	29		Sgt INGRAM marched out to NGDD for onward movement to take up duties with RLO LAE.	
	29		Lieut F.J. ANDERSON, who has been employed on Liaison duties at MILNE BAY, BUNA and LAE for a period of 20 months and has carried out an excellent job was beginning to feel the strain and not enjoying the best of health, emplaned for Mainland on 24 days recreational leave and probable transfer to a Mainland Office.	
	30		Due to the location of this office at MORESBY, it has been found extremely difficult to carry out reinforcement and maintenance duties especially as HQ NEW GUINEA FORCE is located at LAE. Capt BEATTON performing RLO duties at LAE and Lieut CALF as RLO at MADANG have assisted matters to a large extent, but it is essential that NG L OF C AREA RECORDS OFFICE be moved closer to the areas of operations and movements.

The accused was charged with:-

FIRST CHARGE Was Neglect to the prejudice of good order and military discipline, in that he, in the field, on 7 Jan 44, when on active service and when the authorised driver of Army Vehicle No 129577 neglected to safeguard the said vehicle which was entrusted to his care as a result whereof the said vehicle was lost and the Commonwealth suffered loss in an amount of One Hundred pounds (£100) the value of the said vehicle (A Sec 40).

SECOND CHARGE [illegible] Consent to the prejudice of good order and military discipline, in that he, in the field, on 7 Jan 44 when on active service and when the authorised driver of Army Vehicle No 129577 left the said vehicle unattended as a result whereof the said vehicle was lost and the Commonwealth suffered loss in an amount of One Hundred Pounds (£100) the value of the said vehicle (A Sec 40) (Alternative to the First Charge).

The Court found the accused guilty of the first charge but not guilty of the second charge.

Sentence: To be put under stoppages of pay until he has made good the sum of Two Hundred Pounds (£200) in respect of the value of Army Vehicle No 129577.

The finding and sentence were duly confirmed on the Second day of Sep 44 by Lieut-Gen [illegible], Commanding NG FORCE who remitted Eighty Pounds (£80) of the stoppage of pay.

3 INCOME TAX - REBATES IN RESPECT OF WIVES RESIDENT OVERSEAS

1 The income tax assessment act provides for the rebate of tax to a taxpayer in respect of his wife and children resident in Australia.

2 A member of the AIF who married in a country other than Australia and whose wife and children are not resident in Australia is not entitled to such rebate. As the non-allowance might cause hardship, any member affected is requested to apply, through his pay representative, for a remission of tax.

3 A member applying for such remission will furnish -
(a) his wife's full and full registered particulars; and
(b) the names and addresses of his dependants.

and will advise whether -
(i) his wife and children are wholly maintained by him;
(ii) his wife's estimated income exceeds £52 per annum (Australian currency);
(iii) it is his intention as soon as war conditions permit and transport is available, to bring his wife and children to reside in Australia.

4 The application will be forwarded by the pay representative to the Director of Finance Administration, AMF, who will refer the case to the Taxation Department for consideration.

3 SECURITY AND CENSORSHIP - QRC 0.71/42

PART A

1 Interpretation.

(a) For the purposes of this order -
"Australia" means the Commonwealth of Australia, the Territory of Papua and the Mandated Territory of New Guinea;
"communication" means any letter, registered letter, letter-card, field service postcard, green envelope, newspaper, parcel, packet or telegram;
"member" means a member of the Australian Military Forces;
"prohibited information" means any naval, military or air force information which has not been published and which may be directly or indirectly of use to the enemy if received by him.

After examination they will be sent by Unit Field Censorship Boy or Base Censor to Pendlon and Records of the L of C Area or enlistment or the owner of the diary or notebook for storage and safe custody.
(d) Similar procedure will be followed for disposal of official notebooks kept by officers and other ranks containing technical notes or records of details connected with their duties, copies of any schools etc (except to the extent to which other official unit arrangements for the safe custody of such notebooks are made with the approval of the formation concerned).
On final [illegible] diaries and notebooks will be returned by the Base Censor to the owner on his discharge or enlistment, after return to Australia, provided that such diaries and notebooks have been approved by the Unit Field Censorship Boy or Base Censor for release. If such diaries and notebooks are not approved for release, they shall not be returned until after the termination of hostilities.

