14 th BSD	1 st to 30 th June 1918		<p>For the month of June the above unit were engaged on General Supply Work on the Depot mentioned. The period was the usual uneventful one and nothing of a special character was encountered other than very good weather which though making no material difference to the work rendered the work monotony more bearable. by monotony is meant a regular routine of the same class of work, at the same hours, in the same way. The health of the unit was first class. The discipline generally, first class.</p>	<u>Nil</u>
