42. PUBLICITY CONCERNING ESCAPED PRISONERS OF WAR.

1. Members of the AMP will not, unless authorised by the Commander-in-Chief, publish in any form whatever, or communicate, either directly or indirectly, to the press or radio any account of the escape of any person whatsoever from enemy or enemy-occupied territory or of the experiences of such person prior to repatriation.

2. Experience has shown that publicity of this character furnishes valuable information to the enemy and will jeopardise future escapes of Australian and Allied prisoners of war.

43. CARE OF HAND TOOLS.

1. Demands for replacement of hand tools indicate that wastage is unduly high.

2. An acute shortage of these tools exists. Many types are not manufactured locally and have to be imported from overseas. It is essential, therefore, that all ranks be impressed with the necessity of ensuring that wastage is reduced to a minimum.

3. Care is to be taken that tools are to be used only for the purpose for which they are supplied.

102. AIR MAIL LETTER CARDS.

Requisitions have been received and will be distributed to all ranks on the basis of two per man per week.

One penny stamp is required for transmission by air mail.

No writing is to appear on back or front of card when folded other than normal address.

Distribution: - As per ration strength each Saturday. Gurilla PI will be issued from Int Sec.

103. HYGIENE - BURNT TINS:

Burnt tins will NOT be dumped under any circumstances, THEY WILL BE BURIED.

104. CONTROL OF ROAD TRAFFIC:

(a) NT FORCE order No. 78 of 7 Mar 43 is repeated hereunder :-

"Serious concern is felt at the extent to which the control of road traffic and the standard of driving in the area have deteriorated recently.

It is obvious that, in spite of repeated instructions, proper control is not exercised in the use of unit transport, with the result that a large amount of unnecessary traffic continues. This has resulted not only in excessive wear on the roads but also considerable wastage of petrol and tyres. Strict measures will be taken in future to ensure that no vehicle leaves unit lines unnecessarily and that the use of transport is carefully planned so that as many jobs as possible are done on the one trip.

It is emphasised that the road is the only means of maintaining the field force and its conservation, particularly in the wet season, is a major task. Unless traffic is reduced drastically, the maintenance of the roadway in serviceable condition will be impossible.

Apart from such unnecessary traffic, the factors which contribute most to the deterioration of the road are the bad driving and the excessive speeding which are only too prevalent. It will be impressed on all drivers that speeding and careless driving not only damage the road and cause excessive wear on vehicles, but have resulted recently in a disturbing number of accidents involving injuries and loss of life. Most, if not all, of these could have been avoided by the proper exercise of care and by observing normal road courtesy. In particular, drivers will be taught the common rules of road courtesy and the use of recognised driving signals.

The speeding limits applicable within this Force are repeated for information and will continue in force in lieu of those notified in GRO Q30/43 :-

Staff Cars and DRS.....	40 mph
JP 1-ton, cross country (Jeep).....	40 mph
15-cwt 1-ton and 30-cwt vehicles	30 mph
3-ton vehicles.....	25 mph
Carriers.....	15 mph

All drivers are to be notified of the above speed limits and are to sign a copy of such notification as an acknowledgement that they know such limits. Such acknowledgement will be retained for record purposes by the Transport Officer.

(b) Passing of Vehicles on Roads: Extreme caution must be exercised by drivers when overtaking and passing other vehicles owing to excessive dust. On NO account will vehicles be passed on road bends or on hill crests.

(c) All vehicles passing marching troops will reduce speed to a maximum of 5 mph before reaching such troops. Disciplinary action will be taken against offenders.

(d) Troop Carrying: Officers and NCOs in charge of parties will ensure that personnel are seated in such a manner that no portion of the body overlaps side of vehicle and on NO account will personnel sit on spare tyre carrier or canopy of any vehicle.

(Cont'd)

(e) Arms: Units will ensure that drivers of all vehicles carry rifles and ammunition at all times.

(f) Drivers will at all times when on duty be in possession of:-

- (i) Driver's Licence
- (ii) Correctly prepared G.2
- (iii) Vehicle log book.

103.

SALVAGE:

Large amounts of otherwise waste material can save the country great expense if salvaged and re-treated. Coys are asked to co-operate in reducing waste by salvaging all materials possible.

Items of salvage are listed hereunder :-

All classes of metals namely brass, bronze, copper, zinc, tin, lead, aluminium, white metal, cast iron, bags and hessian, empty tins of all kinds which are fitted with detachable lids such as, tobacco, boot polish, cocoa, Johnson Baby Powder, Sal Vital, wax matches and this like but not any tins opened with a tin opener, linings from tea chests, silver paper, empty tooth paste and shaving cream tubes, steel bands from bales and wire from packing cases, old nails, disused or broken cases, bottles of all kinds no exception, straw envelopes, used engine oil, U/S tyres, U/S batteries, U/S boots, U/S clothing, U/S Hats, U/S W.T. or R.T. valves.

