

特報

ベルリン陥落す

ロシア軍はナチドイツの首都ベルリンに入った。ナチドイツは崩壊、ヨーロッパ戦は今夜終らんとし、ナチ軍の抵抗はゲリラ的となった。東のロシア軍と西より進む聯合軍に残された仕事は一種の掃蕩戦のみとなり、ヨーロッパには数年振りて再び平和がよみがへらんとしてゐる。

EXTRA!

BERLIN HAS FALLEN

Russian forces have entered Berlin, capital of Nazi Germany. Germany is virtually defeated, and the war in Europe is drawing to its end.

German resistance is disintegrating into guerilla fighting.

All that remains for the Russian forces from the east and the other Allied armies advancing from the west, is a kind of mopping up operation.

At long last peace is returning to Europe.

TARGET: Japanese troops, general.
