shortcomings think so.
Should I happen to disagree with "Brod"(the Arabs) or Wood's(the Jews) the resulting bundle of mail thrown on my behalf, proves it.COM. Remonstrating letters to be written, phone calls made, interviews conducted and every placatory device brought into play. Laughs just over little me.
Of course, it is often my fault the trouble occurred, but that is due to the uncontrollable fluctuations of my lady feminine nature. Liaising freely with me, how can I help but court trouble, for through any one of my numerous predilections to err in order to please. I hasten to add I am too "attached" or "devoted" or to use it literally, manifest in no dreadful manner that on a particular day, I am "over-strength". For I have my pride in life and profess pride in my calling. But it is nice to have so much attention paid to one.
In contemplating my end, whether it be the R.S.L. or ultimate "strength through joy" by instrumentation in a Strength Return, I shall always regret the consideration and sensible persuasiveness I once exercised at the hands of those charming and irresistable clerks at Records. It means a great deal to one that pats short and stout into her efforts, to know, despite her frequent failures from grace, that some people understand her, even when she does go wrong.
Toodle-doo my dears - I'll be seeing you - only.

"Jump" (R.C.).

Receipt is acknowledged of copies of "The Recorder", i.e. my dated 15 June 43. We considered it a very fine effort & members were particularly interested in the Naval section. We would be only too pleased to have such a section in our journal and would be grateful if you could suggest name of enlisting the necessary personnel. Yours...

RECORDS REGIMENT.

VOL. 1. NO. 5. — EDITOR - Capt. K.Jackson.
JUNE 43. — ADJUTANT - W/O II E.A.Frazer.

TO THE EDITOR.

Your request for a 'letter' box in which both prompted me the receipt of the enclosed message by the C.O. of Q'land Records Office which appeared in a copy of "The Recorder" recently received.
It is a very fine effort on the part of the Q'land Office and the journal is read with great interest, but the interpretation of "Records & Publicity" was designed to allow all members of the unit, in a fairly unofficial capacity, to contribute items of interest collectively within the unit, and I would therefore prefer that the sheet continue to be produced on these lines.
You will have plenty of matters of policy and procedure from time to time in instructions of a more official nature. The £5 donated by the Officers as prize money to be paid at the conclusion of the "Victory Gold" Records competition now in progress, and entrusted to my safe keeping in the interim, appears to be causing these noble gentlemen much concern.
Advised that I will be present on the day of presenting and that the money will not be used with a view to "bribing" the collectors will not suffice - they request that the question be put to all ORs/Members, "What is to be done with the money?" If there was not money at stake the question would not be asked, the answer being far too obvious.
Speaking of cricket, the most popular fielding position

heard at the conclusion of the "Last Wicket" match was the accurate bowling of "O Windus and the "Knock for Knock" attitude adopted by Pte. Bungalow. It may be advisable to hold Harry in reserve in future matches and treat him as the "Gallies" did before rushing him to the wicket when the runs are most urgently required.

I am not unmindful of the PARADE that exists about by a periodical reshuffle of Office Furniture. For the information of those who suffered most as the result of the recent re-organisation, I would suggest that a few of the bricks be directed at S/Sgt Douglas who commanded the set. WO Gleeson would no doubt be the leader of such an onslaught, his lesson for the day being the mahogany table and double bed. The final figures (not to hand from the MEM are 3 respirators, 5 tin hats and a pair of "Doctors" recovered from the debris which proves that a clean up occasionally does pay.

In conclusion I would like to thank all members of the unit for their co-operation and the efficient manner in which they have carried out their duties while serving in New Guinea. It is particularly pleasing to survey the progress made over the past six months. The manner in which the work is being produced is appreciated, not only by myself and a responsible officer who recently visited this area from our Mainland Headquarters, but also the field units which we strive to serve. It is admitted we have our dissatisfied customers occasionally but our shoulders are broad, never forgetting to do the right thing at all times by accepting all responsibility, even though it may entail another "please expedite" to our southern partners in crime.

Let your slogan be at all times, "MAY GOD'S ANOTHER SATISFIED CUSTOMER".