Special attention should be given to salvaging empty tooth paste and shaving cream tubes. Unit will organise a salvage dump in this area and appoint a suitable NCO to control same. AASC will clear dump at regular intervals.

Friday of each week will be Gas day throughout the whole Bde Gp. Respirators will be carried continually during the day excluding lunch hr from 0900 hrs to 1700 hrs on hung near at hand in offices, near squads under instn etc. Each unit will arrange at least one period during the day of not less than 30 mins duration when respirators will be worn. All ranks will under-go a period of gas instn and inspection of gas equipment at least once per week.
111. PROHIBITED AREA - TOWN OF DARWIN.
(a) The town of DARWIN is out of bounds to all ranks at all hours except on duty.
(b) Attention is drawn to N.T. Force Routine Order 68/42, which is repeated; -
"In future no soldier may proceed to DARWIN unless he is in possession of a duty pass signed by his C.O. The pass must state what business he is proceeding on, and the time for which he is authorised to be absent. Any soldier found in DARWIN without a duty pass will be subject to severe disciplinary action."
112. ONE-WAY TRAFFIC - GILRUTH NECK ROAD.
Attention is directed to the danger caused by non-observance of the one-way traffic restriction on GILRUTH NECK ROAD from the turn off near MYILLY Point to the western entrance into Vestcoys. All wheeled traffic is prohibited from moving west along this road.
Vehicular access to Mendil Beach will be via North Aust. Road, thence past Botanical Gardens.
This restriction will be lifted only in the event of military operations consequent on hostile attack but will continue to apply in defence exercises.
113. REPORTING TO L.T.D. FOR RETURN TO UNIT.
All Officers and O.R.'s returning to Units from schools or leave will report to L.T.D. in the State in which the school was held or the leave taken.

104L. "SOUVENIRS" - USE OF ARMY MATERIALS.

1. The use of army materials for the manufacture of ornaments, "souvenirs", etc., is forbidden.
2. This prohibition applies particularly to shell cases and other metal objects, all of which are made of materials of which there is an acute shortage and which can be used again for the manufacture of ammunition, machine parts, etc.
3. This order does not apply to the use of materials provided by Australian Army Education Service in connection with the fostering of hobbies.

118. LOSS OF TENTAGE BY FIRE.

- 1) A disturbing number of fires have occurred recently in which tents and their contents have been destroyed, and the danger from this source will increase greatly with the onset of the dry season, unless strict measures of fire prevention are taken.
- 2) Care will be taken in smoking in close proximity to tents, lighted butts will NOT be thrown on the ground. Receptacles will be instituted round tents and buildings. Co-operation of all ranks is requested in order to conserve the already limited supply of tentage.

123. CEREMONIAL PARADE - 18 Apr 45.

The following messages have been received in regard to the Ceremonial Parade held on 18 April by General BLAMEY C.-in-C. Allied Land Forces in the South West Pacific.

I would like Unit and Sub-Unit Comds to convey to all Officers, WO's, NCO's and men under their Comd my personal congratulations on their splendid Parade last Sunday 18 Apr.

(Message from Gen Sir Thomas Blamey)

Dear Lt-Col BUNTINE,

Gen Sir Thomas Blamey C.-in-C of SW Pacific Allied Land Forces has expressed a desire that his congratulations be extended to all ranks who took part in the Ceremonial Parade of the 13 Aust Inf Bde Gp and attached troops on Sunday 18 Apr 45.

Gen Blamey particularly stressed the excellence of the general turnout, soldierly bearing and steadiness of the men particularly during the inspection. It was one of the finest Ceremonial Parades he has witnessed, even well tried and seasoned troops would find the standard set by the Bde Gp very difficult to emulate. He further stated that if we can produce results equivalent in our general training there will be nothing to fear of the final result when we meet the enemy.

The General also extended his congratulations to the Units of the Bde Gp and attached troops present on their now being transferred to the AIF.

The GOC NT Force Maj-Gen A.S. ALLEN also was very impressed by the bearing of the troops and has asked me to convey his congratulations to all ranks for their splendid showing.

TIMOR STRONGLY ATTACKED BY HUDSONS AND MITCHELLS

One of the strongest forces of bombers yet sent out against Japanese bases north of Darwin blasted the town of Koepang and the nearby Penfoei aerodrome, in Timor on Sunday.

Loan Closes With Record Rush

The Third Liberty Loan of £100,000,000 closed yesterday with such a flood of subscriptions that officials had not counted the total last night. They were confident that the full amount had been obtained.

Officials said that yesterday's rush of applications was a record for one day for any Australian war loan.

