Covering minefield 'A' on MAIWARA RD.

(b) One gun (B.() Route 9 MATWALA VILLAGE aron. . BETTA OFFIE BYS HAR VILLEUM

Covering Labour Lines Rd.

- (c) One gun (1.3) 1511 Contill Contill
- (d) One gun (B.2) vicin. Dovering rd junc. ity junc Routes 3 and 9
- (e) One gun (A.2) BuHQ Govering minefield 'B' and Route 3.
- (f) One gun (A.4) Radio Covering Route 3. Locator area.
- (a) Four guns on beach A/A defence and engagement of mouth MAUIAM CK. of enemy MLCs in bay.
- One gun (with .5 AMC) Loute 1 GILI GILI JETTY area 030905.
  One gun (with .5 AMC) on beach GILI GILI area 040991.
  Task: Engagement of enemy MICs with MMGs engaging landing tps, and A/A defence.
  One gun (with .5 MMG) Route 3 at 990989. Task: A/A Defence and A/Tk defence on Route 3.
- (a) Fwd Guns: Guns C.1 (008970) and C.4 (025978 (039991) situated in the fwd area on the beach will be used for anti-barge defence.

  (b) Rearward guns: Guns 'D' Tp (989986) on Route 3 will be used for targets as required within the area.

(a) Locations along coast and river. (A) Master light D Coy area 009970. (B) 009972. (C) 010977. (D) 017975. (E) C Coy area 018976. (F) Master light C Coy area, 025977. (G) 027983. (H) 027984.

- (b) R.1 A Coy area 985966; R.2 989964; R.3 997963; R.4 000967.
  (c) Policy: On warning of possible landing on shore of MILME BAY one man from sig plander from 'I' Sec will proceed per boat to HAIWOLA ISLAND, taking with them Lucas lamp, map, binoculars, compass, material for noting observations, they will also take with them their arms and equipment, material for anti-malarial precautions (mosquito net, cream, facenet, quinine for three days), water and rations for three days.
  (d) When enemy forces cross the line drawn north and south from observers' pcsn signaller will signal with Lucas lamp to the master lights (A 009970 and F 025977) on beach.
- (e) On receiving this signal master lights will sweep the bay to pick up any enemy craft. The arty will engage targets immediately they come within range, other lights will NOT be switched on at this stage. (f) Remainder of lights in both C and D Coy areas will be fixed in relation to the MMG or I fixed lines of fire, and will NOT be moved off this line, only to be switched on when one white flare is fired by the coy comd on whose front landing seems imminent.
- (g) Lights in A Coy area on MAIWARA RIVER will be mounted on stagings constructed to give suitable beam over fallen scrub, etc., on the southern side of the river. These lights will only be switched on when a green flare is fired by the pl comd in whose area the light is situated.
  - Route 3 will be prepared to counter-attack and restore the posn in either A, D or C coys as required. HQ Coy less detached and elements of Bn HQ will be organised and plans prepared for counter-attack.

- 4 -

- 9. Carrians : One see tracer soud D Coy S./L Pioneer Bn, with guns dismounted Tom rised line tasks in that cor asea.
- 10. Priority of Table 1 (a) Wiring It is ossential that all wiring be completed to a priority issk.

  (b) Clearing of long grass and other obstacles from fields of fire, followed by 
  (c) Development of weapon pits and defensive localities.
- 11. Ammn. Supply: Mach coy will maintain 30,000 rds .008" SAA and 7000 rds .45" ISMG, and also 308 No.36 HE grenades (4 sec 260 (or two per man), and 7 sec 48) in its coy area.
- 12. Demolition: The following bridges will be prepared by the pioneer pl for demolition: (a) Bridge RICKETY CK Route 9 007973; (b) Pridges junc Fouled 5 and 9 009977; (c) Bridge LAUIAM CK, Route 3 029989; (d) Bridge AWADUMA CK Route 1 043994. (Orders regarding the responsibility for this task will be issued separately
- area. (b) Field 'B' Foute 3 (008978) B Coy area. (c) Field 'C' on Route 3 (023979) LADAVA MISSION area. (d) Field 'E' Route 1 south AWADUMA CK, (041994) GILI GILI JUNTA area. (e) Field 'F' Route 1 (018005), Slaughterhouse area.

