89 AUST TPT PL (TS)

WAR DIARY NARRATIVE FOR MONTH OF JUNE 1945

The most outstanding feature of the month was a period of extremely heavy rains between the 8th and 11th June inclusive. Fortunately the Platoon is billeted on rising ground and in itself sustained no damage. Low lying areas adjacent were however flooded up to a depth of approx 9 ft and Platoon personnel with highly developed acquatic instincts, spent several pleasant days cruising in the Company fishing boat. The Company garden (vegetable), which has been a great success, was ruined by the flood. The Company Sgts Mess also suffered, much gear therefrom cruising over the paddocks. Quite a lot was recovered per medium of the skiff. A stroke of genius was provided by the O. C. H. Q. latrine, which was burnt down just as the flood waters were about to invade it.

The road South between Tweed Heads and Murwillumbah was under water for some days and on the flood subsiding assistance was given by the Platoon in collecting and clearing dead cattle from the road, Staff Sgt Sanders and a party with the Platoon Wrecker did a very good job of work in this connection and were the subject of a letter of thanks from the Shire Council.

The Bde Commander Brig. MacArthur-Onslow, inspected the Company on 20 Jun 45.

Early in the month the Platoon strength was increased by the marching in of four re-inforcements.

On the 25th of the month eleven men marched out to the P. T. Area Burleigh for a course of training.

During the month, which was again accident free, Platoon vehicles covered 17165 miles.

The health of the Platoon is good.

WAR DIARY NARRATIVE FOR THE MONTH
JULY 1945

The Month of July proved practically featureless, being solely occupied in routine transport Pl duties. It was again free from any accidents and Pl vehicles covered 17,357 miles.

Heavy rains fell on the 11th and 12th July and partially flooded low lying areas. The rain was followed by a period of intense cold, the temperature falling to 51 degs on the 22nd July- almost a record low for this portion of southern Queensland.

During the Month Lt. Williamson and L/Cpl Carey attended the 4 Aust Armd Bde Juniors Leaders School at Burleigh, both qualifying with credit.

Ptes Allen, Drewell and Pogson are attending a Driver Mech. Conversion Course in Melbourne.

Capt Kenna and Dvr Ripper were evacuated to the 112 and 102 AGH's respectively, but have since returned to the Platoon. The general health of the personnel is good.

WAR DIARY ------ August 1945.

NARRATIVE.

As can be seen from the C2118, another month was spent in Routine Transport Duties intermingled with which were the usual Coy duties.

The declaration of Peace was, naturally, received with great relief and rejoicing. All personnel think and talk now of only one thing - discharge, and return to their homes - which, of course, is also natural.

It is to be hoped that the discharges are soon forthcoming, as none of the members of the Platoon are particularly pleased to have endured the last two or three years of extensive training and work for what has turned out to be no purpose. This especially applies to the approximately 50% who have had three to four years total service in the A.I.F. and have never been overseas, - not that even one member would have preferred the war to have continued simply to allow them to attain that purpose.

Capt.
O).C. 89 Aust Tpt Pl (TS).

WAR DIARY--------OCTOBER 1945.

NARRATIVE.

During the month preparations for the eventual complete disbandment of the Unit proceeded, otherwise normal transport duties were carried out with the much depleted vehicle strength which now consists of only 1 Jeep, 1W/Cart and 9 6x6 GMC vehicles. The personnel strength has also been further much reduced and is now about 25% of the full complement.

On the 22 October available members of the Platoon participated in a review of the 4 Aust Armd Bde. by General Northcote at the Southport Showground. This was the final parade of the formation as an entity.
