MANAGERIAL ANNOUNCEMENTS

Will friends of the Artists kindly refrain from coming to the dressing room during the interval as it is doubted if we will have enough for more than one each as it is.

Anyone desirous of making gifts to the Artists should hand same over the footlights - the practice of throwing things at the artists should be discouraged.

A FEW TESTIMONIALS

For 50 years I have been a sailor - and after seeing your scena "Watchman,, I was sick for the first time. It was horribly realistic. Admiral BEATIT.

Have seen nothing finer than the plot of your sketch "Maria,, in fact without my binoculars I would not have been able to see it at all. General EXODUS.