Minefields will be guarded 24 hours per day by coys in whose areas minefields are laid, and laid on orders of C.O. in posns already

indicated.

- 14. Pioneers: Pioneers will develop and complete A/Tk obstacle on Route 3 already commenced, and will supervise the construction of tank destruction areas in conjunction with O.C., A/Tk To under comd.
- on his right and left and ensure that there are no gaps in the defence between coys.
- 16. A/C Policy: Enony A/C will NOT be fired on by small arms fire, unless our tps are being directly attacked, and that the enony A/C are within range. If attacked all small arms will engage enemy A/C vigorously, but under the direct control of the senior offr or NCO in the pl area.

By day it can be expected that any assault in force will be attacked by our own A/C. This is extremely unlikely to occur at night.

- 17. Times of Stand-to: Stand-to for all fwd coys will be until further notice 0000 to 0600 and 1045 to 1930.
- 18. Patrols: All petrols will be supplied by 'B' Coy (orders for GIBARA patrol issued separately to O.C. patrol). On no account will the be removed from the wild area. for any reason, except evacuation to the RAP, without reference to BEQ.
- 19. Regimental Police: (a) A regimental police post will be establish don house 3 in En HQ area and will be maintained at all times.

  (b) The duty of the R.P. on duty at this post will be to contact all traffic, guide walking wounded to the RAP and to collect and a glass from the line, and to generally give directions.
- 20. Time Available: The time available to complete the defensive works programme callect be determined. It is therefore imporative that the tasks in hand be proceeded with at all speed.

ADMIN. ARRANGEMENTS

- 21. SAA Reserve \* Res for Br. EQ, HQ Coy, A, B and D Coys, and supp arms will be localed at Br EQ, for C Coy and D Coy 2/1 Aust Pioneer Bn and supp arms will be at C Coy HQ.
- 22. Rations: Two days' rations was will be maintained at each coy defended locality. In addition eight days' radions will be carried by the QM out of which three days will be issued when operations are imminent.
- 23. Water: Max quantity of water in containers will be held in all sec posts.
- 24. 'B' Ech.: QM will arrange for the dumps in present area to be in a state of readiness to be moved to another posm if circumstances require, and no movement is to be made until ordered by Bn HQ.
- 25. RAP: Until action commences all sick will be emphated to the RAP at its present position near Bn HQ. When action commences wounded from Bn HQ, HQ, A, F and D Coys will be evacuated to the RAP in its present posm. Wounded from G Goy and D Coy 2/1 Aust Pioneer Bn will be evacuated to the HAP established by the 2/5 Aust Fd Amb near the junc of Routes 1 and 3. Should this RAP be moved or destroyed evacuation will be direct to the ADS of 'B' Coy 11 Aust Fd Amb near the slaughterhouse.

INTERCOIN.

- 26. Bn HQ will remain in its present posn.
- 27. Signal Com: All coy HOs will be connected by line, A Coy HQ will have extensions to 3 and 9 pls, also to GIBARA patrol, thence to WAGA WAGA SOUTH.

W/T commo will be maintained between WAGA WAGA SO MH and Bn HQ 24 hrs per day. (Supplies being available) R/T sets SCR 536 walkietalkie' sets will be issued to coys and will be maintained individually. All coys will maintain one coy runner to be attached to Bn HQ permanently.

- 23. Air-raid Alarms: Air-raid alarm will be communicated to all coys under the present arrangement.
- 29. Gas Alarm: Each coy will place an empty 4-gal petrol drum in a central spot, and this drum will be beaten vigorously as a gas alarm. Infm that the enemy is using gas must be communicated to Bn HQ as a priority mersage, on the first indication of its presence. Respirators will be kept in sec posts when these are occupied.
- 30. Call for Defensive Fire: Pl comds will signal personally if an attack is made on their twent. The signal will be one green Verey light. Coy could will then signal personally when the attack is made on their coy from, the signal in this case owing three red Verey lights.
  - 31. Tacaward : This will be issued daily by En HQ.

32 . LCK .

Signed at 1200 hrs.
Issued by D/R and runner.

