	18 June		<p>A conference with Brig. Kitto and Colonels Barker and Crisp was held on the Artillery Range by the Bde Comd in order to settle the question of whether the construction of a Rifle Range in its present location would affect the value of the Artillery Range. Brig. Kitto and Col. Barker contended it would reduce the value of the Artillery Range by at least 50%. Col. Crisp agreed it was unwise to have the Rifle range on the Artillery Range, but thought it possible to select other Bty positions outside the present training areas which would enable the Artillery to use the range without any appreciable interference to small arms practices. The whole case was referred to Southern Command and following a recce by the Bde Comd and S/C. three alternative sites for a rifle range were selected, marked on a map and the latter sent to Southern Command.</p> <p>The Bde Comd was ordered to report to G.O.C. at 1530 hrs in Melbourne to discuss further the Comd of the 2/43 Bn and general composition of the Division. TO ALL UNITS.

CONCERT PARTIES AND ENTERTAINMENTS.

It would be appreciated, as arranged at the recent conference of Commanding Officers, if Officers Messes would undertake the entertainment of concert parties which come to Puckapunyal. A roster will be kept at Bde. H.Q. and Messes will be given at least 24 hours notice before they are expected to supply any supper. Except where otherwise ordered it is desired that all concert parties should leave camp by 2245 hours. The Y.M.C.A. authorities have also requested that no liquor should be offered to any concert party which has appeared in their welfare hut. Artists will be advised of this request before they arrive at Puckapunyal.

Messes which have been advised that a concert party will be allotted to them are requested to send at least one officer to Bde. H.Q. at 1940 hrs. in order that he might meet and conduct the various artists to the welfare hut and afterwards to his own officer's mess.

Normally Officers messes will be asked to entertain concert parties, but in certain special cases such as the Southern Command concert party next Saturday night, which party will consist mainly of Sgts. and W.O.s, it is suggested that Units ask Sgts. messes to be responsible.

Bde. Ord. Sgt. detailed by Unit of Duty Fd. Officer.

Commencing at Retreat 11 June, the Duty Unit will provide Town Piquet and Inlying Piquet. Units are referred to Camp Standing Orders Appendices "E" and "F".

INOCULATIONS.

2. Some units have failed to comply with the instructions issued by this H.Q. with reference to arrangements for inoculations. In some cases where 500 men have been required only 300 have attended. Other cases have arisen where personnel of units have not reported to the inoculation centre indicated in the instruction. Unless all personnel of units listed in various groups attend, as set down for that particular group, medical arrangements cannot be co-ordinated and training will eventually be interfered with to a greater extent.

Commanding Officers are requested to institute measures which will ensure strict adherence to the schedule of inoculations.

Duties of the Inlying Piquet are as outlined in Appendix "F" to Camp Standing Orders and 21 Aust. Inf. Bde. Circular No. 49 of 13 June.

EVASION OF MONETARY CONTROL REGULATION

2. An enemy alien recently requested a member of the A.I.F. to take some money with him for delivery to relatives of the enemy alien in Palestine. The request was refused and the matter reported. All ranks must be warned against similar attempts.

FUNERALS- AND BURIALS

3. The provisions of M.P.F. I. 313 and 314 must be strictly adhered to on all occasions when arrangements are being made for the funeral of a member of the Forces. The attention of all concerned is to be directed to the necessity of making themselves fully conversant with the requirements and limitations of the Regulations and Instructions regarding the provision and payment for funerals.

PETROL, OIL AND LUBRICANT ACCOUNTS

4. The Quartermaster)General advises that it will not be necessary for Units of the A.I.F. to forward petrol, oil and lubricant accounts to A.I.F. Corps and Formation Headquarters. They will forward them to Headquarters of the Command or District in which the A.I.F. Unit concerned is located.

REFUSE BINS

5. In some Units refuse bins are not labelled Wet and Dry, with the result that both types of refuse are dumped into bins indiscriminately. Commanding Officers are requested to give this matter their attention.

RED CROSS STORE

6. A Red Cross Store is being established at Camp Dressing Station, PUCKAPUNYAL. Mr Johnston, the Red Cross Representative for SEYMOUR and PUCKAPUNYAL will be in attendance on Wednesdays and Thursdays between the hours of 1000 and 1200 hrs. POSTER EXHIBITION

7. Southern Command Circular G.50 states:-
 "The Victorian Artists Society has very successfully organised a Poster Exhibition on behalf of Southern Command Security and Recruiting Campaign. These posters, contributed by some of the leading artists in this State and Art classes of Technical Schools, are outstanding in design and quality.
 The exhibition is on show in the lounge of the Myer Mural Hall, and was officially opened by the Lord Mayor at 3 P.M. on Tuesday 18th June and will remain open for two weeks.
 All officers are invited to visit this exhibition during its currency."

30 YARD RANGES.

8. The area in the vicinity of the 30 yard Ranges is out of bounds to all troops except those Units actually using the Ranges. As the Ranges will be in almost continuous use from now on Commanding Officers must ensure that they do not use training areas within the safety angle from the firing points and that personnel are warned to keep clear of the area. Units using the Ranges are referred to Para 2, R.O. 3 of 21 May. A red flag must be placed in the hill north of the Range while they are in use.

LATRINE SEATS

9. In all Units latrine seats are being left propped open. Unless troops are trained to leave them closed after use, serious outbreaks of disease may later occur in localities where intestinal infections are rife.

RAZOR BLADES.

10. Discarded razor blades are being left lying about in shower and ablution huts. This practice must cease as it frequently causes cuts to hands and feet.

APPENDIX 56

Dear

I know you will be glad to learn that the Minister for the Army was very pleased with the standard of discipline in this camp, with the training activities which he saw and with the attitude generally of the men. As you will have seen from this morning's paper, the Prime Minister spoke in similar terms of our discipline at the conclusion of his visit yesterday.

To these compliments I should like to add my congratulations. During the inspection by both Ministers the bearing of the men was excellent and the standard of saluting was extraordinarily good. It is a tribute to the keenness and common sense of the fellows themselves and to the training given to them by all officers and non-commissioned officers in the camp. The standard we have now reached is well worth striving hard to maintain and where practicable to improve on.

I would appreciate it if you would pass on these comments to your officers and men.

I am sorry it was not practicable to adhere to the itineraries which were prepared but circumstances over which I had no control compelled a departure in a number of instances.

Yours sincerely,

Brig.

CONFIDENTIAL.

All Commanding Officers,
PUCK PUNYAL.

I have received a report from Southern Command that a distinguished visitor to the camp last weekend saw rations being given out at cookhouses to civilians. This matter has also reached the A.P.M. Southern Command who is contemplating drastic action respecting the searching of civilian cars.

It is essential that steps be taken immediately to ensure that, if such things did happen, they are not repeated in future. Civilian visitors must be excluded from kitchens and stores and I would be glad if you would give this matter close personal attention please.