It pays - ask "Hayride" Bob, the man who paved the way.

INTIMATE GLIMPSES INTO THE LIFE OF [illegible] 53006.

Life in the army is tough on a female - for let me get this straight - I consider myself, as treated, and behave, as any other "gal" claiming affinity with the feminine gender. However, let the facts of my life, speak for themselves.

Blank and mysterious, I am introduced to a flustered Orderly Room Clerk for doing over [illegible] night, or if he is equal to it, first thing each morning. He wrestles with my innermost meaning, seeking to establish mastery over my potentials. These are intriguingly represented by the symbols A1, A2, A3 etc., which, in short, reflect through me, the effective strength, or staying power of Army personnel - Bless them!

Then I depart some kind of satisfaction from the Orderly Room Sergeant, through the Adjutant to the C.O. (for my desire to serve is unlimited) I am dazed from the atmosphere of crude machinelling to flaunt my womanhood and spirited, but hopelessly inadequate resolve not to go wrong, before the executioners of Records Office.

Not until I reach this playground of bewildering activity, and am subjected to a careful scrutiny by clerks, exclusive of my every glance or flow, do I realise my full value as a result of the flattering appreciation accorded me, by those reliant for of the army. The thick knowledge of a Records Clerk, simply thrills me. Their last touch, from the Registry Reception Clerk to the C.O., causes me, upon reflection, infinite sadness of regulation and the bungling methods utilized by the clerks of field units.

You would hardly predict the rude made over me. And really I am not much to look at. For instance, speaking of figures - well, what if I am a little out here and there? After all, it is just these defects that create interest in me - at least those who are most anxious to [illegible] before my

CRICKET.

Since the inauguration of "Holmes Hill" Sunday Competition, the "Recorder" team have played [illegible] only one success.
Details of this [illegible]

"RECORDS" TOTAL - 102 V [illegible] - 103.

Top scorer for "Records" was [illegible], who, [illegible] batsman scored a brilliant 38. [illegible] Hilshire - 22, Slaughter - 10 and Hilder - [illegible].
Hilder took 3 wickets for 42, Dempster 2 for [illegible] 2 for 31.
For the "Employment dept", Jolly proved a [illegible] scoring 61 and taking 3 wickets for 33.

"SHOWERS" TOTAL - 97 V "RED SHIELD" TOTAL - 98.

"Records" top scorer was Dempster with 31, while other contributors were Hedges - 17, Slaughter - 16 [illegible], Lemmell - 12, Tucker - 12. Hilder took 6 wickets for 32, Morris 6 2 for 26 and Whitehead 1 for 12.
The "Red Shield" team was best served by Anderson and Brooks who scored 21 and 22 respectively. Hedline took 3 wickets for 16 and Pett 3 for 31.

"RECORDS" TOTAL - 72 V "[illegible] & STATIONERY" TOTAL 102.

For "Records" only four batsmen were able to reach double figures. They were Shirley - 16, Fuller - 11, Tucker - 14, and Wilshire - 11. Whitehead took 4 wickets for 39 and Dempster 4 wickets for 5.
Top scorers for "Printing & Stationery" were Cook - 34, Hunt - 23, Buckley - 21.

SPRING (cleaning) CAUSES LIVE.

An unconfirmed report has reached this correspondent that several members of the staff narrowly escaped angry mauling when a tremendous herd of spiders, beetles, bugs, ants, lizards and other vermin emerged from the cellar and charged down the front path under cover of a dense dust screen. Our oldest inhabitant, Sgt Jack Congreve says he has "never seen anything like it" and he can compare it only with the plague of locusts in "The Good Earth".

Eyewitnesses to the incident were considerably alarmed to notice what they took to be a huge reddish colored rat struggling through a remarkably dense crush of spiders. This, however, was later found to be merely "Blue" Gleeson who, after being rendered homeless, had no option but to join the stampede.

A survey taken after the dust had subsided revealed that no serious casualties had been sustained, most of the staff having retired to distant positions, e.g. the beach, latrine, canteen etc., immediately the dust began to rise.

