Place	Date	Hour	Summary of Events and Information	Remarks and references to Appendices
			<p>During this month the unit remained in the same billets occupied during the previous month. Evacuations still kept down to a moderate estimate. The amount of manure passing through is very small. A few cases of Ulcerative colitis have also passed through.</p> <p>Nothing of any other interest to report for the month.</p> <p>Evacuations totaled by. Number of animals received = 104, the difference between the two figures representing those returned to unit and received.</p>