In                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | ignature of Bde                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

Ward From 0001 hrs. 28 Dec. 42 to 2359 hrs. 3 Jan. 43

## 9 Aust. Inf. Bn.

CHANCE OF COMD.: On Wednesday, 30 Dec., the C.O. (Lt.-Col.Matthews) and the second state and and and any one and the same test relinquished comd. of the Bn. The 2 I.C. (Major Sutch) was appointed adm. comd.

FIELD WORK: Throughout the week all Coys worked on gress cutting

and clearing in fwd defence areas. Every available man, including specialists from H.Q.Coy., was used on this work.

Morning mess paradeswere held at 0 700 hrs instead of 0730 hrs to enable the men tom make an early start. Considerable progress has been made, but it is expected that at least another week will be required to complete the work.

During the week E Coy. personnel were engaged on the construction of M.M.G. pillboxes in D Coy area. Two of these posts are being built at present.

'I' SEC. WORK: 'I' Sec. personnel completed the large scale map of

B.H.Q. area on Tuesday, 29 Dec. This map shows all topographical features and clearings within a radius of 250 yds of B.H.Q. on a scale of 25 yds to the inch.

During the week the large scale maps of the Coy. def, areas were also brought up to date.

PATROLS: On Friday, 1 Han., 17 pl., D Coy., which has been maintaining

the standing patrols on the SOUTH coast, was relieved by 16 pl., D Coy., under Lieut. Whyatt.

Pl. H. Q. remains at GIBARA, with outposts at WAGA WAGA (SOUTH), and GOMADODO.

The standing patrol at ELIBOLEBOLELI is still being maintained by 1 Sec., 10 Pl., B Coy.

INTERCOMM. : Comm. is still being maintained between Bn and Bde by W/T, L/T, and D/R, and between Bn and the SOUTH coast patrols by W/T and = L/T. The 101 W/T set at WAGA WAGA daily makes contact with the

101 W/T set at Bn. L/T is used for comm. with D Coy., 2/1 Aust. Pnr. Bn.

T.H.W.T.: On Tuesday, 29 Dec., the xx. C.O., 211 Coy. Comds. and

Lieut, Werda acted as umpires in the 61 Aust. Inf. Bn. exercise with tps. in the RABI area. The C.O. was chief umpire of the exercise.

On Sunday, 3 Jan., the Acting C.O., Adjt., Coy. Comds., and Carrier Offr. attended a sand table exercise held at 7 Aust. Inf. Bde from 0900 hrs to 1300 hrs. The exercise included the incorporation of inf., tks., and arty. in an attack on aerodrome defences and jungle and island terrain. Directing staff was the Bde Comd., Brig. J. Field, the B.M., and the 2 I.C. 2/5 Fd. Regt.

WORKING PARTIES: Bde working parties were supplied from the various Coys. on Monday, Wednesday, Thursday and Paturday, Dec. 28, 30, 31 and Jan. 2 respectively.

CHURCH PARADES AND MAKE AND MEND: O.P.D. and R.C. Church Bervices were held in their respective areas at 0900 hrs on Sunday, 3 An. The remainder of the day was devoted to make and mend purposes by all personnel.

SHE SHE RELIGIOUS AND AND AND AND

RUMOUR: A rumour that 11 Aust. Inf. Div. will be relieved shortly

by 5 Aust. Inf. Div., and that it will then return to the mainland, is at present very persistent throughout the Bn.

Dates mentioned for the time of departure are Jan. 8, 15 and

It is also strongly rumoured, in fact emphatically stated by some personnel, that 11 M.D.S. will evacuate to the mainland between 14 and 16 Jan.

The non-arrival of mail has also lead to the general kelicex inference that it is being held on the mainland until the unit returns.

The secs. impression is that these rumours are being circulated widely by the personnel of outside units attached to 11 Aust.

Inf. Div.

MORALE: Morale remains at the usual high standard,

MEDICAL: Evacuation of malaria cases to hospital dropped this week to 31, The lowest recorded some October.

