NO. 33

ROUTINE ORDER PART 1.

21 SEP 44

Maj. A.H. CHRISTIAN Adm Comd 16 AUST INF BN (AIF) AUSTRALIA.

169. NOTIFICATION OF CHANGES IN RESPECT OF NEXT OF KIN:

1. A member of the AMF may nominate any person as his next of kin for army purposes, although that person is not his legal next of kin.
2. It is the function of the 2nd Echelon organisation to notify fatal and certain other casualties sustained by a member to the person recorded in army records as the member's next of kin, or to any other person nominated by such next of kin to receive casualty advices.
3. Failure by a member to report promptly particulars of a change of next of kin or a change of address of next of kin, in order that the appropriate 2nd Echelon component may be advised, causes considerable administrative work to the Army and may delay or prevent notification of a casualty being given to the proper person, thereby causing distress to the member's relatives.
4. Each member, therefore, is instructed that, on the occurrence of any event (such as his marriage or the death of his next of kin) which renders a change of the record of his next of kin desirable or necessary, he will promptly notify Bn HQ through Coy Orderly Room, of the change he desires to make. Similar prompt notification should be given of any change of address of his next of kin.
5. Each member is warned that a change of allottee or an entry in his AAB 83 of a change in the particulars of his next of kin will not be sufficient to notify the 2nd Echelon organisation of a change in respect of his next of kin.
6. A. Each member is advised that, on his marriage, any will or codicil previously made by him, save in exceptional circumstances, becomes of no effect and, under Australian Military Regulations, he is bound, upon marriage, to make a new will.
B. On marriage, a member will make another will immediately, either on an AAF A130 or by a separate document, and will submit the AAF A130 in an envelope (AAF A 131) duly completed to his Coy Orderly Room for transmission to Bn HQ and then to appropriate 2nd Echelon component.
C. A member may obtain the assistance of an Officer of the AALC in the preparation of a will.

170. MEDALS - PROVISIONAL ORDER FOR ISSUE OF THE RIBBON OF THE 1939/43 STAR.

1. His Majesty the King has been graciously pleased to recognise the service rendered by His Majesty's Forces during the first four years of the war by the institution of a Star to be known as the 1939/43 Star.
2. In the Army, the 1939/43 Star will rank after the Africa Star (see GRO A 30/1944). No person may receive both the Africa Star and the 1939/43 Star. No person who is entitled to the Africa Star will be awarded the 1939/43 Star.
3. The ribbon of the 1939/43 Star is dark blue, red and light blue, in three equal vertical stripes. The dark blue stripe is intended to mark the service of the Naval Forces and of the Merchant Navy, the red stripe, that of the Army, and the light blue stripe that of the Air Force.
4. The ribbon of the 1939/43 Star will be worn with the dark blue stripe furthest from the left shoulder immediately after the ribbons of prior war medals.

5. Officers and Other Ranks of the AMF including members of the AANS, members of the VAD, and physiotherapists attached to the AMF, and representatives of philanthropic societies attached to the AMF, and civilians attached to the AMF in an official capacity, will be eligible for the 1939/43 Star.
6. To qualify for an award an individual must have been on the strength of and have actually served with a Unit or formation in one or more of the qualifying operations or commands specified below.
7. Any member who considers himself entitled to this award may make application to Bn HQ for necessary forms.

171. TRAFFIC CONTROL -- YELLOW LINES ON STUART HIGHWAY

Yellow lines now define the centre of the pavement on lengths of road which carry heavy traffic. Broken yellow lines are painted on straight lines lengths of road and single continuous lines are painted on easy curves. Such lines assist drivers to maintain their proper position on the pavement. Drivers must not drive on these lines as the paint is thus soon worn off. Double yellow lines are painted on sharp curves and crests where visibility of oncoming traffic is restricted. No vehicle will be driven on the wrong side of the road where double lines exist. No vehicle or portion of a vehicle will be allowed to overhang the double yellow lines.

172. AIRGRAPH SERVICE: As from 11 SEP 44 the charge for Airgraphs is reduced from 5d and 10d for civilian addressees respectively to a flat rate of 4d.

