SPECIAL ORDER.

by BRIGADIER J.J. MURRAY. D. S.O., M.C., V.D.

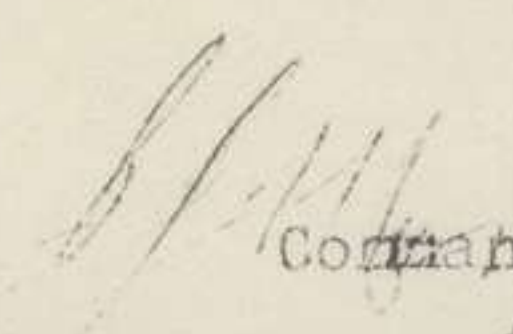

COMMANDER 20 INFANTRY BRIGADE.

7 AUS'., DIV. A.I.F.

TO ALL MEN OF THE A.I.F. IN CAMP.

The present international situation is such that it does give rise to all sorts of pessimism. False rumours are often circulated, and while I have no doubt that they have little effect on you soldiers of the A.I.F., they do affect the people that you come in contact with whilst on leave and visiting camp. I want you to instil confidence not only by cheerful readiness to serve yourselves, but by a firm belief that the Hun will be rolled back as in those other days of the first A.I.F. They went smiling down to the big break through in 1918, and not only stopped the Hun, but hurled him back as we will do again.

In your own confidence and self-reliance, I have full belief - pass it on to those less fortunate who can, because of circumstance, only stand and wait.

  
Brigadier.  
Commander 20 Inf. Bde.

NOTE. The above order is to be read to all A.I.F. troops at present in camp, and to all drafts on arrival.

ORDER OF THE DAY

by

BRIGADIER J. J. MURRAY, D.S.O., M.C., V.D.

COMMANDER, 20 INFANTRY BRIGADE

7 AUST. DIV. A.I.F.

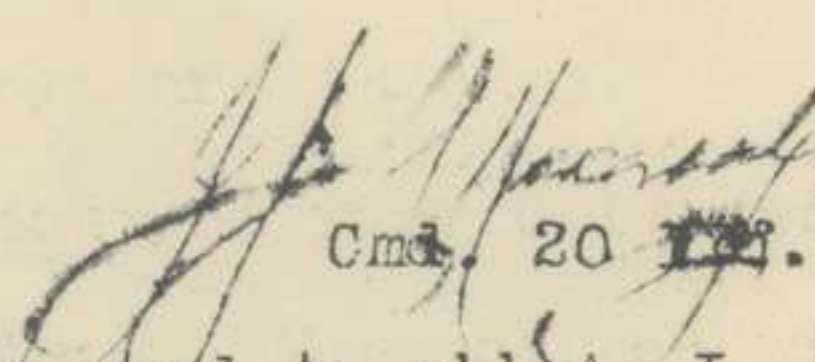

TO ALL MEN OF THE A.I.F. IN CAMP.

In conference with Commanding Officers I have decided that leave will be granted on application to all ranks on the greatest possible scale consistent with efficiency and remind you that you are no less our care and responsibility when on leave as you are in camp.

The prestige and honour of your Unit and, indeed the whole A.I.F. are in your hands. Many of you will be wearing uniform for the first time, and it is expected you will wear it proudly, and with proper restraint.

You will best assist your Unit, the Military and Civil authorities, and the public generally, by a ready and cheerful compliance with the country's laws.

I have every confidence that each of you will assist in preserving the privileges of leave and will not by the act of any single man, impose on us the necessity for restricting any of the liberties that we are able to afford you.

  
Brig.  
Cmdr. 20 Inf. Bde.

NOTE: The above order is to be read to all A. I. F. troops at present in camp, and to all drafts on arrival.

