324. CUSTOMS EXAMINATION AND DUTY ON PARCELS DESPATCHED BY MEMBERS OF THE FORCE SERVING IN JAPAN TO AUSTRALIA.
(BCOF L of C Postal Unit memo No. P6.58 of 24 Jun 47)

There has been much discussion and many queries on this subject.

2. The intentions of this instruction are:-

(a) To clarify the position.
(b) To achieve uniformity.
(c) To so instruct Postal Personnel on how to advise senders.
(d) To enlarge on certain compulsory factors.

3. Each member of the Force and other Australian Nationals are permitted to send goods to Australia for delivery free of customs charges provided the value does not exceed £10 (Aust)

4. If the aggregate value of goods sent by any soldier during his sojourn in Japan exceeds £10 (Aust) but does not exceed £20 (Aust) duty will be assessed and parcels will be released for delivery in the normal course. If the aggregate value exceeds £20 (Aust), parcels will, for the present, be held pending a Ministerial Direction.

AUSTRALIAN WAR MEMORIAL AWM2022.5.537

5. Up to date on at least 2 per cent of the parcels no name of the sender appears. In these ceses it has been necessary for the customs Officers to write to the addressors to ascertain the name of the sender.

6. This means that the Customs Dept will set up a card index for practically every member in BCOF and so maintain a continuous record of parcels forwarded by each member of the Force.

7. Where a sufficiently detailed description of the contents is given Customs Officers are prepared to accept that declaration, however, in more than 40% of parcels so far dealt with a general description such as "Fancy Goods", etc, has been given. Of course the opening of such parcels to ascertian the contents has been necessary.

8. Therefore commencing forthwith all NCO i/c APO, etc, and all Postal Orderlies accepting parcels for posting to Australia will insist that the form P.P.8 Customs Declaration is correctly filled in. It is of course very much to the sender's and addressee's advantage to have the forms filled in correctly.

9. It must be clearly understood at the outset that if parcels on which declarations are not correctly filled in reach the Base P.O. they will NOT be despatched in mails but will be returned to APO., etc., of origin for necessary action.

10. To avoid delays and unnecessary paper work Postal personnel will in future pay particular notice to the preparation of Customs declarations.

393. APPLICATION TO DRAW PAY - WF 226 (111 Depot Cash Office memo dated 12 Jul 47.)

The number of soldiers presenting "Application to draw Pay (Form WF 226)" at Cash Offices, is throwing an undue burden on the various Cashiers.

2. In many cases, the reason given by the soldier on his application for requiring pay, are frivolous, eg,

"Personal maintenance"
"Going to Gift Shop"
"No money"
"Urgent case, no money"
"Have been 14 days without pay"
"Purchase of Amenities Radio Receiver"
"Arriving after pay had been completed and wanting pay"
"Without Funds - being AWL from 27/5/47 till 31/5/47"
"I wish to buy a guitarthrough Amenities and if I don' get it now there wont be any left.

[illegible] be

3. It would be appreciated if members only issued with Forms WF 226 in cases of absolute necessity. Also that every facility be given to members to allow them to draw on normal pay-days.