When banks and post offices opened yesterday morning, there were queues of people waiting to make their investments. Reports poured into the office of the loan director from all parts of Australia, saying that the last minute rush was great.

In a final speech, Federal Opposition leader, Mr. Fadden, said the people of Australia did not yet know the meaning of sacrifice. Greater sacrifices would be needed yet.

—V—

SETBACK ON KUBAN

The Germans have taken the initiative on the Kuban River front in Southern Russia and are trying to expand their foothold east of the Black Sea. They are reported to have driven a wedge into the Russian positions.

CHURCH BELLS AGAIN

England's church bells are to ring again. Mr. Churchill announced yesterday that church bells could be rung on Sundays and other special days to summon worshippers to church. The ban would be off in time for Easter. Except on two special occasions—an Eighth Army victory and at Christmas last year—the bells have been silent since June, 1940. It was decided in those dark days that they would be rung only to signal an invasion.

Australian-manned Hudsons and Dutch-manned Mitchells made the raid. They struck within a few minutes of each other.

They started fires visible 30 miles away.

The Japanese have been showing considerable activity at air bases in Timor and other islands north of Australia.

The rest of the missions undertaken by General MacArthur's bombers were by single night bombers on armed reconnaissance.

One plane made a 1500-mile round flight to Hollandia on the north-west coast of Dutch New Guinea. It bombed the building area.

Other planes attacked the aerodromes at Gasmata and Cape Gloucester, in New Britain, and bombed and strafed buildings at Ward Bay, in New Guinea.

Heavy bombers attacked the aerodrome and installations at Lae.

Darwin Is Vital Link--Gen. Blamey

General Blamey said during a recent visit here that the Darwin area was a vital link in Australia's ring of steel, liable to attack at any moment.

General Blamey, who is C-in-C. Allied Land Forces in the South-West Pacific, was on a 6000-mile tour of Australia's northern defences.

He scrutinised closely from the air and ground the Darwin area's defence installations. He examined critically lines of communication, fire plans, co-ordination and organisation.

He has left the area confident that the troops here will acquit themselves as gloriously as their brothers in arms in the Middle East and New Guinea if the occasion arises.

General Blamey praised the men for their bearing and morale, and warned them that both would be put to the test before Japan was beaten.

Salient points of his addresses were:—

Every man must be in perfect physical condition and be prepared for individual fighting as well as fighting with his unit.

A proper mental attitude is as necessary as physical fitness. Every soldier must train on the assumption that he will be fighting soon, perhaps without much warning. Therefore, when the blow comes

he must be ready without having to readjust himself mentally.

The Jap is a low, cunning animal who will kill or be killed. Therefore we must meet him on his terms—kill or be killed—using our greater individualism and animal instincts.

The trained Australian is vastly superior to the Jap as a fighter, as evidenced by casualty figures in the New Guinea campaign. Australia lost less than 2500 men, whereas Australians alone buried 8000 Japanese dead.

At this very moment the Jap is making every effort to obtain air superiority as an initial step

to gaining control of movement. If he succeeds, he will be here before we know where we are. The carpet we lay for him will not have "welcome" written on it.

General Blamey said he believed the men in the area shared his thought that it would be better to be dead than under Japanese domination.

The Japs were a race which our civilisation had left far behind. We were in this area not because we wanted to be, but because we wanted to preserve our homes and our freedom. The resolute faces of the men he had inspected were sufficient to guarantee the enforcing of that resolve.

German Spy Chief Diminished

Admiral Canaris, head of the Nazi secret service, is reported to have been dismissed by Himmler, Chief of Police.

Canaris is one of Germany's most sinister men—and one of her least known. He is ruthless and efficient. A few months ago Hitler promoted him to full Admiral, though he has never commanded a ship. His secret service record

dates back to World War I, during which he engineered the death of that exotic spy Mata Hari. He was extremely powerful but always shunned publicity. German newspapers were forbidden to mention his name. Most Germans do not know he exists—and yet he was recently mentioned as a possible rival of Himmler as Hitler's successor. That may explain his fall from power.

HE MADE HIMSELF AT HOME-- A GLIMPSE OF ROMMEL

Motor Tours Banned In N.S.W.

All motor tourist traffic in New South Wales will be stopped as from April 30.

This will involve the cancellation of all tourist traffic licences issued under the State Transport (Co-ordination) Act of 1931.

Tourist services affected will include the seven-day tours to the North Coast and South Coast, and those which operate from the booking offices in Martin Place, Sydney, to Bulli, Katoomba, Hawkesbury Lookout, Palm Beach and city sights.

The services which for many years have conveyed tourists from Katoomba to Jenolan Caves and all other resorts on the Blue Mountains will also be stopped.

Australian-wide reduction of the motor car speed limit from 40 to 30 miles an hour will operate from April 21.

