6. RESUMPTION OF CIVIL ADMINISTRATION

With the return of more civilians to the Area, point was raised re repairs to civilian vehicles by the Army. Few parts are available for civilian repairs.

Applications for repairs to be submitted to 'Q' Branch who would ascertain from CEME if work could be done and if so give approval.

The matter of petrol issue to civilians was discussed - it was stated that Shell Coy could not themselves act as retailers, but was endeavouring to locate suitable personnel to carry out this function

General discussion on charges for telephone calls to Civilians in the Area. CSO Rep. advised no charge for local calls, but trunk calls must be paid for in advance. Army postal Service could handle sale of stamps and postal notes and mail. It was pointed out that they could not handle such matters as pensions and child endowment. The urgency of the return of the PMG to the Territory was stressed.

7. MEDICAL

The hospital at Alice Springs would be taken over by Dept of Health on the 5 Dec and Tennants Creek on the 20 Dec.

Percentage of AMF personnel in NT hospitalised as at 14 Nov 45 - 88%.

AUSTRALIAN MILITARY FORCES - NORTHERN TERRITORY FORCE

Headquarters N.T. Force (AIF),
Den45/29/249,
3 Dec.'45.

RECEIVED
4 DEC 1945

"A" Branch,
HQ N.T. FORCE.

WAR DIARY - DENTAL SERVICES - FOR MONTH ENDING 30 NOVEMBER 1945.

The month of November has shown a considerable decrease in the number of troops in the Area and the resultant decrease in the amount of treatment required has been most evident. However the movement of 73 Aust. Dental Unit to Vic L of C Area for disbandment has reduced the number of dental sections in the Area, further reductions are anticipated to 31 December 1945.

The following change in location has been effected:-

C Section 74 A.D.U. (Mob 2) - From Staging Camp Larrimah to Parap Camp.

Change in designation :-

B Section 73 A.D.U. becomes B Section 74 A.D.U. - under command Timforce - HQ A.M.F. SD 89261 of 1 Nov refers.

The following changes in posting have taken place:-

QX 36079	Capt. H.J.G. Williams	- 74 A.D.U. to 73 A.D.U.
WX 41503	Capt. R.G. Liddle	- 73 A.D.U. to 74 A.D.U.
SX 35137	Capt. L.D. Solomon	- 74 A.D.U. to Rein. Pool S.A. L of C

The temporary attachment of NX 116466 Capt. J.B. Connellan, 73 A.D.U. to 74 A.D.U., has been necessary owing to the evacuation of Capt. Page, attached to 32 Camp Hospital, Alice Springs, to 105 Aust. Gen. Hosp. for a specialist's consultation on an injury.

On the movement of 73 A.D.U. from this Area action has been taken to implement N.T. Force Memo No. 22527 of 31 Oct.'45, disbandment of H.Q. A.M.F. Sub-Depot of Dental Stores N.T. Force. A Board of Survey is to be held on all goods returned to the Store and on completion of this, dental stores held will be returned to H.Q. A.M.F. Depot of Dental Stores.

A definite decrease in the amount of civilians dental treatment is again evident due to the falling off of number of personnel entitled to treatment. Owing to the reduction in the number of dental sections according to Demobilization Instructions treatment for the above has been confined to emergency treatment. The Alice Springs Area provides the greatest number of civlian patients. It is expected that a Governments Dentist will be attached to the Civilian Hospital at an early date, and this will allow removal of secti- at present attached to 32 Aust. Camp Hosp. Dental treatment of Army personnel in that Area will be carried out by mobile section operating from Darwin.

A.EDUCATION SERVICE - WAR DIARY - NOV 45

1. Changes

There have been no additions to the staff which is eight below establishment due to compassionate discharges and transfers and to occupational releases. Since another large unit is expected to occupy the Winnellie Camp, the Edn Centre catering for PWs has been kept open the staff maintaining this and the centre at the Details Depot.

2. Visits

The Rehab Officer visited units along the Stuart Highway to Alice Springs between 4 and 30 of the month. Lt Robinson the Rehab Officer for Womens Services visited the area and gave lectures to all Women Services personnel.

3. Lectures

Because of the movement of personnel and the changes and re-organization of units, fewer lectures have been given. The chief topics have centred round Rehabilitation and use has been made of material in the "Going Home" series of pamphlets.

4. Music

A tour of the Katherine - Larrimah area was made by the music unit. A new upright piano was received and is a welcome addition as the instruments previously available are showing the effect of the extreme climatic conditions.

5. Films

The usual programme of films have been maintained. This has been helped materially by the addition of a new Bell & Howell projector.

6. Classes

Most of the classes have lapsed because of the recent re-organization of units.
Good supplies of the various text books for classes are now available. A number of these are texts specially written for AES for use in the pre-release period.

7. Craft Activities

Good use is being made of the leather etc available. Twenty four units have received goods to the value of £360.

8. Correspondence Courses

Forty four courses have been supplied. The majority of these have come from No 4 Advanced Depot which has also provided the necessary text books so that the student in each case can commence work immediately.
Approximately thirty applications have been received for priority releases for full time training under CRTS.

9. Womens Services

During the month we have been without any FTD staff for Women's Services. A replacement for the EO(WS) is not yet available and the NCO has been on compassionate leave. Hobbies stores and dress materials are available and classes are anxious to start as soon as instructor is available.

AUSTRALIAN MILITARY FORCES - NORTHERN TERRITORY FORCE

H.Q. N.T. Force (AIF),
Den46/29/250,
2 Jan.'46.

"A" Branch,
H.Q. N.T. FORCE.