DEMONSTRATION: On Monday, 28 Dec., a demonstration was given by for

four Mark LLL the near the junc. of Routes 3 and 9. All available personnel attended. The men were shown all features of the the, and were then given a demonstration of the the in battle formations, and their fire power. The general target was the mangrove fringe at the southern end of GABA GABUNA Bay, and floating drums in the Bay.

E.O. 9 Aust. Inf. Dn.

DENTAL UNIT: The attached sec. of 2/1 Aust. Dental Unit continued

throughout the week with its check on the dental healthof all personnel, although the absence of two members who are suffering from malaria continues to greatly restrict their work.

.... Lieuto

I.O. 9 Aust. Inf. Bn.

Capy ho. 4

To the officer commanding :-

(Books of 100)

- . (Division, Corps, Army or G.H.Q.) 1. You will establish yourself, Pl. H.Q. and one section in the village of GIBARA, disposing your other two secs., one at WAGA WAGA and the other at GOMADODO. (" C" of Dayy
- ("D" of Daily Strongth State, (Ax, Ay and Az of Daily Strength State, Strength State, 2. (a) A patrol will leave WAGA WAGA daily at 0730 and proceed to GOMADODO returning to WAGA WAGA. (b) A patrol will proceed from GOMADODO at 0830 hrs daily and will

establish contact witha patrol from Pl.H.Q. at GIBARA, meeting agree preferably at BUI BUI . od O

(c) A patrol from Pl.H.Q. at BIGARA will also proceed at 0730 hrs daily to establish contact with the standing patrol at ELIBOLEBOLELI.

- 3. You will commence the construction of a defensive position at the village of GIBARA immediately, large enough for Fl.H.Q. and two secs. This defensive position will be cleared and wired, and weapon pits constructed according to the plan laid down by the C.O.
- 4. In the event of enemy landing on the south coast of Milne Bay, the following action will be taken :-

(a) An immediate signal to B.H.Q. stating that the enemy has landed, followed by details of the strength of the force as it becomes available.

(b) If a landing is made east of WAGA WAGA the force there will stay in position and get as muchinformation about the enemy as they can. If the enemy advances westward, and the section at WAGA WAGA is forced to withdraw, the sec. comd. will take all his equipment with him, including telephone and R/T set, and will proceed to GOMADODO.

(c) If the enemy lands between WAGA WAGA and GOMADODO, the sec. at WAGA WAGA will continue to give information by W/T for as long as possible, and if forced to, will take to the mountains and make their way independently back to B.H.Q.

(d) The force at GIBARA will remain in its defensive position and continue to send back messages to B.H.Q. with accurate information as to the enemy's movements, strength, etc. The p/1. comd. must bear in mind that his main object is to gain information and if he can remain at GIBARA he will continue to do so, if necessary remaining there to the last man and the last round in order that communication to B.H.Q. can still be maintained. He will not leave the defensive area at GIBARA without orders, andwe he must take with him his telephone, and all his items of weapons and equipment.

In the event of an enemy landing between WAGA WAGA and GOMADODO, the sec at GOMADODO will remain as long as possible in order to gain information, and then proceed to Pl.H.Q., taking with/ it all articles of weapons and equipment, including telephone, after first advising 11. cond. of what is happening.

In the event of an enemy landing east of GOMADODO the pl. comd. will maintain his present makin section positions with constant patrolling on the roads, sending as much information back to B.H.Q. as can be asceptained.

#### 9 AUST INF. BN. ADMINISTRATIVE INSTRUCTION NO. 17

ply and oven distribution of native-grown fruit and vegeta is, ALL purchases will in future be made by ANGAU, from whom they will be col-

lected and distributed by ALSC.

The practice of units or individuals buying such produce from native or any other sources will cease forthwith, and it is pointed out that trading in Army rations is an offence, consequently any person who exchanges issue foodstuffs for fruit or vegetables is liable to a heavy penalty. The single exception will be spotting strates which are allowed an issue of tobacco for the purchase of goods from natives.

112: BOMB LOCATION AND DISPOSAL: No person other than RAE personnel detailed for the purpose will interfere with unexploded bombs, shells, exploded bomb from the news, craters, damaged buildings or installations. Souveniring energy amounition and components of bombs will not be permitted as these components, in the right hands may lead to valuable information being obtained.

