Dear Wal,  
Received your  
welcome letter on my return  
from Blighty on 29th Dec.  
Spent Xmas & Boxing day in  
London and believe me had  
some time. Did not have  
Arthur's address so could  
not get in touch..

This is a snap of  
the B.N. Cups won last  
year and which we hope  
to add to within the  
next month or so by winning  
Soccer, Rugby and Boxing cups  
now in progress.

Hope my understudy has  
been supplying the necessary  
information to you and all is O.K.  
Everything appears to be  
O.K. this end.

My interest is lacking at  
the present but hope to get going  
shortly. Thank Maddy for letter and  
Xmas card which I will reply to  
later. Best wishes for New Year  
Keep what you like.  
Len.
