WEEKLY .. REPORT.

D.D.V.S. A.I.F.
A.D.V.S. Aust Corps.
Headquarters 3rd Aust. Division.
War Diary.
File.

During the week the following Units were inspected:-

Div. Headquarters.
Div. Signal Coy.
3rd M.V.S.
Divisional Train.
11th Inf. Brigade Group.
3rd M.G. Battalion.

CONDITION. in general is being well maintained.

WATERING. water is plentiful, and where troughs are not available Units have been advised to use Canvas buckets.

STANDINGS. throughout are good, partly open, and a considerable number of animals are in stables.

FORAGE. Good.

SHOEING. Standard being well maintained.

CLIPPING. It is strongly recommended that clipping be allowed generally, as all animals at present have very heavy coats which make it impossible to keep horses thoroughly clean, besides causing profuse sweating, and discomfort, by the least exertion.

PERSONNEL Major L.E. MCKENZIE. D.S.O. D.A.D.V.S. returned on 26th inst from duty in England.

Captain J. LEGG. to England on leave 14 days, 29th October 1918.

Sergeant BATEY. B. English leave 26th Oct. 1918.

Sergeant HOLBROOK. F. to Hospital-sick- Struck off strength 24th Oct. 1918.

Trooper CLAYTON. J. reported for duty from Hospital in England 24th Oct. and carried supernumerary.

Trooper SENOGLES. W. S. returned to duty from leave to England 23rd Oct. 1918.

M.V.S. Admitted 4 animals from Division, of which one was evacuated, and three remaining under treatment. Four stray animals were admitted, one being evacuated, and three remaining in M.V.S.
