TEMPLEUX-LA-FOSSE	1918 JAN 1		Brigade Exercise which was to have been held today was cancelled on account of very rough weather.	
		2	Brigade Exercise carried out.	
		3	Physical Drill, Range work, + Baths for the men in the afternoon	
		4 and 5	Ordinary training carried out.	
		6	Church Parades	
		7 and 8	Ordinary training	
		9	The morning was spent in cleaning up the camp and horse lines, in readiness for move next day. Move Order received. The Brigade will entrain at PERONNE tomorrow the 10 th inst. for BAILLEUL	
		10	The Company left TEMPLEUX-LA-FOSSE at 6.15 am, the Transport wagons having left at 5 am. Marching was difficult, owing to the extremely slippery state of the roads, the freeze having now been on for about three weeks. The thaw, however is just commencing. After a train-ride ^{lasting} about 12 hours, BAILLEUL was reached, and a dish of hot cocoa was provided for every man after detraining. As the Company we are relieving near LA CLYTTE were not all out of the line, we had to march to temporary billets, west of BAILLEUL, for the night, arriving there at 1 am.

METEREN	1918 JAN 11		The company moved out at 10 am and reached LA CLYTTE at 1 pm. to find that the camp we were to take over would not be ready until tomorrow. Temporary accommodation was found in our Transport's camp which is about 1 mile further on.	
LA CLYTTE	12		Moved back to BAROSSA Camp, near LA CLYTTE. This camp is composed of Messen huts, in good condition, and duckboard walks are laid down through the camp. Training facilities are not good, as space is limited. Enquiries have been made to Brigade Headquarters about baths and a clean change of underclothing for the troops, as it is some time since they have had these made available.	
	13		Church Parades held. Word received from Brigade H.Q. that Baths are being got ready and will be available in about 3 days' time.	
	14		Leave to BAILLEUL will be granted daily from 9 am. to 7 pm, for 5% of the Unit.	
	15		An arrangement was made whereby a number of men of this Company can be trained in the use of the Lewis Gun, while men from each Battalion in the Brigade came down here to receive instruction in the use of the Vickers Gun.	
	16 17 and 18		Above exchange of instruction continued Baths made available at MURRUMBIDGEE Camp