Only vehicles used by the defence services and in special circumstances cars engaged on emergency services by the police, fire and ambulance brigades and A.R.P. will be exempt from the limit.

More-Coal Campaign

The Miners' Central Council will ask the Commonwealth Coal Commission to carry out a publicity campaign throughout Australia to lift coal production. The council will offer the services of its officers.

It will also make a strong appeal to members at mass meetings on May 8 and 9, when endorsement of last week's Miners' Convention decisions will be sought.

SCHMELING CAPTURED

Paris Radio declares that Max Schmeling, former world's heavy-weight champion boxer, who was reported to have been killed during the invasion of Crete, has been seriously wounded and taken prisoner by the Russians.

Nazis' 3 Smokes A Day

Because of the increasing shortage of tobacco, the cigarette ration in Germany has been reduced to three a day for each smoker.

Tobacco and cigarettes have been rationed in Germany since the beginning of the war, but because of large stocks seized in occupied countries, the full effect of the ration has not been felt until recently.

The name of Rommel, arch-enemy of the Allies in North Africa, is a household word; but the man himself has been shadowy, elusive, little known. Here is a glimpse of him from W. J. Munday, Australian war correspondent.

M. Pierre Fages, rich with his own 20,000 olive trees, was sunning himself before his house 10 miles from Sfax (Tunisia) on February 24, when a big open car flashed down the drive. There was a German officer standing in it, holding on to the windscreen for support. And M. Fages, who was a commandant d'artillerie in the last war, does not like Germans. His bushy eyebrows and his fierce upturned moustache bristled, and his eyes flashed fire as he threw back his head and roared, "Who the devil are you?"

M. Fages was abashed by the reply, "I am Rommel, and I have come to stay with you for a little while."

But that day was merely the first of 21 more days during which Rommel stayed as a non-paying guest—21 days during which M. Fages and his wife, lived in the servant's quarters while the Nazi

but nevertheless fairly and firmly, M. Fages told me, "He is a great soldier."

"Rommel," M. Fages adds, "is nothing like the tall commanding figure he is represented in all his pictures.

"He is a short man with ruddy complexion and a round face, who is neat and always simply dressed."

All the time M. Fages knew him, Rommel wore the same shoddy khaki drill uniforms issued to German troops. Only a silver band across his cap denoted his high rank. But there is no doubt that Rommel is a most worried man. All day and half the night he worked with his staff officers in the study in M. Fages' house, or in his own caravan parked in the courtyard. His own private aeroplane was in a field nearby. He had masses of flowers cut from M. Fages' flower beds put in his

ANIMAL ANTICS STARTLE NAZIS

Four donkeys and a camel wandering about near a strongpoint north of Sfax (eastern Tunisia) kept a German company firing their mortars and artillery all night.

The animals were driven over the hills near the Germans by U.S. troops, who thought "it was kind of quiet" in their sector.

"I guess the Nazis must have

been mighty fidgety," drawled a Virginian sergeant.

"They figured it was a night attack and let off light signals and flares which brought up two aircraft.

"They fired all night. But they didn't shoot the animals, and they sure didn't hurt us much.

"They pulled out next day, and we occupied their positions."

war chief brooded in the panelled rooms of the Fages mansion or strode gloomily and thoughtfully through the olive groves. There were, of course, staff officers from the German command with Rommel, and the best of everything went to them—meat, eggs, chickens and vegetables from far around.

Madame Fages' best linen went on their beds and on the dining table. All her silver went into their quarters, too. You would have thought that Rommel would have been grateful. But no. On March 15, M. Fages woke to find that Rommel and his men had gone in the night. They had slipped away in the darkness without saying thanks, and they had taken all Madame Fages' silver and linen with them.

M. Fages is fairminded. He saw Rommel as one soldier sees another and grudgingly, perhaps,

room, and his only relaxation and exercise were long walks each morning and evening in the olive groves. It was only of flowers, olive trees, and farming generally that he spoke to M. Fages. Never did he speak of war.

Flagons of wine, lots of fresh meat, vegetables and tobacco went into the Germans' quarters in M. Fages' home. But M. Fages believes that Rommel had none of them. He lived as a simple soldier, not smoking or drinking, and eating the ordinary soldiers' rations, while the Nazi officers glugged themselves.

Rommel yielded to only one weakness. He loved fruit, and every meal ate a whole tin of canned fruit himself.

MOTOR IMPORTS.—New commercial motor vehicles are being imported under lease-lend from the U.S. for essential users in Australia. They will be assembled here.

British Plane Output Still Rising

British Aircraft Production Minister, Sir Stafford Cripps, said yesterday that British aircraft output for the first quarter of 1943 was 55 per cent. more than for the first quarter of 1942.

