DEFENSIVE INSTRUCTION NO. 17.BATTLE STATIONS PRACTICE.

- It is intended at an early date, and by night, to carry out the manning of battle stations on the Army Front for practice purposes.
2. (a) On the evening of the date selected the following telegrams will be sent by Division to units :-
"Battle Station practice acknowledge"
(b) Recipients will acknowledge receipt by the following wire:-
"Acknowledged practice".
(c) As soon as all troops are in their allotted positions units will wire :-
"Position practice"
 3. No movement in connection with the practice will take place before 8.30 p.m. in the forward areas no movement will take place until after dark.
 4. On receipt of wire from Division :-
"Normal dispositions"
normal dispositions will be resumed, when this has been completed units will wire :-
"Normal practice"
 5. (i) Army System: Nucleus garrisons will man their posts.
(ii) 2nd or Corps Zone: All troops definitely allotted as garrisons will man their stations, and counter-attack troops will fall in on their alarm posts.
The above will not effect reliefs, or troops who normally stand to in the morning or evening.
(iii) Forward Zones: No troops in forward zones will be affected.
 6. The artillery will not fire any special programme in connection with the exercise.
 7. Every opportunity will be taken during the exercise to discover any points in connection with existing orders and arrangements which require adjustment, and all Staff officers that can be spared from other duties must be employed throughout the practice for this purpose.
 8. Communications forward to most advanced troops back to Division and also communication with flank units will be tested during these practices. Reports will be rendered later by units concerned giving the time taken from receipt of wire "Battle stations practice acknowledge" to the completion of the manning, and forwarding copies of all messages sent.
 9. It is essential that no orders should be issued which ^{can} in any way ~~to~~ be interpreted to ~~im~~ indicate that an actual hostile attack is anticipated. Care must therefore be taken that all orders issued signify clearly that they are only concerned with a practice operation. Copies of all orders will be forwarded to Division.

Q.M. 9th AUST FIELD AMBULANCE.

C.O. 9th AUST FIELD AMBULANCE.

I beg to report as follows concerning the Quartermasters Department during the period the Unit was at RIVERY.

RATIONS- Were regularly supplied by the A.S.C. and were of good quality. The Potato issue was rather short, and was amplified by purchases made from Regimental Funds. Liberal purchases of other food-stuffs were also made, as follows-

1/7/18	FOULON.	50 Kilos Potatoes	29.00
5/7/18.	FER MARTHE.	150 Kilos Potatoes	120.00
6/7/18	do do	200 do do	160.00
8/7/18	CAIUPLAND	12 Cabbage.	4.80
8/7/18	do	12 do	6.00
9/7/18	BLANCART	50 Potatoes	35.00
9/7/18	UNIT CANTEEN	Dried Fruit	52.00
11/7/18	BLANCART.	50 Kilos Potatoes	35.00

MEDICAL COMFORTS- Were obtained from the A.S.C. Field Service Depot at DOULLENS as follows-

June 30th- 2 cases Cafe au Lait, 2 cases Milk, 1 case Salmon, 1 case Arrowroot, 1 case Fruit, 1 case Jam, 2 cases Ox Tongues, 1 case Gaxo, 1 case CXO, 1 case Jelly, 30 lbs Tea, 2 bags Sugar, 50 loaves Bread.

July 7th- 3 cases Milk, 1 case Biscuits, 1 case Arrowroot, 1 case Brandy, 1 case Jelly, 3 cases Cafe au Lait, 1 case CXO, 4 cases Ox Tongues (small), 1 case Milk, 1 case Cornflour, 2 bags Sugar, 2 cases Fruit, 1 case Margarine, 1 case Salmon.

These ~~Pat~~ Comforts were issued to Patients in Hospital, or awaiting evacuation, and to Regimental Medical Officers who were treating sick in billets.

RED CROSS GOODS- The following articles were obtained from the Australian Red Cross Depot at PERNOIS-

1 case Fruit, a Quantity of reading and writing material, 6 pkts Playing Cards, 1 doz Primus Prickers, 100 Gramophone Needles, 1 case Limejuice.

SALVAGE- The value of Salvage returned during the period as shown by Divisional Salvage Officers return was:- Week ending 6/7/18 £3 10/3/4 week ending 13/7/18 £25/12/4.

SOLDER? WASTE PAPER & FAT- The Unit returned the following quantities- Fat 100 lbs A class, 100 lbs B class, Wastepaper 85 lbs, Card-board 60 lbs, Empty Jam Cartons 35 lbs, Solder 12 lbs.

REGIMENTAL FUNDS- The purchases made from Regimental Funds are as shown as above.

CLOTHING- The uniform riding Breeches issued have leather pieces sewn on the inside of the knees, I would suggest that cloth could be substituted for leather with advantage. Experience shows that the leather being heavy tears the cloth. Further the leather must be removed before the breeches can be Sterilised in a Fodent, or put through a De-lousing Chamber.