AUSTRALIAN MILITARY FORCES

NO. 36

ROUTINE ORDER PART 1.

8 OCT 44.

By Lt-col R. HORLEY Commanding 16 AUST INF BN (AIF) AUSTRALIA.

181. ARMLETS (BRASSARDS) FOR NCOs, BADGES OF RANK.

Approval has been given for the wearing of armlets (Brassards) with badges of rank affixed thereto, by NCOs when shirts are worn or an outer garment. Plain armlets will be issued and NCOs will be responsible for attaching the badges of rank to which they are entitled. Armlets will be procured from 'Q' store the scale of issue being one armlet per NCO.

182. ILLEGAL USE OF VEHICLES.

Attention is directed to Standing Orders for Drivers of MT vchs paragraph 18. It is pointed out that the driver of a vch is not absolved from responsibility for the loss of his vch merely by the fact that he leaves it in a recognised parking place under the general supervision of Provost personnel. The onus is on the driver to take adequate steps to safeguard his vch.

183. PERMANENT DANGER WARNINGS - RAAF BOMBING AND GUNNERY RANGES.

Regardless of permanent danger warnings issued by RAAF for bombing and gunnery ranges in NT, pers are still persisting in entering these areas. It is pointed out that these ranges are leased from landowners and are published through the Government Gazette. Therefore, if any person is injured or killed in these areas, the Govt will not pay compensation or pensions.

184. MAXIMUM SPEED OF VEHICLES.

The Motor vch speed limit order made under the National Security (Land Transport) Regulations imposes a speed limit of 30 mph on Motor vchs upon any public highway in the Commonwealth. The Order applies to Mil Vchs.

No army vch will be driven at any time at a speed greater than the maximum speed for that type of vch fixed in the schedule below. - provided that where the observance of the speed limit would hinder the use of the vch for military purposes, an Offr by endorsing the work ticket to that effect in the case of cars motor cycles and jeeps only, may authorise a speed not exceeding in any case 45 mph. If local restrictions require a lesser maximum speed than 45 mph, then the local maximum speed will apply.

The following is the maximum speed permitted for vehicles:

Cars, motor cycles and motor cycle combinations	30 mph.
Jeeps	30 "
Vans & Trucks up to and including 1 ton	30 "
Perries and Trucks GS up to and including 3 ton	30 "

This right is in no way limited by the fact that a member becomes subject to Military Law, but, on the contrary, is specifically preserved by the provisions of the Australian Military Regulations and Orders.

 at the discretion of his unit commander, any communications from a member who has been guilty of a breach of security or censorship.

ATTACHED PERSONNEL:- Unit censorship extends to all accredited war correspondents, members of philanthropic organizations and naval, air force or allied personnel attached to a unit. A commissioned naval, air force or allied officer, an accredited war correspondent or an accredited member of a philanthropic organization with officer status and entitled to wear uniform may frank letters written by himself and censor or frank letters written by his assistants or other ranks who are not members.

ONLY OFFICERS TO CENSOR. - No member other than a commissioned officer to whom a communication has been submitted in the course of unit censorship will censor or frank or purport to censor or frank a communication from any member of the forces.

OFFICER RESPONSIBILITY. - The signature of an officer will imply a certificate by that officer that the communication does not contain any matter or article which would be a breach of this order. An officer who franks a communication containing any matter or thing, the despatch of which is prohibited by this order, shall be guilty of an offence. The franking of a communication containing such matter will not in any way absolve the member who wrote, made or sent the communication from being proceeded against for his breach.

SECRECY OF CENSORSHIP. - An officer will not disclose to, or discuss with, any person whatever the contents of a communication submitted to him for franking or censoring or permit any other person to examine such a communication, provided, however, that -

an officer may refer a communication or make an official report disclosing the contents of a communication if, in his opinion, such communication contains any prohibited matter or article.

