THIS Entertainment is organised entirely by the juvenile artistes engaged, and involves the hospital in no expense whatever.

The little party has already appeared before many military audiences in the London District, and is open to give the same program at any other Military Hospital near London, if a suitable date can be arranged.

The illustration of Classic Dancing on the cover is by Mr. W. K. Haselden, and permission to use has been kindly granted by "The Evening News."

The Photographs in the program are by Mr. W. H. Watts, of Printing-Craft, Ltd.
