# PROGRAMME

Prior to Our Initial Effort the Band will Endeavour to Put the Audience in a Good Temper

## FIRST SPASM - - "TROUBADOUR LAND"

1. The full strength of the Company will commence a vigorous offensive. As the words of the song will probably be unintelligible the title is superfluous.

3. SERGT. BOULT will launch a Gas Attack on the subject of the Girl he is Waiting For.
4. LIEUT. PETERSON will slip into top gear with the touching tale of a Motor Accident.
5. PTE. CROKER will give the lie to his name and burst into melody.
6. PTE. BURROWS will warble sympathetically.
7. SERGT. BOULT will have a relapse and deliver a dissertation on the Taxi Car.
8. PTE. WESTLEY will induce a little ribald merriment.
9. PTE. CROKER will unload a few more glad noises.
10. PTE CRONE will proceed to assassinate a brace of Indian Love Lyrics,

### AFTER WHICH

The full strength of the Company will retire in good order to a pre-arranged position and the tune of "Here's a Health." Then there will be a ten minute Armistice, during which the Manager will return dissatisfied Patrons their money.
