WEEKLY REPORT OF S & T SERVICE

FOR WEEK ENDED 4 MAY 45

D.D.S.T.
1 Aust Corps.

EQUIPMENT: (a) 12 x 7T Semi Trailers have been converted, and wheels tyres etc have now been received. Job should be completed today 4 May 45.

(b) Advice has been received that 300 tarpaulins for 6 B.S.D. have been despatched from South. These will follow if not received in time. No information has been received yet of provision of remaining depot equipment.

UNITS: 2/4 MAC have received reinforcements which complete the unit to approximately 98%.

OFFICERS: (a) T/Capt S.F. CHILTON.
A report was submitted to commander on flagrant disregard of instructions of T/Capt CHILTON, OC 2/2 Fd Baking Coy in the use of operational and non-operational vehicles, and non-conservation of transport. Commander 1 Base Sub Area has taken a very serious view, and has submitted an adverse report to Qld L of C recommending his removal from the company.

(b) Lt KIBBLE, HQ 2/2 Fd Baking Coy has applied for release on compassionate grounds.

(c) It is noted that on List 78 that Lt F.J. BARRON has been posted 2/156 Gen Tpt Coy not as recommended by you as super to HQ 2/106 Gen Tpt Coy.

(d) Also in List 78 Lt B.A. STERN is shown super to 2/6 Sup Depot Coy, not to 2/26 as recommended by you. I presume this is an error.

(e) Advice has been received that the posting of Capt STERNES to 4 BPS Coy is to stand in spite of recommendations to the contrary. (MS 31838 of 27 Apr 45).

Army Form C.2118.

Unit Hq 1 Aust Base Sub Area "B" Detachment — Date and Time.—From 1 May 45 To 31 May 45

Place.	Date.	Hour.	Summary of Events and Information.	Remarks and references to Appendices, Diaries, &c.
TARAKAN	1 May 45		1. The circumstances under which this Det of Hq 1 Aust Base Sub Area came into being, are, so far as is known, as follows:- (a) 9 Aust Div applied through 1 Aust Corps to Adv LHQ for an establishment for a temporary Base Sub Area to service the Garrison Force at TARAKAN on the withdrawal of 2 Aust Beach Gp and 26 Aust Inf Bde on completion of operation CBOE ONE. (b) Adv LHQ instructed HQ MOROTAI Staging Area to nominate a suitable staff for the purpose. (c) Just at that time - 25 Mar 45 - HQ HOLLANDIA Staging Area was disbanded and personnel absorbed by HQ MOROTAI Staging Area - both Staging Area HQ being comprised of personnel of Hq 1 Aust Base Sub Area. (d) HQ MOROTAI Staging Area therefore nominated personnel [illegible] - all but two being personnel from HOLLANDIA, and the composition of the temporary Base Sub Area at TARAKAN was approved by Adv LHQ memo AG212.151 of 14 Apr 45, ~~Copy attached~~. 2. The detachment was placed under command 26 Aust Inf Bde and allotted to 2 Aust Beach Gp for the period of the operation. ~~An advance~~ party of three was ordered to accompany the Beach Gp, balance of HQ to arrive on follow up convoy. 3. Under instructions from DDST Adv LHQ the ST staff of the Det was instructed to accompany HQ 1 Aust Air Maint Coy and to work with that HQ until this HQ commenced its normal functions. 4. Accordingly QX48791 Capt D A SUTHERS, Comd of the det embarked with 2 C/R at MOROTAI on HMAS MANOORA on 23 Apr 45 and landed at TARAKAN at H plus 60 mins on D Day - 1 May 45	~~Appx "A"~~

Unit HQ 1 Aust Base Sub Area "B" Detachment — Date and Time.—From 1 May 45 To 31 May 45

Place.	Date.	Hour.	Summary of Events and Information.	Remarks and references to Appendices, Diaries, &c.
TARAKAN	3 May 45		5. The ST personnel viz VX30174 Capt C G DWYER and three O/R embarked at MOROTAI on LST 466 on 22 Apr 45 and disembarked at TARAKAN on 3 May 45.	
	7 May 45		6. The balance of the HQ personnel embarked at MOROTAI on 4 May 45 on HMAS WESTRALIA and disembarked at TARAKAN on 7 May 45.	
	8 May 45		7. Initial difficulties met with were as follows:- (a) Composition of det as originally approved contemplated that the det would be attached to the Garrison Comd's HQ and in effect act as an increment to his staff. This scheme was discarded and it was decided that the det would function as an independent HQ responsible to the Grn Comd for local adm of the area. (b) This revealed weaknesses in the composition of the det, particularly (i) absence of cook and general duty pers (ii) absence of vehs. After considerable difficulty approval was received through 9 Aust Div for the addition of one cook, one batman, and 2 jeeps, to the original establishment, all of which were provided from the resources of HQ MOROTAI Staging Area. (c) Both HQ 26 Aust Inf Bde and HQ 2 Aust Beach Gp displayed a remarkable haziness of thought about the functions of this HQ - a haziness which has not yet been entirely dispersed. Clarification is still awaited as to what units will be placed at the disposal of this HQ for the purpose of maintaining the Grn Force. (d) Notwithstanding that this HQ has no units under comd, HQ 26 Aust Inf Bde instructed that this HQ make an allocation of tonnage of stores allowed to be carried in the follow up convoy by what were described as "Base Tps" but which in fact also included LHQ units which had not t

The allocation of total tonnage had been made entirely arbitrarily without any reference to the units as to their essential requirements, and the allocation made by this HQ had therefore to be arbitrary also, as shown in Appx "B".
