Civilians this area **MESSAGE FORM** INDIANS and CHINESE

who employed on the oilfields appear glad to have British back but evidence extensive

anti British movement. **INDIAN** P. 17

relevant documents will be found civilians less enthusiastic than here than at BRUNEI but

Dayaks very anti Jap. seem apprehensive lest Japs should return

and draw us out. 2/17 bn has shifted guns to different posts and fired short harassing

shots on ~~positions~~ **INDIAN** P. 17

reported civilians seem quite impressed by our fire power and should be encouraged

to fight back but are making every effort to get away from the area

to give in preference for a greater number of our men and equipment

our formation will be in position by 10/10

RAMPAYA about 3 miles from LABI.
No Chinese in RAMPAYA.

Says they are living in houses
with wood tile roofs.

Natives leave their houses for
the jungle during the day.

Does not have to watch Jap
mov during day but every day
3 Japs go to BARAM. ~~A~~

Have no boats at LABI.

Rd from BADAS to river & then on to
LABI. No ferry at river. Says
the track is quite good, but
not jeepable.

Says the DYAKS are definitely anti-
Jap. There are none at LABI.

Is going to stay with SANTAMPONG
in K. Belait.

Further info. Tr from LABI to BADAS takes 12 hrs
for quick walker. Def post SENBURU is in fork
of river, tree is felled slightly downstream. There
is traffic both ways between LABI and MARUDI -
more from LABI than from MARUDI. Journey by
canoe from LABI to KUALA BELAIT took Chinese
10 hrs.

re: Srab Lewis

Interrogation AHPING, Chinese.

Left LABI 8 days ago

Says that the Japs undressed & underclothed him.

He has lived at LABI for 6 yrs. Came here 22 Jun. Came by canoe to see if it was true that Japs has been killing his people.

The whole of Japanese in LABI area are 300/400. K. 10/12 in Kuala Belait.

Says that at SUMBURU the outpost is very strong.

Near the oil coys old wharf they have felled a big tree across the river. 8789

Says there are some MGs at this point

Behind the wharf is a trolley track. Very dilapidated state.

Says there are no tracks from K. Belait to posn. Country is all swamby.

Says the Japs probably live on stilted huts.

Possibly about 1000 natives at LABI - Malay school - wireless sta.

Between LABI and RAMPAYU ⁹⁴⁸³ Japs have cleared strip of land & have forbidden all civilians to go there. Believes they are growing food there. Area of 5/6 acres (bakico)

Has not seen any European POW taken to LABI. Says that approx 10 Indian POW are being kept at LABI mosque - very sick. Japs in LABI are living in houses

Received a native report this morning that approx 1000 japs armed with LMG's, rifles, pistols, & swords left village of PUNDUT, early morning this day ago. The native says that the japs told him they were going to BELABAN. The native seems certain that they are there now.

This ties up with an earlier report we sent you about 500 japs in PUNDUT area on morning of 19 JUN. The other report said it was thought that they were going to MARASAM. These places have been identified from some maps we found in this area and you already have refs of PUNDUT and MARASAM. BELABAN is identified on Strat map MIRI at about 4715. Just opposite the i. w. S. LUBAI.

Patrol of 1 Sgt + 10 ORS out 1130 to village at 578273 to get SCM reported in this area this morning
