NOTES.

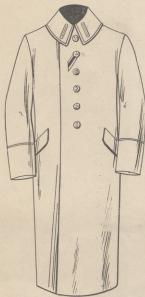

1. The *Schirmmütze* (peaked cap) and *Waffenrock*, *Attila*, *Ulanke*, etc. (special pattern tunics) replace, in peace time, the *Feldmütze* and *Bluse*.
2. No plates are available for Saxon and Bavarian units. These will all wear the universal "*feldgrau*" *Bluse* except the 12th Jäger Battalion and 108th Schützen Regiment (Saxon), which will presumably wear the grey-green. (The Bavarian Jäger will wear *feldgrau*).

All Bavarian units will be distinguished by the national cockade on the cap and a special badge worn by all arms on the collar. The various arms retain their special badges.
