Fox and hounds scamper over the fields at a merry pace, when the discordant sounds of the Call to Arms is heard. The Nation goes to War to the tune of rousing marches, on the convoys going overseas, and on arrival in the battle areas. And then action - a glimpse into the realities of War. With Victory the Cease Fire is sounded, and the Last Post pays tribute to fallen heroes. With the satisfaction of a job well done, the troops march home again, and the Allied National Anthems are played in a stirring Finale.
