PROGRAMME.

IMPORTANT NOTICE.

Arrangements have been made for warning of a threatened air raid to be communicated by the Military Authorities to this Theatre. On receipt of any such warning the audience will be informed with a view to enable persons who may wish to proceed home, or to secure better shelter, to do so. The warning will be communicated as early as possible before any actual attack can take place. There will, therefore, be no cause for alarm or undue haste. Those who decide to leave are warned not to loiter about the streets, and if bombardment or gunfire commences before they reach home they should at once take cover.

EXTRACT FROM THE RULES MADE BY THE LORD CHAMBERLAIN. 1.—The name of the actual and responsible Manager of the Theatre must be printed on every playbill. 2.—The Public can leave the Theatre at the end of the performance by all exit and entrance doors, which must open outwards. 3.—Where there is a fireproof screen to the proscenium opening it must be lowered at least once during every performance, to ensure its being in proper working order. 4.—Smoking is not permitted in the Auditorium. 5.—All gangways, passages, and staircases must be kept free from chairs or any other obstructions, whether permanent or temporary.