2. A.382. INJURIES CAUSED BY ACCIDENTS WITH EXPLOSIVES AND LIVE AMMUNITION.

1. Members of the public have been killed or seriously injured recently as the result of handling explosives and live ammunition which either -

(a) have been taken or sent home by members of the forces as souvenirs; or

(b) have been negligently left in places to which the public has access.

2. To prevent a recurrence of such accidents, the following instructions will be observed strictly.

3. (a) Unless acting in the course of his military duties or unless so authorized by or under the National Security (Firearms and Explosives) Regulations, a member of the AMF will not have in his possession or deliver or transmit or attempt to deliver or transmit to any other person any bomb, shell or other explosive or live ammunition of any kind.

(b) All units will take vigorous action to ensure that members comply with the terms of this paragraph.

4. (a) When any member serving outside Australia and Tasmania is to return to Australia or Tasmania, his kit and baggage will be inspected thoroughly, prior to his embarkation or emplaning, to ensure that he is not in possession of any explosives or live ammunition of any kind other than such as may be necessary in the course of his military duties.

(b) His kit will again be inspected thoroughly at any LSD from which he is to be released on leave, prior to his being so released.

5. (a) Units will ensure that all prescribed safety precautions for the handling and storing of explosives and live ammunition are carefully observed.

(b) Explosives and live ammunition used for training purposes will be carefully safeguarded.

(c) Under no circumstances will explosives or live ammunition of any kind be left unguarded in any place to which members of the public have access.

(d) In areas where training with explosives and live ammunition is carried out, the utmost care will be exercised to ensure that all blinds are searched for and destroyed in accordance with the prescribed safety regulations.

6. If a member is charged with an offence against this order, a summary of evidence will be taken and an application submitted to superior authority for trial by court-martial.

NOTICES

GIFT PARCELS FOR UNITED KINGDOM ADDRESSEES - DUTY FREE CONCESSION.

1. The conditions of the concession announced in the Notice appearing in CROs dated 3rd September, 1943, pages 18 and 19, under which members of the AIF and of the British Army serving in Australia and in other places within the SWPA are permitted to send to their relatives and friends in the United Kingdom a maximum of four gift parcels per year, duty free, have been amended. The Notice is, therefore, cancelled.

2. The following are the conditions applicable as from 20th October, 1944 : -

(i) The usual postage rates are payable.

(ii) Parcels must not weigh more than 5 lbs each and must not include -

(a) any drinkable spirits;

(b) more than ½ lb total weight of tobacco, including cigars and cigarettes (200 cigarettes or 50 cigars) or any tobacco goods marked "HM Ships only";

(c) more than ½ pint of scent;

(d) more than 2 lbs of any one foodstuff.

(iii) The maximum value of the contents of parcels which can now be sent by one individual sender in any one year is £8, and this value may be made up as follows : -

(a) one parcel of £8 value, or

(b) two or more parcels up to a minimum of four parcels aggregating £8 value.

(iv) Special Customs declarations (AF W5192) must be affixed to all parcels in order to secure the duty free concession. These declarations, where not already in possession of units, are obtainable through normal stationery channels.

(v) Issues to personnel will be under unit arrangements, on the basis of a maximum of four AFs W5192 per year to any one sender. A comparatively few forms should, therefore, suffice for the needs of any unit.

(vi) Each AF W5192 issued will have entered upon it the sender's number and name and be signed by the issuing officer in the space provided.

(vii) Each Customs declaration represents a permissible value of £2 within the parcel to which it is attached.

(viii) Where the value of the contents in any one parcel exceeds £2, a further declaration for each additional £2 (or fraction thereof), up to the maximum of £8, must be attached, e.g., a parcel containing goods to the declared value of £6 would require three labels attached.

3. It is stressed that full duty will be levied in the United Kingdom (for collection from the addressees) in respect of any contents of parcels which infringe the restrictions contained in para 2 (ii) above. In addition to these duty charges, the contents of any parcel not bearing a Customs declaration, received into the United Kingdom, are subject to purchase tax amounting in many cases to 100 per cent of the value of such contents. This tax is chargeable on most manufactured articles, but tobacco and foodstuffs are excluded.
