

J.176 - P.19.

(Japanese)

AS you receive this message it will be clear to you that the Japanese forces have been defeated and are withdrawing. All roads (of escape) are blocked. The natives will guide you. Leave your weapons behind and come over to us (surrender). Of course you will be given food and medical attention, and you may be quite sure that we will not cause you any humiliation.

You will be escorted to Australia where you will be able to meet some hundreds of your comrades who are there already.

ALLIED COMMANDER

(Pidgin)

All boys pay attention to this message!

If you meet any Japanese stragglers, give them this leaflet. These are the instructions of the Government.