Where bombs or shalls fall in coy, areas the coy, in the locality will be responsible for placing a picquet to keep all personnel outside a distance of 100 yds radius of all unexploded bombs and shells until the area has been inspected by RAE personnel specially trained in bomb

disposal and advice issued that the area is sale,

All personnel of coys should be instructed to report irrediately the presence of any crater, bomb, booby-trap, gas bomb, shell grenade, any explosive mechanism or any sample of gas contaminated material. This instruction is not, however, meant to deter personnel from making every effort to minimise damage caused by incendiary bombs.

5 Sec 1 Bomb Bisposal Coy will be responsible for the disposal of all unexploded bombs in the Milne Bay area. This sec will be assisted as required by squads from RAE units located in the Milne Bay area.

113. TRAFFIC CONTROL: 813 M.P. Coy (U.S. Forces) and 11 Aust Div Pro Coy are jointly responsible for traffic control in Milne Bay area.

114. ACCOMMODATION OF MATIVES: Instances have come to notice where natives have been permitted to share quarters with tps. Action will be taken by coy comes to ensure that this practice is not included in. Any natives who are employed in this area will be accommodated in native camps or otherwise, by direction of ANGAU.

115. BATHING: Troops are prohibited from bathing in the Wehuria Ck for a distance of two miles above the water-point at Wehuria Bridge (Map ref. Milne Bay provisional 053007).

NOT appear on parcels lodged at A.P.Os. The only information required is: (a) Address of addressee. (b, Full Jeseription of contents.

(c) Regimental no. and name of sender.

The sending by post of grenades, fuses, live cartridges or other explosives is strictly prohibited. It is not only a serious breach of regulations, but also a criminally lunatic act endangering the safety of postal personnel, direraft, shipping and mails carried.

It should be noted that severe dermatitie and burns are likely to be incurred by inexperienced personnel removing the filling from bombs,

shells, etc.

117. SECURITY: To prevent any possibility of the enemy gaining identification from mail, all personnel will immediately destroy envelopes and wrappers on receipt of personal mail. Stamps and contents may be retained provided that the letter contains no indication of addressee's unit.

(Over)

~ 2 ~

118: GREEN ENVELOPES - POSTAL CHARGES: In order to correct any misunderstanding which may exist in regard to postal charges on green envelopes posted on the mainland or in Tasmania, the attention of all

ranks will be drawn to the following instructions :-

(a) When the green envelope contains one letter only the green envelope will be addressed to the person for whom the letter is intended and bear the appropriate postage stamp. If it is intended that the letter be sent by air mail, the appropriate additional postage stamp will be affilted and the green envelope marked "By Atr Mail,"

(b) When the green envelope contains two or three letters - the

following conditions must be observed :-

(i) Each leiter and losed in the greet envelops must be placed in an addressed envelope which must been the necessary postage stamps and be lost unstable. The green envelope will be addressed to the "Doputy Base Censor" and will no bear my postage stamps.

(ii) The words "By Air Mail" must be written on the green enve-

for trarsmission by almail.

Letters, etc., not exceeding four ounces in weight, posted in Papua and New Guinea for delivery within the Commonwealth are exempt from postage. excert when airmail transmission on the mainland or in Tasmania is desired in which case the appropriate airmail fees are applicable.

119. CRENADE HAND NO. 60 IK.I (BAKELITE): A number of these grenades have been returned from units with the detonators inserted upside down. This is most serious as a high percentage of blinds will occur if the grenade is incorrectly armed. Inquiries have also shown that personnel are in many instances not conversant with the correct method of throwing. Following is the method of preparing and throwing.

To prepare the grenade: Remove the base plug and insect the detonator (which is issued separately) open end toward the striker. Replace the base plug and screw it well home. This is most important as
a loose detonator may prove dangerous, although the rubber support on

the base plug provides a safety factor.

weight. The grenade is then ready for through. Whilst it is in the air the tare will unwind and withdraw the safety pin.

The tape weight and pin must not be removed before throwing or a

premature will result.

120. MOTOR CFANSPORT: Work tickets, duly completed, are to reach the transport of 1800 now labor than 1800 hrs each Saturday.
