FORMOSANS,

We offer you a chance of life and return to your countries after the war. Only a useless death awaits you as you are.

Be wise and surrender to our forces. You have nothing to fear. You will be kindly treated. We will give you food. If you are sick or wounded, our doctors will care for you until you are better. Then after the war you will be able to return to your homes. We have made this offer to Koreans as well.

Come over to us with your hands up. If you still have this paper, wave it. This is the only thing you can do to save yourselves.

Commander-in-Chief,
Allied Forces.

TARGET: Operational areas where there are thought to be Formosans with the Japanese Forces.

LATEST DATE OF DISTRIBUTION: Indefinite.
