officer or a censorable authority.

240. VENERBAL DISEASE - EFFECT ON PAY.

Preliminary.

- 1. Approval has been given for the amendment of War Financial (Military Forces) Regulation 25 to provide that no forfeiture of pay will be incurred by a member -
- (a) for the first thirty-five days of his absence after the Sist January, 1944, as the result of venereal disease acquired by him on the first occasion as defined in pure 3 bereof and including any days of absence as a result of a relapse from a disease acquired on any such first occasion, provided that the total number of days of absence as a result of such first occasion and any such MEDIUM: relapse does not exceed thirty-first days;
- (b) acquiring venereal disease while acting in the course of his duty; or
 - (c) who is suffering from a congenital form of venereal disease.

2. Commencement.

The approval so far as it relates to sub-para (a) of para 1 of this order will take effect on and from the 1st February, 1944, and so far as it relates to sub-paras (b) and (c) of that paragraph will operate as from 6th October, 1933.

3. Interpretation.

For the purpose of this order, the term "first occasion" when used in connection with venereal disease will mean -

- (a) the first occasion on which a venereal disease is diagnosed after 31st January, 1944.
- (b) in the case of a member who was on ist February, 1944, absent from duty by reason of the disease diagnosed prior to that date the veneral disease for which he is being treated; or
- (c) in the case of a member, who, subsequent to the Mist January 1944, is absent from duty through a relapse from the venereal disease diagnosed prior to the 1st February, 1944 - the relapse from which he is then suffering.

whichever first occurs.

(CONT) Transfers and Re-enlistments..

No account will be taken of any absence through venereal disease of a member -

- (a) whilst serving with the Royal Australian Navy or the Royal Australian Air Force, or
- during any previous period of service with the AMF under (b) an earlier appointment or emlistment.

Records.

Directions regarding casualty advice to be submitted by medical Units will be included in an amendment to "Instruction to Medical Officers." Instructions regarding method of promulgation in routine orders, Part II, will be issued by the Officer-th-Charge, 2nd Echelon, LHQ.

241. PROHIBITION OF GAMBLING.

- Gambling is prohibited by AMR & 0 322. 1.
- Gambling at or in the vicinity of picture shows and other public entertainments constitutes a serious evil which is to be rigorously suppressed. Such gambling is expressly forbidden. Any detected infringement of this order will involve.
 - (a) disciplinary action against the personnel concerned; and
- (b) the cancellation of all future public entertainments at the site at which, or in the vicinity of which, the offence is committed.

WARRANT OFFICERS - MANNER OF ADDRESSING. 242.

- NCO's and private soldiers will address a male warrant officer as "Sir" but will not salute him,
- Officers will address a warrant officer as "Sgt-Major." 2.
- Whilst on duty, a warrant officer will be addressed by other warrant officers as "Sgt-Major."
- A warrant officer will not be addressed as "Warrant Officer". "WO" or "Mr."