Heavy bomber production had been three and a half times as large, he said. The aviation industry was the largest single industry in Britain. Nearly 15,000 firms were making aircraft parts. Nearly 40 per cent. of employees were women. The programme would continue to increase throughout the year.

EVATT SUPPORTED

Australian External Affairs Minister, Dr. Evatt, now in Washington, is reported to be finding growing support in the U.S. for his requests for adequate aid in the South-West Pacific.

A correspondent reports that Dr. Evatt said that people in the U.S. were anxious lest, by over-concentration of power on other fronts, Japan should be encouraged to go her hardest in the Pacific.

DOUBLE-HEADED PENNY PROVD TO BE UNLUCKY

For having a double-headed penny on April 3, Maitland William Primmer, 26, was sentenced to three months' gaol at Sydney Central Police Court.

When Sergeant Goode said that a double-headed penny was used to cheat at two-up, an illegal game, Primmer replied: "Surely there can't be any rules in two-up if it's illegal."

Tram Woman Beaten Up

Resisting two men who attacked her at Circular Quay, at night, Mrs. Robin Foster, tram conductress, was punched unconscious and robbed of a money bag containing £3. She was on her way to report to Fort Macquarie depot after work. She is now in hospital.

Hours To Be Staggered

To relieve peak-hour transport pressure, powers are to be taken by the Commonwealth Government to stagger opening and closing hours of shops, offices, departments and picture theatres in all capital cities where effective staggering is not already in operation. This was announced by Federal Transport Minister, Mr. Lawson, in Brisbane.

WHAT IS HAPPENING AT HOME

Money In Harness

A waggon outfit brought £95 at an auction sale at a Glebe (N.S.W.) livery stable. Five hundred buyers attended the sale. Harness was most in demand. It is almost unprocurable. Harness sets many years old brought up to £100, including a 25-year-old horse and harness for £27.

RELIGION IN SCHOOLS.—Speaking at a people's service at St. Paul's Cathedral, Melbourne, Mr. N. H. Mackneil, headmaster of Wesley College, said that religious instruction in schools was unskilled. A teacher should deal with the questions of real interest to youth, such as self-control, hardiness, discipline, courage and compassion. Christian views on such subjects should be taught, not neglecting their social implications.

BIG WOOL CLIP.—Wool appraised in Sydney this season appears certain to exceed 1,000,000 bales. This will be the 18th year in which the turnover has passed the million mark. Increased quantities have been appraised in Newcastle and Goulbourn this season.

Work Stoppage "Un-Australian"

Declaring that the stoppage at the big N.S.W. plant of Commonwealth Aircraft Corporation was utterly unjustified and un-Australian, Mr. D. V. Morrison, Conciliation Commissioner, refused in the Arbitration Court in Sydney to hear any claims while the men were on strike.

Work has been held up since Friday and 2200 workers are idle on alleged victimisation and other issues.

Mr. Morrison said: "This Court will not hear any matters in dispute because a man is called up and someone says something about it to someone else. I've been dealing with unions for 20 years and I cannot understand why men walk out like this on such issues."

Home Security Minister, Mr. Lazzarini, told a big Labour conference at Wollongong that the Federal Government and the Labour Party were worried about the spirit of anarchy developing in some trade unions. Anarchy was not in keeping with the spirit of the men who built the trade union movement. Unless trade unionists disciplined themselves, the movement would be killed.

LIMBLESS RETURNEE TO WED

—John Blackburn, A.I.F. returned, who had both arms severed below the elbow and was blinded in the right eye by a bomb explosion, will wed pretty brunette Margaret Smith at Claremont (W.A.) Christ Church next Saturday. The bride to be, who is a nurse at Claremont children's hospital, has known John most of her life.

NEW STOCKINGS FOR OLD.

—Since a Melbourne store announced it would dye old stockings a uniform colour, stockings have been pouring in. They will emerge a "suntan" shade which was unheard of in years gone by when many of them were made.

ROUNDED UP BY A.W.C.—Mervyn Crane, truck driver, of Marion Street, Camperdown, who pleaded guilty to having failed to continue work during hours of duty fixed by the Allied Works Council, was fined £10 at Sydney Central Summons Court.

TUBELESS TYRES.—South Australian pioneer of the tubeless tyre, A. Whiting, of Mile End, has been asked by the Army Inventions Board to make further experiments. This is a result of Whiting's recent 1273 miles test trip to Melbourne and back.

NEW POLICE BUILDING.—Second section of the new police headquarters in Russell Street, Melbourne, will be opened by Chief Secretary, Mr. Bailey, on April 29. Already £90,000 has been spent on the building.

BY-ELECTION.—The by-election for Oxley seat in Queensland State Parliament caused by the death of Mr. T. Nimmo (Country-National) seems certain to result in the election of Mr. T. C. Kerr (Country-National). Latest figures are Kerr 4740, F. C. C. Dittmer (Labour) 3838, Mrs. Nora L. Solly (Ind.) 861.

