"When the head aches all the body
is the worse."—OLD SAYING.

INDOOR WORKERS

When lack of exercise, excessive brain-
work, or nerve strain makes you feel
languid—tired—depressed—a little

“FRUIT SALT”

in a glass of cold water will clear
your head and tone your nerves.

This world-famed natural aperient
gently stimulates the liver, the body's
filter. With this important organ
working properly the blood becomes
pure and the nerves normal. Sound,
refreshing sleep, a clear brain, and
good digestion are sure to follow.

Remember that “FRUIT SALT”
has for upwards of forty years been
known by the Trade and the Public
to mean the saline preparation of
J. C. ENO, and no other.

An Interesting Announcement

to both

Theatre-Goers and
Artistes.

At 14, GREEN STREET, just off LEICESTER SQUARE, there has been opened what is generally conceded to be the finest Boot and Shoe Establishment for Ladies in the Metropolis.

Here is to be found a Stock comprising Styles emanating from places so far apart as Paris, New York, London and Madrid, all produced at the Firm's own Factory in the City, from the best materials procurable, and made by skilled and experienced workmen.

Below stairs is a cosy Department reserved exclusively for Members of the Theatrical Profession, to whom every consideration and courtesy is extended. Every sort and style of Shoe worn on the Stage can and is being made at the Factory, from the most elegant to the grotesque, and Orders given for this Department can be relied upon to be executed with the minutest care to details.

Bespoke Orders constitute a specialty of the business; if necessary, Customers can be waited upon by appointment. Moderation in prices, consistent with the high character of the work, can be depended upon.

When next down West, make a point of looking at the Windows of this Establishment. The galaxy of Beautiful Foot-wear there shown will well reward your visit.