WAR DIARY - DENTAL SERVICES - FOR MONTH ENDING 31 DECEMBER 1945

The strength of the Force has been reduced considerably over the last month and this has provided some additional work in the fact that all personnel must be Dentally boarded, before leaving the Area on Demobilization . However this will not necessarily hinder the demobilization of Dental personnel and in accordance with H.Q. N.T. Force Sig GS16267 of 21 Dec and conference of 24 Dec. the actual strength in the Area will be decreased to 2 Officers and 9 O.Rs by 17 Jan.'46.

Timforce is at present being reduced and it is anticipated that B Section 74 Aust. Dental Unit, which is attached to the Force, will not be required shortly. It is suggested that this section should be be posted south and not returned to N.T. Force Area.

A letter of Appreciation was received for Dental Services rendered to 1 Canadian Special Wireless whilst in this Area.

OFFICERS Capts Seaman and Truscott have proceeded on leave and their return by Air has been requested, in order that high priority officers remaining in the Area may be returned to their home states in January.

Capt. G.W. Page has been posted to R.S.L. (Medical) following specialist's consultation on an injury. The D.D.S., H.Q. A.M.F., intimated by phone that a replace would be provided, but in view of the closing of the North South Road and the hospital in Alice Springs being taken over by the civilian authorities, this is not now considered necessary.

Capt Connellan, temporarily attached to 74 A.D.U. on evacuation of Capt Page, is in Alice Springs and on approval from D.D.S., H.Q. A.M.F., will dispose of dental equipment and stores to the civilian authorities taking over the Hospital, in accordance with H.Q., A.M.F. Memo No. 153150 of 28 Nov which lays down the procedure to be followed for disposal of equipment to civilians.

The disbandment of H.Q. A.MF. Sub-Depot of Dental Stores N.T. Force has been completed, Lt Johnstone, O.C., marched out to H.Q., A.M.F. Depot of Dental Stores. Dental Stores and Equipment were returned to H.Q., .AM.F. Depot of Dental Stores under escort of 1 O.R. (Landforces Sig QM99385 refers)

Arrangements have been completed for a semi mobile Dental Section to move to Mataranka and Katherine areas for a period of 16 days to supply dental treatment for personnel remaining in the Areas.

Although the number of civilians in the Darwin Area has increased consideralby over the last month, it is anticipated that the 2 remaining sections will be able to cope with any necessary treatment in addition to Army commitments. The treatment rendered in November amounted to £50-12-6, this again shows a decrease on previous payments.

ADDS NT FORCE.

AA AMENITIES SERVICE - NT DETACHMENT.

1. STORES & GOODS:

Uncertainty of closing date of this Detachment makes a decision as to whether to order further goods or not very difficult.

2. REPAIRS:

Repairs to Sports Goods cannot be undertaken as Sports Goods Repairer contrary to our advices was irregularly released in Perth.

3. POLICY:

Nothing to report.

4. CINEMA & FILMS:

Uncertainty of Air Transportation and it seems a growing carelessness on the part of RAAF concerning the movement of our film is causing considerable difficulty.

5. CONCERTS:

Nothing to report.

6. SPORTS:

Organised cricket and tennis are being successfully conducted.

7. VISITS:

A EDUCATION SERVICE - WAR DIARY - DEC 45

1. Changes

The appointment of Education Officer (WS) has been filled by transfer of Lt Carnell (WS) from Qld L of C Area. Because of the reduction of troops in the Alice Springs area and the release of further members of AES for discharge , it was decided to close the Edn Centre there. A Sgt from this HQ was sent to Alice Springs and arrangements are now in hand to send equipment South by rail and to close the centre.

2. Conference of UEOs

A conference of UEOs from units in the Darwin to Noonamah area was held at AES Headquarters Darwin on 20 Dec 45. Matters concerning the Edn plan for the Demobilization Period were discussed and officers had the opportunity of seeing what facilities were available to them by a conducted tour in groups to the Pre Vocational Workshop , the Library and the Text Book and Hobbies Materials Stores.

3. Lectures

Fewer lectures are given by AES staff as with reduced numbers they are more fully engaged with administrative duties and visits to units. Few units are able to devote time from military duties for educational activities.

4. Music

A tour of the Mataranka area was made by the Music unit. During the month keen interest was taken in the production of a Nativity Play by the Women Services and in rehearsals for Xmas Carols by the Darwin Choral Society. This culminated in the presentation of a combined performance in the week before Xmas.

5. Films

Feature Films are no longer available from allied sources as all U.S. troops have left the area. Programmes must now be almost exclusively documentary and in this regard we have had considerable help from RAAF Education.

6. Craft Activities

Good supplies of leather , felt and needlework are available and considerable interest has been developed particularly in the weeks preceding Xmas.

The Workshop instructor visited Mataranka with the Music unit and was able to assist a number of students doing courses and to assist in directing craft activities.

7. Correspondence Courses

Applications for courses (20 for the month) have decreased. This is an indication that saturation point is being reached and to the fewer numbers in the area and the stage of demobilization through which we are passing.

8. Rehabilitation

Numerous enquiries have been answered at all centres from individuals desirous of taking advantage of the various ex servicemen's benefits.

The Formation Rehabilitation Officer again visited units along the highway as far as Mataranka. About six members have been discharged in N.T. to take up occupations here, thus avoiding the long journey to their home states for discharge. In this connection the DADAE has acted on behalf of the Chief Rehab Officer and DD of Rationing in South Australia.

9. Women Services

The new Education Officer (WS) has taken up her duties, but owing to the fact that the NCO had been absent on compassionate leave, there was no representative in the area. The leisure time of many however was fully occupied by rehearsals for the Nativity Play and the Choral Society. Good supplies of dress materials, leather , felt and needlework are available for classes which are being organised.
