LONGMORE'S CELEBRATED EVERTON COUGH MIXTURE.

Everybody likes it, for it's pleasant to the tongue,
Very nice and soothing, for old as well as young,
Extremely efficacious, and worth its weight in gold,
Removing phlegm obstructions, and cures the hardest cold ;
Throws off all the fever, and sooths the aching pain---
Our MIXTURE is the finest that money can obtain.
Never be without it, for you'll need it in the end---
In the Winter now approaching
It will prove your dearest friend.
