GENERAL FOOD Quality and quantity quite good. There seems to be insufficient sugar.

ENVIRONMENT The huts are very satisfactory. The camp is on the bank of the river and it is very foggy in the mornings.

MISSING Satisfactory. The kitchens are very nice, and have fly-proofed rooms for cutting up and storage.

GENERAL The health of the troops is generally very good. Colds are on the increase but we hope soon to be going away and this should prevent the spread of colds.