It is rumored that "Rocky" Long, whose love for spiders has become a by-word, had to be rescued from the top branch of a nearby "Poinciana" where he had taken refuge early in the day.

Those noted authorities "Slather" Tucker(author of "The Flora and Fauna of Her Settles") and "Dr. Flesh" Hardcock (author of "Sex Life of a Shellfish or Blunders of the Barrier Reef") stated that the occurrence could only have come to pass through human agency and their statements gave rise to the opinion that the stampede was the work of saboteurs.

This theory has, however, now been definitely discarded and it is stated on good authority that the incident occurred during spring cleaning operations in the cellar premises of D.D.

1. GREEN ENVELOPES

The practice of enclosing unfranked mail in an outer envelope addressed to the Base Censor (otherwise than in a green envelope) will cease forthwith.

Even when Green Envelopes are in short supply, no authority exists for personnel to forward mail to the Base Censor in order to avoid Unit censorship.

All such letters sighted in future will be returned to the Unit concerned.

2. PILFERING

Pilfering of army stores has reached such serious proportions that it is interfering with supplies to troops in forward areas. Offences of this nature may even result in the lives of troops being endangered unnecessarily.

All ranks are warned that, as from the date of this Order, any member of the Forces concerned in such offences will be dealt with by Court Martial and awarded severe penalties.

3. DRESS

It has become apparent that proper attention is not being paid to the matter of dress, and the correct way in which uniform should be worn. The main points noted have been as follows:-

(a) Men not wearing shirts although not engaged in strenuous work.
(b) Shirts being worn outside trousers.
(c) Shorts being worn with socks or no hose of any sort.
(d) Dirty sandshoes instead of boots.
(e) Dirty boots. In many cases it is obvious that boot polish has not been applied for long periods.
(f) Hats made to look disreputable, worn at any angle on head, and in a number of cases made to resemble civilian hats commonly known as a "pork-pie"

These are only some of the irregularities which have been noted and all ranks are informed that strict disciplinary action will be taken where necessary to ensure that all members are correctly and tidily dressed at all times.

4. RESTRICTION OF TRAFFIC THROUGH HOSPITAL LINES : 2/1 AGH and 2/5 AGH

The volume of traffic at 2/1 AGH and 2/5 AGH at present causes very considerable inconvenience to patients and staff.

A member of the AMF will not be at any Cinema show or other entertainment at 2/1 AGH or 2/5 AGH unless he is:-

(a) A member of the staff or attached to the hospital concerned.
(b) A patient in such hospital, or
(c) An invited guest of a member of the staff of the hospital

5. VACANCIES FOR DIPLOMATIC STAFF CADETS, DEPARTMENT OF EXTERNAL AFFAIRS.

Applications for temporary appointment as Diplomatic Staff Cadet are invited from British Subjects (male and female) who, on 1st January 1944 will have reached the 17th but not the 25th anniversary of their birth.

Applicants must have matriculated or hold the Leaving or Senior Public Certificate. A University degree in Arts, Commerce, Law or Economics is desirable but not essential.

Applicants will be required to undergo a competitive examination in the following subjects:-

English Essay, Precis, Current Australian and International Affairs, and General Knowledge on questions of History, Geography, Economics, Social Questions and Politics.

Success at the examination does not confer the right to temporary appointment, selection being made following personal interview of a determined number successful at the examination. In the final selection the preference provisions of the Australian Soldiers' Repatriation Act will be applied.

Successful applicants will be engaged for two years during which time they will receive remuneration of £274 per annum if an adult or £256 per annum if a minor (subject to cost of living adjustments), plus an allowance towards University costs, and will be required to undertake at their own expense, an approved course of University study. At the end of the course, applicants will be further examined and, on a satisfactory certificate, will receive a temporary appointment to the Department of External Affairs. The question of permanent appointment to the Commonwealth Public Service will receive consideration at a later date.

Any eligible member of the AMF who desires consideration may avail himself of the opportunity of completing an application (in accordance with pro forma embodied in NGF Orders dated 22 Nov 43) and forwarding it to "Secretary, Department of External Affairs, Canberra." Applications must reach the Secretary by 9 Dec 43.
