AUSTRALIAN WAR MEMORIAL RCDIG1026157

NOTES FOR ALL COMDS & Contd.

5. Make your inspections systematic, and thus avoid missing details. Section leaders should inspect own Comds before Pl parade - there should be no fault remaining for Coy and Unit Comd to detect.

8. All ranks are required to do two (2) twleve (12) miles marches weekly. These must include, without exception, the Coy A and Q Staffs. Further "foot hardning" and "building up" parades will be arranged for indifferent marchers, and men returning from hospital. Every man who falls out must be given the necessary extra training under Coy arrangements.
9. All ranks will participate in PT, also sporting activity set down for two days weekly. Both of these are parades NOT optional.

11. Increased efficiency will be required in NCOs. Coys are responsible for instn and Trg conferences.
12. Ts O E T must be taken frequently. There is no excuse for failure to perform these because not itemised in a broad outline syllabus.

Units will forthwith issue instructions that warrant officers and NCOs wear badges of rank by means of a band on arm or wrist when shirts are discarded. It is directed that disciplinary action be taken for non-compliance with this instruction.

4. MENS CLUB (39 MILE). - (Ref Bde RO No. 18.)
Units are notified that the hours of this Club have been changed, and in future will be 1200-2200 hours SUNDAY only, instead of 1000-2200 hours as previously. As it is considered units will make their own arrangements for the entertainment of troops on XMas Day, and that owing to the proposed sports carnivals when the Club will be working longer hours, the Bde Comd has authorised the Mens Club to close all day on 25 Dec 43.

5. DIARRHOEA & DYSENTERY (Ref Bde RO No. 18.)

6. CENSORSHIP & PHOTOGRAPHY: (Ref Bde RO No. 18)
In accordance with NT Force GS Instruction No. 42 of 1 Dec 43, as from 1 Dec 43 the use of cameras in NT Force area is permitted all ranks, subject to GRO 645/42.
Any member wishing to use a camera must first apply for details to the Unit Officer in charge of Photography.

7. LEAVE - MEMBERS OF NT FORCE. (Ref NT Force memo 4535 of 3 Dec 43)
1. All personnel, prior to proceeding on leave, will be warned that any soldier who goes absent without leave will automatically debar another member of his unit from being granted leave until the soldier absent without leave is returned to duty.
The above procedure will be strictly enforced and the names of defaulters responsible for delaying the departure of their comrades will be promulgated in unit orders.
All personnel will be informed when proceeding on leave that, should the exigiencies of the Service demand it, they may be recalled from home at any time.

8. LEAVE AFTER SCHOOLS OUTSIDE NORTHERN TERRITORY.
(Ref NT Force memo 4536).
NT Force memo 3393 of 26 Oct 43 is cancelled.

1. It is apparent that many units have misinterpreted the paragraph headed "LEAVE" which appears on most joining instns for LHQ Schools. Nothing contained in that para entitles the CO to authorise leave except in accordance with GRO A598/43 (See para 3 thereof) For example, it does not justify the authorization of leave from a School in Queensland to a destination in NSW more than 150 miles distant if the student has had recreational leave within the preceding 12 months (see para 26 of GRO 598.)

2. Under the present system of leave, however, it may be desirable for a CO to grant leave to certain pers at the conclusion of schools for either of the following reasons:-
(a) the loss of time involved in returning pers to their Unit and then, soon afterwards, sending them on ARL with that unit;
(b) the desirability of having pers in a unit, who have already taken their ARL, available for duty with a rear party.

3. The GOC NT Force has therefore directed that in future COs may grant leave after schools as under subject to any restriction which may be stipulated in the joining instns issued for any particular school or course.
(a) Full entitlement of ARL under GRO A598 up to a max of 32 days, provided such ARL due is not less than 18 days.
(b) If the full entitlement of ARL is not being granted by COs under (a) above, and the soldier's home is not within 150 miles of the school, then COs may grant 3 days from accumulated leave to be taken in vicinity of the school or on the normal route of return from the school.
(c) The 3 days under (b) above may be increased to 7 days if the distance from the student's home complies with para 26 of GRO 598, or if the student's home is within such distance of a stopping point on the normal route of return.

4. Consideration is being given deductions from ARL for leave obtained for various other reasons, particularly extension to periods of compassionate leave.

6. CENSORSHIP & PHOTOGRAPHY: (Ref Bde RO No. 18)
In accordance with NT Force GS Instruction No. 42 of 1 Dec 43, as from 1 Dec 43 the use of cameras in NT Force area is permitted all ranks, subject to GRO 645/42.

7. LEAVE - MEMBERS OF NT FORCE. (Ref NT Force memo 4535 of 3 Dec 43)
1. All personnel, prior to proceeding on leave, will be warned that any soldier who goes absent without leave will automatically debar another member of his unit from being granted leave until the soldier absent without leave is returned to duty.
The above procedure will be strictly enforced and the names of defaulters responsible for delaying the departure of their comrades will be promulgated in unit orders.
All personnel will be informed when proceeding on leave that, should the exigiencies of the Service demand it, they may be recalled from home at any time.

8. LEAVE AFTER SCHOOLS OUTSIDE NORTHERN TERRITORY.
(Ref NT Force memo 4536).
NT Force memo 3393 of 26 Oct 43 is cancelled.

1. It is apparent that many units have misinterpreted the paragraph headed "LEAVE" which appears on most joining instns for LHQ Schools. Nothing contained in that para entitles the CO to authorise leave except in accordance with GRO A598/43 (See para 5 thereof) For example, it does not justify the authorization of leave from a School in Queensland to a destination in NSW more than 150 miles distant if the student has had recreational leave within the preceding 12 months (see para 26 of GRO 598.)

2. Under the present system of leave, however, it may be desirable for a CO to grant leave to certain pers at the conclusion of schools for either of the following reasons:-
(a) the loss of time involved in returning pers to their Unit and then, soon afterwards, sending them on ARL with that unit;
(b) the desirability of having pers in a unit, who have already taken their ARL, available for duty with a rear party.

3. The GOC NT Force has therefore directed that in future COs may grant leave after schools as under subject to any restriction which may be stipulated in the joining instns issued for any particular school or course.
(a) Full entitlement of ARL under GRO A598 up to a max of 32 days, provided such ARL due is not less than 18 days.
(b) If the full entitlement of ARL is not being granted by COs under (a) above, and the soldier's home is not within 150 miles of the school, then COs may grant 3 days from accumulated leave to be taken in vicinity of the school or on the normal route of return from the school.
(c) The 3 days under (b) above may be increased to 7 days if the distance from the student's home complies with para 26 of GRO 598, or if the student's home is within such distance of a stopping point on the normal route of return.

4. Consideration is being given deductions from ARL for leave obtained for various other reasons, particularly extension to periods of compassionate leave.