Ingleburn Camp	13 June	contd.	<p>reports- on 2/17 Bn. with C.O. 2/17 Bn. and his Officers.</p> <p>Arrangements have been set on foot with the Transport Department to improve the bus system that connects the camp with Liverpool. Hitherto men proceeding on leave on Fridays or Saturdays and returning on Sunday night, have suffered some inconvenience due to the large numbers attempting to use so few buses, and the main road has been dangerously crowded with troops. A scheme has been devised by the Brigade Staff and a representative of the Transport Department dividing the camp into 7 zones, each of which is served by two buses. As the round trip takes half an hour, leave is staggered in three periods. The scheme was explained to a conference of C.O.'s by the Brigade Comd. and the B.M.</p>

### VOYAGE REPORT - HMAT "ZEALANDIA"

(a) DEPARTURE.

Embarkation of personnel at Pinkenba Wharf was completed at 2200 Hrs, 1 Jul 40. Inspection of the ship was carried out in company with the Ship's Master and the N.S.T.O. The Zealandia left for sea at 0100 hrs 2 July.

(b) INTERMEDIATE PORTS

The only intermediate port of call was Townsville which the Zealandia reached on the afternoon of 4 July and departed therefrom on 5 July. Water and coal were taken on at this port and mail was despatched to the PO Townsville.

(c) DISEMBARKATION.

All military personnel disembarked at Darwin on 11 July 40.

(d) HEALTH.

(i) Reference was made in the report on the ship's inspection at Brisbane and in the interim report at Townsville to the inadequacy of hospital and latrine accommodation.

(ii) Nine members were evacuated to the Townsville General Hospital on 4 July 40. The circumstances were covered in the interim report referred to in sub para i above.

(iii) Attached hereto is the report of the S.M.O. (R.M.O 2/15 BN AIF) - Appendix 1.

(e) TRAINING

Training was restricted and hampered as regards continuity and variety by the following:

(i) Lack of space (referred to in interim report).

(ii) Insufficiency of equipment (other than sporting and recreational stores).

(iii) Seasickness, Rubella and post vaccination malaise.

The 5 A.A.L.M.G.'s and landscape targets taken aboard at Brisbane were of considerable value for training purposes.

Lectures to Officers and NCO's were given each evening.

(f) DISCIPLINE.

This was exemplary throughout. No leave was given at Townsville. Despite the fact that this was the home town of many of the troops on board, the restriction was accepted cheerfully and no attempt at evasion was made.

(g) PERSONNEL. The attached Parade State - Appendix 2 - details of personnel on board

- (h) CASUALTIES (See para (d))
- (i) MESSING  
Messing facilities were satisfactory and food good. Supplies were adequate. Two sittings for meals were necessary.
- (j) PAY No money for pay was taken on board.
- (k) LOSSES AND HOW ADJUSTED (See Appendix 3)
- (l) Not applicable.
- (m) Fresh water supplies were adequate.
- (n) (o) and (p) Dealt with in interim report despatched from Townsville on 4 Jul 40.
- (q) RECREATION.  
Facilities were adequate except as regards space. Several troop deck competitions were held. A general sports meeting for the ship had to be cancelled owing to sea-sickness and general indisposition of a large number of personnel.
- (r) RELIGIOUS SERVICES.  
The Chaplain 2/15 BN AIF who was on board was ill on Sunday. The Church Service which, on account of congested space, was held in two relays was taken by the CO and the 2 i/c respectively.
- (s) Weather during voyage was generally fine and the sea calm. There was one wet day. Weather conditions did much to effect the congestion in space and the after effects of vaccination.
- (t) i. Every assistance was given by the Master, the ship's officer and crew.  
ii. The Master and Chief Officer took immediate executive steps to remedy any defects in accommodation or services and were generally helpful and anxious to co-operate.  
iii. Paymaster Lieut. C Wilson RAN arranged for the purchase of beer from the ship's supplies at 1/- per bottle. He watched the victualling and messing arrangements and was generally helpful.
- (u) If the Zealandia is used in future as a transport in the tropics it is recommended that additional electric fans be installed and that ventilating facilities be increased.  
  
Additional hospital and latrine accommodation is essential if the personnel carried exceed 500 all ranks.