MUSEUM ROBBED.—Pistols used at the Eureka Stockade and ancient medals were among articles stolen from Ballarat Historical Society's Museum at the weekend. A collection box was emptied. Small boys are suspected.

FIGHTING FIT ON GOANNA DIET

An Australian Army unit which conducted an experiment in diet control carried a wheat grinder and ground wheat as it went along for use as basic food.

Aim of the experiment was to find a diet that would counter the debilitating effect of life in the tropics.

The whole of the meat ration came off the land. It included crocodile tail, beef, kangaroo, geese, bush turkey, galahs, goannas, fish and fresh-water crayfish. Lucerne powder was used in stews and broths.

The unit emerged from the test without a single casualty and in splendid condition.

SLY GROG.—Louis Probert, of Fitzroy Street, St. Kilda, manager of Waldorf private hotel, was fined £40 at St. Kilda Court on a charge of selling two bottles of brandy and a bottle of gin without a licence. According to police evidence Probert said: "This was to have been my last night selling drink, so it shows how unlucky I am."

TRAIN HOLD-UP.—Train services on Sydney suburban lines were disorganised for six hours when an electric signal power cable short-circuited between Summer Hill and Lewisham.

OLD FAVOURITE.—Gladys Moncrieff scored a personal triumph at Sydney Theatre Royal on Saturday night, when she returned to the Sydney musical comedy stage in "The Maid of the Mountains."

FATAL JUMP.—Jumping from the Mildura express as it was leaving Red Cliffs station, Mrs. Marjorie Ellen Harris, 33, of Seventh Street, Mildura, suffered fatal injuries. After the train started, an infant fell onto the platform and it is thought Mrs. Harris jumped from the train to protect the child.

MONEY FOR CHINA.—The Melbourne Lord Mayor's China Famine Relief Fund of £25,000 has been oversubscribed. Yesterday it stood at £25,359.

POPULATION NEED.—Archbishop Mannix addressing Roman Catholic journalists in Melbourne said that there was a time when Australia felt very secure because Britain ruled the waves but he was afraid Britain's rule of the waves in future would be very much curtailed. It was impossible to contemplate Australians holding this country unless the population was increased rapidly after the war.

RECORD RAIL EARNINGS.—N.S.W. railway earnings this year will break all records. Revenue for the first nine months of the current financial year totalled £24,975,118. The year's revenue is expected to exceed £30,000,000.

Baby's Second Rat Bite

A 13-months-old baby girl, Michelle O'Keefe, of William Street, Ashfield, Sydney, has been bitten for the second time by a rat. It embedded its teeth in her cheek. The baby was given an anti-tetanus injection. The child's father declared the rats came from a nearby council refuse dump.

GREEK COMPLAINT.—Consul-General for Greece said in Sydney that many Italians running fruit shops were posing as Greeks. Mr. Grives, editor of the "Greek Herald," said that some Italians pasted Greek badges on their windows to deceive the public. Good Greek patriots suffered through these deceptions.

3 YOUTHS RESCUED

Three youths were rescued from drowning after their 15-ft. yacht had capsized in the bay between Mentone and Mordialloc (Vic.).

One lad was taken from the sea after he had swum close to the beach. The other two climbed onto the yacht and were rescued by the police two miles from the shore.

John Grenville, 15, of Bay Street, Mordialloc, was held up in a rough sea by Alex Leo Fergusson, 19, of James Street, Mordialloc, while Jack Fergusson, 17, of Eveline Street, Mordialloc, attempted to reach shore for aid.

The Fergussons are cousins. Alex Fergusson has been on service with the A.I.F. in New Guinea. Jack is a member of Parkdale Lifesaving Club.

Murder-Trial Begun

The trial was begun before Chief Justice Sir Frederick Mann in the Melbourne Criminal Court of Norman Morris Searle, 25, of Stawell Street, Burnley, fitter and turner, on a charge of having murdered Senior Constable Frederick Edward Jones, 42, at Richmond on March 1.

According to the Crown case Searle told the police that he had shot Jones because Jones had locked him up, smacked his face, and called him an objectionable name. Searle had then said: "No man can do that and get away with it."

The Crown case had not been completed when the court adjourned.

More Big Axis Planes Destroyed Off Tunisia

Allied fighters shot down 12 more Junkers transports, besides eight other Axis planes, on Monday, making at least 70 transports destroyed in two days off the coast of Tunisia.

In two weeks the Nazis have lost nearly 150 large transport planes over the Mediterranean.

The battle against the armada of 100 Axis transports plus fighter escort, which began on Sunday afternoon, continued into the night and a further 10 transports were destroyed, bringing the total losses for the day to 84.

