IMPORTANT NOTICE.

Under arrangements approved by the Commissioner of Police, the audience will be informed when an Air Raid is impending.

This will be indicated by turning up the Electrolier in the Auditorium for the space of one minute.

The "All Clear" notice will be similarly indicated immediately it comes through.

Should the warning be received during an interval an announcement will be made from the Stage.

This will give any Naval and Military Officers whose duty requires them to go to their posts, the opportunity of immediately leaving the Theatre for this purpose.

The audience are invited, at their own discretion, to remain in the Theatre if the "All Clear" has not been received before the end of the Performance.
