G.S. INSTRUCTION NO. 49

CONTROL AND ISSUE OF EXPLOSIVES

3 Aust Corps G.S. Instruction No. 25 dated 18 Feb 43 is cancelled.

The following procedure regarding the holding, distribution, ...ing and issuing of explosives, explosives accessories and anti tank mines is approved.

3. As from the date of this instruction explosives, explosives accessories and anti tank mines will be held in and distributed from Engineer Stores dumps. The accountancy procedure in Engineer Stores dumps will be as for items of Engineer Stores.

4. The Ordnance Service will initially stock all Engineer dumps on the "Standard" ton basis and as items of explosives and explosives accessories are issued they will be replaced by the Ordnance Service on demand in order to maintain the holdings on this "Standard" basis. The same procedure will be adopted in the replacement of anti tank mines and items in general use by ... and not included in the "Standard" ton.

5. Items NOT included in the "Standard" ton of explosives, and used extensively by other arms as well as RAE, will continue to be demanded and issued through Ordnance Service channels, e.g., Grenades Hand No. 75: Igniters, Molotov Cocktail: and Pyrotechnics.

6. The Ordnance Service will hold in Adv. Amn. Depots a reserve of explosives and anti tank mines, to make up a combined total holding of 6 months reserve at M.U.R.

7. To replenish the Engineer Stores dumps, CE will demand direct on DDOS, who will arrange supply to the principal Engineer Stores dumps.

8. 10 Aust CRE (Works) will be responsible for supplying CRE 3 Aust Corps Troops who, in turn, will supply all RAE Formations under command 3 Aust Corps.

9. Engineer dumps will demand on their next higher formation dump using Form A.A.F. S.18.

10. Units will demand on formation dumps using form A.A.F. S.18.

11. Engineer dumps will issue explosives and anti tank mines as follows :-

Ser	Issue	Authority responsible for demanding	Method of Demanding	Method of Supply
1	Unit Equipment	As authorised in War Equipment Tables.	Form A.F S18 is submitted by units to the CE or CRE of formation concerned.	Supply will be made from an Engineer Dump as directed by the CE or CRE of the Formation concerned.
2	Training	As authorised by LHQ and promulgated.	Form A.F S18 together with an approval from the C(Trg) is submitted by the unit to CE or CRE of the formation concerned.	Supply will be made from an Engineer dump as directed by the CE or CRE of the formation concerned.

Ser	Issue	Authority responsible for demanding	Method of Demanding	Method of Supply
3	Works	D E Serv	Form AAF S18 through Engineer Stores channels	Supply will be made from an Engineer dump as directed by the CE CRE or DCRE Works concerned.
4	Issues to other than A.M.F.	As authorised by LHQ.	Requisition is submitted by the body concerned to CE, who will issue on a phoned or signalled approval from LHQ.	Supply will be made from an Eng. Stores Dump as directed by the CE.
5	Strategic Reserves	As authorised by LHQ	-	CE of formation concerned will establish and maintain.

N.B. The holding of 2nd and 3rd line explosives ceases to exist. The method of moving forward of explosives from formation dumps is a function of the formation concerned.

DROGUE TOWING AIRCRAFT

EXMOUTH GULF AND GERALDTON AREAS.

A drogue towing aircraft will depart HAYLANDS for EXMOUTH GULF on Sunday, 2 Aug 43.

2. EXMOUTH GULF ITINERARY.

(i) It will be available for drogue towing in the EXMOUTH GULF area from 3 Aug to 12 Aug inclusive and is intended for use by Allied Naval Vessels, Army Units and No. 85 Squadron Detachment.

(ii) Requests for its use are to be made to, and co-ordinated by, the commanding officer No. 76 Operational Base Unit at EXMOUTH GULF.

3. GERALDTON ITINERARY.

(i) The aircraft will depart for GERALDTON on 13 Aug 43 where it will be made available to Army Units from 14 Aug to 16 Aug inclusive.

(ii) 3 Aust Air SC will arrange for a ground R/T station under command of an officer to report to CO 4 SFTS at GERALDTON 13 Aug 43. This officer will co-ordinate army practices in the GERALDTON Area including GREENOUGH RIVER with CO 121 Aust Lt AA Regt and O/C Detachment 108 Aust Lt AA Regt and will ensure that the pilot if briefed in regard to courses to be flown.

4. Army Units participating in the above practices will report the result thereof through their respective HQ to HQ 3 Aust Corps at the conclusion of the programme.

5. A similar programme may be anticipated each alternate month.

RELAXATION OF LIGHTING RESTRICTIONS

Advice has been received that, in the areas south of the Tropic of Capricorn, all lighting restrictions may be relaxed, provided that arrangements are continued -

(a) To screen all lights showing to seaward.

(b) To extinguish unnecessary external lights.

(c) To enable a blackout to be imposed at very short notice.