A message from Cairo suggested that the planes carried wounded German officers and specialists whom Rommel was anxious to evacuate to Italy.

Last night's Allied North African communique reports that the French on the central Tunisian

front easily repulsed a German counter-attack and that there was active patrolling in all other sectors.

The communique says that it is known that three additional enemy fighters were destroyed in the air battle on Sunday.

Fighters swept over forward areas of the front, destroying four enemy planes. Medium and light bombers attacked an airfield. Fighter-bombers attacked a concentration of enemy tanks.

Flying Fortresses of the strategic air force attacked the docks at Tunis. Light and medium bombers attacked Axis airfields and started large fires. Twelve Allied planes are missing.

General Montgomery travelled in a Flying Fortress on Monday to see General Eisenhower and other Allied Chiefs.

What They Take

In these days of commodity shortages, thieves have been making bulky hauls such as these:—

The front fence of a house at Thebarton (S.A.)

Fifteen sheets of galvanised iron from the fence of a furniture factory in Adelaide.

Sheets and blankets from a bed in a house at Windsor (S.A.)

Fierce Sea Battle

London announces that one of the fiercest battles of the war has been fought in the Atlantic between Allied Liberators, Fortresses and Sunderlands and U-boats.

The fight lasted four days. It began when packs of U-boats stalked two big Allied convoys, carrying highly important cargoes.

A number of ships were lost but many were saved by the planes which were able to give the convoys courses to avoid a number of U-boats and which made 19 attacks on the submarines. Australian Sunderlands took a prominent part.

NIGHT RAIDS ON EUROPE

Mosquito light bombers and Beaufighters raided a wide area of Western Europe on Monday night, including Brittany, Holland and North-Western Germany. A number of railway trains were shot up.

Whirlwind bombers attacked ships in the Channel. Two planes are missing.

During yesterday more Mosquitoes raided Belgium and fighters "did over" a power station in Northern France.

British fighters shot down a German fighter over the Thames Estuary.

NEW MANPOWER COMB-OUT

Federal Director-General of Manpower, Mr. Wurth, said yesterday that the manpower position was so serious that heavier demands would have to be made on unessential industries. More part-time labour would have to be used immediately.

Bruce Tells London Of Australia's Peril

Australia's High Commissioner in London, Mr. S. M. Bruce, said in London yesterday that he felt that the mounting Japanese danger to Australia and the South-West Pacific had not been sufficiently realised in Britain.

If it had been realised, he said, some criticisms made of Australia and the speeches of her leaders would never have been uttered.

Mr. Bruce reviewed Australia's war effort and pointed out the great strain that the war had imposed on the nation's manpower.

BURMA AMBUSH

On the Mayu front in Burma the British ambushed 200 Japanese and killed 25 and wounded many more.

British air attacks included intensive fighter sweeps in Arakan, and bombing of the Mayu Peninsula and the Jap air base at Toungoo.

HITLER'S BIRTHDAY

It was Hitler's birthday yesterday. He is 54. He did not make his usual birthday speech. While Berlin Radio was wishing him many happy returns, a voice cut in: "Down with Hitler! Down with his gang!"

SPORTING NOTES AND RESULTS

VIC. HEAD OF THE RIVER.—

The winners' final of the 1943 Melbourne public schools' boat races will be contested on Saturday by Melbourne Grammar and Scotch, which beat Wesley and Xavier in the heats rowed on the Henley course over a distance 93 yards short of the full mile. There was an attendance of about 5000 to witness the racing. Geelong schools did not compete.

TAS. SCHOOL ROWING.—

Hutchins won the Tasmanian schools' head of the river on the Derwent River. Hutchins took the lead 300 yards from the finish and won from Friends and St. Virgil's. Hutchins' No. 1 crew won the junior event by eight lengths from Friends and Clemes. Clemes won the Old Boys' race and Northern second and Friends third.

BRISBANE FOOTBALL.—

Rugby league: Brothers beat Valley 6-5. Union: G.P.S. beat Eagle Junction 12-10; Varsity beat Brothers 10-5. Australian Rules: Windsor, 13-17, beat Kedron, 10-10; Western Districts, 4-14, beat Mayne, 1-10.

W.A. EASTER CUP.—

Red Runner, who won the trotting blue riband as a three-year-old, has won the W.A. Easter Cup. Once owner-driver C. J. Cunningham gave Red Runner his head the horse did the rest.

DISQUALIFIED.—After a rough wrestling bout at Adelaide Stadium,

Hughie Whitman (S.A.), beat Sammy Rogers (N.S.W.) who was disqualified in the sixth round after each man had gained one fall.

MEDIOCRE BOXING.—

Billy de Belin, 10.4, technically knocked out George Cook, 10.12½, early in the ninth round at Brisbane Stadium. De Belin is regarded as a contender for the Queensland welter title held by Tommy Burns but his display against Cook was unimpressive.