OFFICIAL ADDRESS. - All communications from a member subject to unit censorship shall contain the full name of the sender and his full official address. This shall be written, in the case of a telegram, on the back; in the case of a letter or a letter-card, on the top right-hand corner of the first page; and, in the case of a packet, parcel or newspaper, on a slip of paper enclosed therein. A member shall not use any address other than his official address or receive any communication except through that address or request any person to send to him any communication except to that address: Provided, however, that in writing to a prisoner of war or neutral country, the addresses as provided by Appendix E to LHQ Field Censorship Instruction No. 4 shall be used.

DESPATCH OF COMMUNICATIONS: - A communication, other than a telegram from a member who is rationed and quartered by the Army, will not be despatched until it bears a unit censor stamp or a Department of the Army censorship stamp. Every communication from a member whose communications are subject to unit censorship will bear, in addition to the unit censor stamp, the signature of a franking officer.

CARRYING COMMUNICATIONS FOR OTHERS: - A member will not carry, convey, send or post any communications from a member whose communications are subject to unit censorship.

As a disciplinary or security measure, LHQ may direct that the issue of green envelopes to formations or units be stopped.

NEWSPAPERS: - A member in any of the areas specified in para 7 of this order will not post or send any newspaper unless authority so to do has been given by the GOC formation. Other members whose communications are subject to unit censorship may send newspapers under unit censorship arrangements, subjects to any restrictions imposed by the formation or L of C area. No unit newspaper will be sent by post unless the issue of such newspaper has been passed for publication by an Assistant or Deputy Assistant Director of Public Relations.

190.

INCOME TAX - MEMBERS WITH DEPENDANTS RESIDENT OVERSEAS.

The Income Tax Assessment Act provides for the rebate of tax to a taxpayer in respect of his wife and children resident in Australia.

A member of the AMF who married in a country other than Australia and whose wife or children are not resident in Australia is not entitled to such rebate. As the allowance might cause hardship, any member affected is requested to apply, through his pay representative, for a remission of tax.

A member applying for such remission will furnish -

His name in full and all regimental particulars; and
The names and addresses of his dependants, and will advise whether - his wife and children are wholly maintained by him; his wife's separate income exceeds \$50 per annum

(AUSTRALIAN) and it is his intention, as soon as war conditions permit and transport is available, to bring his wife and children to reside in Australia.

The application will be forwarded by the pay representative to the Director of Finance Administration, LHQ, who will refer the case to the Taxation Department for consideration.

191.

CENSORSHIP - AIR MAIL LETTER CARDS. The attention of franking officers is directed to HQ Field Censorship Instruction No 4 Appendix B para 7.

Franking officers will ensure that as far as practicable the flaps of the new type air mail letter cards are sealed before passing to Unit Censor for stamping.

192.

In future all troops detailed for tasks in isolated areas where the services of a medical officer will not be available will be examined by RMO prior to departure.

Cases have occurred necessitating urgent air travel for personnel with such complaints as query Appendicitis.

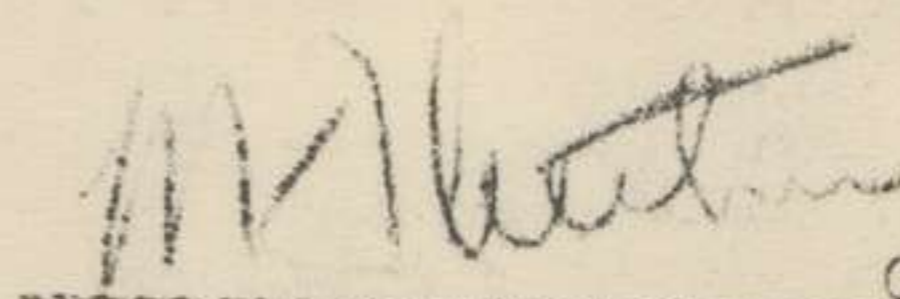

To obviate the necessity for such special transport the procedure outlined in para 1 will be followed and NO member whose medical history suggests a possibility of a recurring disability will be sent unless he is classified as key personnel.

193.

MAXIMUM SPEED OF VEHICLES.
Insofar as the provisions of GPO 0340/44 conflict with existing NT Force Orders, the latter will continue in FORCE WITHIN THE NORTHERN TERRITORY.