HOBART TROTS.—

At a trotting meeting at Elwick Showground, Hobart, Peggy Pedro won the Comfort Plate by 14 yards from Jimmy Dorell with Pronto Boy third. Diamond Globe won the easter plate from Flying Pedro with Shanks third.

CYCLIST'S DOUBLE.—

Maurice Smith, 17, won the professional mile handicap off 90 yards at a cycling carnival at Payneham Oval, Adelaide. He also won a first-class scratch race of eight laps in 7 m. 22-5 s.

HUGE FIELD.—

No decision has yet been made by Williamstown Racing Club Committee how surplus acceptors will be balloted out of the meeting to be held at Flemington next Saturday. There is a huge field for the Federal Welter, more than 100 horses having been weighted. Limit for the mile barrier at Flemington is

25 and, as the Federal Welter will be divided, all acceptors over 50 will have to be balloted out.

PRESENCE OF MIND.—

While exercising at Flemington, a yearling from Elwood Fisher's stable threw his rider and galloped away. A boy riding Foxhow tried to head the youngster off and Foxhow caught a hoof in a sewer grating and fell. The boy, with rare presence of mind, managed to keep the horse down. Foxhow was not seriously hurt.

EARLIER RACES?—

The A.J.C. and the V.R.C. are expected to ask the Prime Minister to allow race meetings to begin half an hour earlier during the winter. Clubs will not be able to hold a seven-event programme soon if they cannot start before 1.45 p.m. It is not safe to race after 4.45 p.m. in June and July.

BRILLIANT STEEPLECHASER.—

Winterset, Victoria's best steeplechaser, schooled brilliantly at Flemington. From the time he rose at the first fence till he landed over the last of 15 obstacles in a round of the steeplechase course, his time was 2 m. 41½ s.—easily a record. Winterset was ridden by Laurie Meenan. He defeated five other jumpers. Because of manpower shortage, there is little prospect of steeplechasing at Mentone (Vic.) course this winter.

Report on Carrier Pl Exercise

28 April to 1 May 43

Appx J

28 April Moved from camp area West to creek crossing 114895 ref map JACHEROR-
AVERAGE RIVER. Moving further West along line of creek bed it was endeavored to
find a route through range of hills running approx North-South. This was
finally abandoned and the carriers moved back to creek crossing. Later in the day
one carrier did find a route North along a valley between the ranges but the
going was difficult and some trouble was experienced in negotiating swampy
areas.

From creek crossing the main body of the carriers moved
in a North to North West direction for 4 miles where a creek running NE was
crossed. After this difficulty was experienced due to boggy nature of ground.
One carrier was sent fwd to try and locate North West Track but became
bogged after proceeding a further 1/2 miles North West. As it was then becoming
dark it was decided to bivouac for the night. Good water in plentiful quantity
was obtained from a nearby creek. Bivouac area was approx 103560.

29 April

From biv. area the Pl moved in a NE direction for approx 1 mile
when further progress was barred due to swamps to North ^{& West} and creek on East.
Finally by crossing to the East of the creek and then recrossing to West
side this obstacle was negotiated and the movement continued in a
general northerly direction. Many detours were necessary to pass swamp
patches however and some trouble was experienced with carriers bogging.
NW Track was reached at lunch time and the movement then continued West
along this track for 7 miles to where the track leads into a swamp. At this point
the track was left and a route around the swamp to the South looked for.
Progress was continued South for about a mile and thence across another creek
flowing strongly to the West. After crossing the creek a turn West was made
but much difficulty was experienced in making further progress due to swamp.
One carrier managed to reach the railway line before dark but remainder
were forced to biv for the night. Biv area was approx 000615 (ref map
JACHIN & ENVIRONS No 5.) The carrier which made the crossing successfully moved to
An biv area at TUMAHING WATERS

30 April

In the morning it was endeavored to find a route along high
ground to the sky line. After exploration to the South this was abandoned
and a direct route West from biv area was taken. This entailed crossing
a further creek and swamp. Considerable difficulty was experienced by
some carriers and after searching firm ground it was decided to remain

2

There overnight, and await arrival of fresh rations and petrol supplies. Good water was again available in the creeks. Div area approx (995618) PARWIN & ENVIRONS sheet 5.

1 May

The movement was continued West to rly line and thence South along track on West of rly. to junction of West Track then East along track to camp. Again considerable time was taken in negotiating swampy areas lying across the tracks. The last carrier arrived back in camp area at 2145 hrs.

Topography

The whole of the area traversed was for the most part flat and swampy and without considerable difficulty and slow movement is impassable to tracked vehicles. Wheeled vehicles would be unable to move across this area.

Good water was plentiful in the creeks though these supplies would probably dry up shortly after the end of the wet season.
